Beauty by the Book Nancy Stafford, 2010-04-21 From celebrated Hollywood starlets to the covers of Cosmo, our society seems obsessed with beauty. Actress and Main Floor host Nancy Stafford (best known for her starring role as Michelle Thomas on Matlock) digs below our culture's fixation on outward appearance to show you that true beauty is more than skin-deep. Every woman has beauty, says Stafford, but not everyone sees it. I want you to see it. In *Beauty by the Book* she bares her heart to readers, laying out the Scriptures, promises, and truths women need to know to find their true value. Her liberating reflections will help you see yourself as God sees you -- worthy, lovable, and beautiful. "Mirror, Mirror, on the Wall..." What do you see when you look in the mirror? Do you see a unique individual created in the image of Beauty itself—one chosen, Cherished, and valued in the eyes of God? If not, you may be looking in the wrong mirror—one distorted by emotional wounds, lies from your past, or the unrealistic standards of our culture. "Everyone has beauty and worth," says Nancy Stafford, "but not everyone sees it. I want you to see it." Nancy shares her own poignant story and holds up the true mirror of God's Word—inviting you to see yourself as God sees you, to absorb His truth, and to know beyond a shadow of a doubt that the King is enthralled by your beauty!

The French Beauty Solution Mathilde Thomas,2015-07-14 A New York Times bestseller! Cofounder of the international beauty company Caudalie shares the simple, natural, time-tested beauty secrets she learned growing up in France that any woman can use to look younger, healthier, and more radiant without harsh products or drastic procedures. When Mathilde Thomas moved from her native France to the United States to expand her skin-care company, Caudalie, she wanted to find out what American women wanted from their beauty routines. She interviewed thousands of women and was struck by how different the French and American approaches to beauty were. American women are all about the quick fix—the elusive product or procedure that will instantly solve a nagging beauty problem, even if it hurts, is wildly expensive, or is damaging in the long term. The French, by contrast, approach beauty as an essential and pleasurable part of the day, a lifelong and active investment that makes you look and feel good. Mathilde used these insights to turn Caudalie into one of America's top beauty brands. Drawing on her company's twenty years of scientific skin-care expertise backed by the research of doctors and dermatologists—as well as the beauty secrets she learned growing up on a vineyard in Bordeaux—The French Beauty Solution covers everything from how to use natural ingredients such as oil and honey to wash your face; what foods to eat for healthier hair, skin, and nails; and the amazing properties of grapes and grapeseed oil. She also introduces an easy three-day grape cleanse that European aristocrats have been using to detox for hundreds of years. Blending stories, science, DIY recipes, and tons of savoir faire, The French Beauty Solution is the last beauty regimen you'll ever need.
