The Best of Me David Sedaris,2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (Time Out New York), *The Best of Me* spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

Thank You for My Service Mat Best,Ross Patterson,Nils Parker,2019-08-20 NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, *Thank You for My Service* gives readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, *Thank You for My Service* will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's *Deadpool* meets *Captain America*, except one went to business school and one went to therapy, and it's anyone's guess which is which.

The Best of Me Nicholas Sparks,2011-10-11 In this #1 New York Times bestselling novel of first love and second chances, former high school sweethearts confront the painful truths of their past to build a promising future—together. Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen. In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in their small town in North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back home for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew—about Tuck, about themselves, and about the dreams they held dear—was not as it seemed. Forced to confront painful memories, the former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

At Your Best Carey Nieuwhof,2021-09-14 “A perceptive and practical book about why our calendars so rarely reflect our priorities and what we can do to regain control.”—ADAM GRANT “Carey’s book will help you reorganize your life. And then you can share a copy with someone you care about.”—SETH GODIN You deserve to stop living at an unsustainable pace. An influential podcaster and thought leader shows you how. Overwhelmed. Overcommitted. Overworked. That’s the false script an inordinate number of people adopt to be successful. Does this sound familiar: ● Slammed is normal. ● Distractions are everywhere. ● Life gets reduced to going through the motions. Tired of living that way? *At Your Best* gives you the strategies you need to win at work and at home by living in a way today that will help you thrive tomorrow. Influential podcast host and thought leader Carey Nieuwhof understands the challenges of constant pressure. After a season of burnout almost took him out, he discovered how to get time, energy, and priorities working in his favor. This approach freed up more than one thousand productive hours a year for him and can do the same for you. *At Your Best* will help you ● replace chronic exhaustion with deep productivity ● break the pattern of overpromising and never accomplishing enough ● clarify what matters most by restructuring your day ● master the art of saying no, without losing friends or influence ● discover why vacations and sabbaticals don’t really solve your problems ● develop a personalized plan to recapture each day so you can break free from the trap of endless to-dos Start thriving at work and at home as you discover how to be at your best.

The Best Book on the Market Eamonn Butler,2009-07-21 The free market makes the world go around. Maybe it's time we all tried to understand it a little better. Luckily Eamonn Butler is the ideal teacher to get us all up to speed. Markets are everywhere. But how many of us understand how they work, and why? What does a 'free market' really mean? Do free markets actually exist? Should we have more or less of them? Most of all - do we really need to know all this? Answer: Yes we do. MAKING ECONOMICS SIMPLE SO THAT EVEN POLITICIANS CAN UNDERSTAND IT If any mention of free markets sends your mind screaming back to your musty old school economics textbook, think again. *The Best Book on the Market* will keep you gripped, intrigued and well informed. Abandoning complicated mumbo-jumbo, Eamonn Butler, Director of the UK's leading free market think-tank, demystifies the world of markets, competition, monopolies and cartels, prices and overspills. Using examples from our everyday lives Dr Butler explains how the markets we have, and the many more we need, can work to create a richer, freer and more peaceful world. STOP WORRYING AND LOVE THE FREE ECONOMY He delves into the morality of markets and interrogates important issues such as why feckless rock-stars are paid much more than worthy nurses; whether we should worry about people trading in arms, water, healthcare etc; whether black markets are immoral; and questions of equality; sweatshops, and fair trade. “This book is about the free market and how unfree it can be when there is a lack of belief in freedom itself. Eamonn Butler presents solid arguments against government attempts to ‘perfect’ the markets by regulation, controls, subsidies, or by adopting measures which obstruct competition and private ownership.” Václav Klaus, President of the Czech Republic “Vividly and simply explains competition, entrepreneurship and prices”. John Blundell, Director, Institute of Economic Affairs “A great little book that gets to the heart of how and why markets work, in a very engaging and easily understood way”. Dan Lewis, Research Director, Economic Research Council “I welcome this witty, lucid explanation of how entrepreneurs and business people make a positive contribution to our lives, and why economists often don't”. Andrew Neil , leading journalist and BBC presenter “Anything which educates the public - and politicians - on how the free economy actually works is always welcome. Dr Butler does this in style”. Lord Lawson, former UK Chancellor of the Exchequer “Everyone in business would do well to understand the basic principles of markets which Dr Butler clarifies so well in this short book”. Allister Heath, Editor of *The Business and Associate*

Editor of The Spectator This book does great justice to the vibrancy of markets and what makes them tick Ruth Richardson, former Finance Minister of New Zealand It's refreshing to see an economist who understands the importance of innovation and entrepreneurship in pushing progress forward, and who can explain it in straightforward language. Trevor Baylis OBE (inventor of the wind-up radio) I'm glad to see that Dr Butler stresses the role of innovators – and the importance of market structures that encourage innovation. Sir Clive Sinclair (inventor) Dr Butler's book is a welcome and very readable contribution on the mechanisms and morality of the free economy. Sir John Major KG CH (former UK Prime Minister) "'Market' is one of the first six-letter wor

