Make Your Bed Admiral William H. McRaven, 2017-04-04 Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons should be read by every leader in America (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. Powerful. --USA

Today Full of captivating personal anecdotes from inside the national security vault. --Washington Post Superb, smart, and succinct. --Forbes

Good In Bed Jennifer Weiner, 2008-09-04 From the bestselling author of *In Her Shoes*, *All Fall Down* and the forthcoming novel *Who Do You Love*, *Good in Bed* is a funny and tender story full of heart. Cannie Shapiro never wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people's lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for Cannie. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend Bruce. But now this... 'Loving a larger woman is an act of courage in our world,' Bruce has written in a national woman's magazine. And Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

Time for Bed Mem Fox, 1997 As darkness falls, parents get their children ready for sleep.

The Bed Book of Short Stories Lauri Kubuitsile, Joanne Hichens, 2010 The bed, dressed in hand sewn quilt or threadbare blanket, may in and of itself be memorable, but it is what happens in the bed - the sex and lovemaking, the

dreams, the reading, the nightmares, the rest, giving birth and dying - which give 'bed' special meaning. Whether a bed is shared with a book, a child, a pet or a partner, whether lovers lie in ecstasy or indifference, whether 'bed' relates to intimacy or betrayal, it is memories and recollections of 'bed', in whatever form, which have triggered the writing of these thirty stories by women from southern Africa. Well known writers Joanne Fedler, Sarah Lotz, Arja Salafranca, Rosemund Handler and Liesl Jobson will delight, but you will discover here new writers from Botswana, Zimbabwe, Mozambique, Malawi, Namibia and Zambia, each with a unique voice as they cast light on the intimate lives of women living in this part of the world and the possibilities that are both available to and denied them. The BED BOOK of short stories - some quirky and tender, others traumatic or macabre - is the perfect companion to take to bed with you, to keep you reading long into the night.

Ryan's Bed (Hardcover) Tijan, 2021-07-20 I crawled into Ryan Jensen's bed that first night by accident. I barely knew him. I thought it was his sister's bed—her room. It took seconds to realize my error, and I should've left... I didn't. I didn't jump out. I didn't get embarrassed. I relaxed. And that night, in that moment, it was the only thing I craved. I asked to stay.

He let me, and I slept. The truth? I never wanted to leave his bed. If I could've stayed forever, I would have. He became my sanctuary. Because-four hours earlier-my twin sister killed herself.

Rolling Into Bed Anthony Walls,2022-04-14 For those of us who are afraid we don't have what it takes to face our fears on our own, this story reminds us we have the skills and power to do so no matter how big and scary the problem, or monster, is. Most people think martial arts are for self-defense. While this is true, the art of Jiu-Jitsu also teaches us to have respect for ourselves and others. With this mutual respect, we can, through our actions, learn from one another. In this story, a child remembers how to use Jiu-Jitsu she knows to face her bedtime fear of monsters being under the bed. In so doing she remembers the real reason she learned this martial art, gains new friends through earning their respect, and teaches them the right way to go to sleep.