The Best Horror of the Year Ellen Datlow,2009-10-01 An Air Force Loadmaster is menaced by strange sounds within his cargo; a man is asked to track down a childhood friend... who died years earlier; doomed pioneers forge a path westward as a young mother discovers her true nature; an alcoholic strikes a dangerous bargain with a gregarious stranger; urban explorers delve into a ruined book depository, finding more than they anticipated; residents of a rural Wisconsin town defend against a legendary monster; a woman wracked by survivor's guilt is haunted by the ghosts of a tragic crash; a detective strives to solve the mystery of a dismembered girl; an orphan returns to a wicked witch's candy house; a group of smugglers find themselves buried to the necks in sand; an unanticipated guest brings doom to a high-class party; a teacher attempts to lead his students to safety as the world comes to an end around them... What frightens us, what unnerves us? What causes that delicious shiver of fear to travel the lengths of our spines? It seems the answer changes every year. Every year the bar is raised; the screw is tightened. Ellen Datlow knows what scares us; the twenty-one stories and poems included in this anthology were chosen from magazines, webzines, anthologies, literary journals, and single author collections to represent the best horror of the year. Legendary editor Ellen Datlow (Poe: New Tales Inspired by Edgar Allan Poe), winner of multiple Hugo, Bram Stoker, and World Fantasy awards, joins Night Shade Books in presenting The Best Horror of the Year, Volume One.

Oracle BI Enterprise Edition Dashboard and Report Best Practices Amy Mayer,Kevin McGinley,2009-01-26 BI Consulting Group has developed what is recognized as the most complete, most comprehensive set of dashboard and report design “best practice” standards ever developed, specific to Oracle Business Intelligence (formerly Siebel Business Analytics). These best practices have not been created simply to provide a “standard”, instead they are based on the most important litmus test “ what standards actually cause dashboards to be used, and what “best practices” of dashboard and report development provide insight into the business, rather than just reports. This guide was started with the Siebel Analytics 7.8.x platform, before Oracle acquired Siebel. The current version of the guide reflects Oracle’s 10.1.3.3.x releases of Oracle Business Intelligence Enterprise Edition (OBIEE). Expect this guide to be enhanced and revised with subsequent major releases of OBIEE.

The Best Medicine Walt MD Larimore,2020-10-06 When Dr. Walt Larimore moved his young family to Kissimmee, Florida, to start a small-town medical practice in 1985, he had no idea he was embarking on an enterprise that would change his life in ways both large and small. But there's no telling what you'll run into as a family physician in a rural, small-town community. Perfect for anyone yearning for a simpler, slower pace of life, as well as fans of Dr. Larimore's popular Bryson City series, The Best Medicine is a tender and insightful collection of stories chronicling one young doctor's passage from inexperience to maturity as a physician, husband, father, and community member. Filled with characters colorful and crusty, warm-hearted and hot-headed, witty and winsome, these captivating stories glow with warmth, love, and humor. You'll laugh, you'll cry, and you'll wish Dr. Larimore was your doctor.

The Best Teacher in You Robert E. Quinn,Katherine Heynoski,Mike Thomas,Gretchen M. Spreitzer,2014-06-30 What does teaching look like at its very best? How are great teachers able to ignite a love of learning and change students’ lives? In this book you’ll learn from seven remarkable teachers who stretch beyond the conventional foundations of good teaching to transform their classrooms into exciting, dynamic places where teachers and students cocreate the learning experience. Based on six years of extensive work, the book outlines a framework that identifies four dimensions of effective teaching and learning that are integrated in these highly effective teachers’ classrooms—and that all teachers can use to recognize and release the potential in themselves and their students.

Best Served Cold Joe Abercrombie,2009-06-01 Springtime in Styria. And that means war. There have been nineteen years of blood. The ruthless Grand Duke Orso is locked in a vicious struggle with the squabbling League of Eight, and between them they have bled the land white. While armies march, heads roll and cities burn, behind the scenes bankers, priests and older, darker powers play a deadly game to choose who will be king. War may be hell but for Monza Murcatto, the Snake of Talins, the most feared and famous mercenary in Duke Orso's employ, it's a damn good way of making money too. Her victories have made her popular - a shade too popular for her employer's taste. Betrayed, thrown down a mountain and left for dead, Murcatto's reward is a broken body and a burning hunger for vengeance. Whatever the cost, seven men must die. Her allies include Styria's least reliable drunkard, Styria's most treacherous poisoner, a mass-murderer obsessed with numbers and a Northman who just wants to do the right thing. Her enemies number the better half of the nation. And that's all before the most dangerous man in the world is dispatched to hunt her down and finish the job Duke Orso started... Springtime in Styria. And that means revenge.
