- 📖 **Bounce** Matthew Syed,2010-04-20 In the vein of the international bestselling Freakonomics, award-winning journalist Matthew Syed reveals the hidden clues to success—in sports, business, school, and just about anything else that you’d want to be great at. Fans of Predictably Irrational and Malcolm Gladwell’s The Tipping Point will find many interesting and helpful insights in Bounce.
- 📖 **Bounce** Keith McFarland,2009-09-15 Why do many people and companies crumble in the face of difficulty, while others use adversity to bounce back even stronger? Here from New York Times bestselling author Keith McFarland is a leadership fable for those wary of fables, a story that rejects pat, heard-it-before advice and shows—in a startlingly fresh way—how to use challenges to make both yourself and your organization stronger. Mike Maloney, division manager for Boston-area tech firm CRX, returns from a business trip late one night feeling demoralized. His unit is about to lose its biggest customer and its most valuable employee. Mike wonders how much longer he and his staff can keep up their relentless work schedule and meet upper management’s new request for cost cuts. Something has to give. Hoping to blow off steam, he heads to a gym, where he runs into Joe, a former army ranger. After listening to Mike vent about the cards he’s been dealt, the ex-soldier says, Sounds like your company is ready to bounce. Mike looks confused, so Joe begins tutoring him in lessons from the battlefield. It is precisely when all seems lost, says Joe, that the opportunity exists to rethink a situation and make real progress. Over the next two weeks, Joe turns Mike’s view of himself and his company upside down. Despite his Ivy League MBA and extensive experience running companies, Mike has a lot to learn from this young grunt just back from Afghanistan. For example, he learns that under pressure, people experience two kinds of anxiety—one that hurts performance and one that helps it. Mike uses the insight to get his troops running toward the sound of gunfire, and in the process, learns that bounce can happen outside the workplace, too. With Joe’s help, he finds his own personal bounce. Drawing inspiration from such sources as the work of M.I.T. social scientist Ed Schein, the film Saving Private Ryan, and his own experiences as a CEO leading companies, McFarland cleverly weaves a story whose practical insights can be put to use immediately. With an invaluable wrap-up section at the book’s end that analyzes each of the key ideas and shows how they can be applied in work and personal life, Bounce may be the most indispensable guide to facing challenges ever written. From the Hardcover edition.
- 📖 **The Hard Bounce** Todd Robinson,2012-12-18 The debut novel from the creator of ThugLit. Boo Malone lost everything when he was sent to St. Gabriel’s Home for Boys. There, he picked up a few key survival skills; a wee bit of an anger management problem; and his best friend for life, Junior. Now adults, Boo and Junior have a combined weight of 470 pounds (mostly Boo’s), about ten grand in tattoos (mostly Junior’s), and a talent for wisecracking banter. Together, they provide security for The Cellar, a Boston nightclub where the bartender Audrey doles out hugs and scoldings for her favorite misfits, and the night porter, Luke, expects them to watch their language. At last Boo has found a family. But when Boo and Junior are hired to find Cassandra, a well-to-do runaway slumming among the authority-shy street kids, Boo sees in the girl his own long-lost younger sister. And as the case deepens with evidence that Cassie is being sexually exploited, Boo’s blind desire for justice begins to push his surrogate family’s loyalty to the breaking point. Cassie’s life depends on Boo’s determination to see the case through, but that same determination just might finally drive him and Junior apart. What’s looking like an easy payday is turning into a hard bounce—for everyone.
- 📖 **Bounce** Doreen Cronin,2013-04-02 Bounce a ball right off your hands. Bounce it off your toes. Try to bounce a beach ball on the tip of your nose! Doreen Cronin and Scott Menchin, who had toddlers all over America jiggling with Wiggle, invite them now to hop, leap, pounce, and bounce to their hearts’ content (though not on couches!). Because, after all, it’s better to have bounced and bumped than never to have bounced at all.
- 📖 **Bounce** Matt Miller,2012 Over the course of the twentieth century, African Americans in New Orleans helped define the genres of jazz, rhythm and blues, soul, and funk. In recent decades, younger generations of New Orleanians have created a rich and dynamic local rap scene, which has revolved around a dance-oriented style called bounce. Hip-hop has been the latest conduit for a New Orleans sound that lies at the heart of many of the city’s best-known contributions to earlier popular music genres. Bounce, while globally connected and constantly evolving, reflects an enduring cultural continuity that reaches back and builds on the city’s rich musical and cultural traditions. In this book, the popular music scholar and filmmaker Matt Miller explores the ways in which participants in New Orleans’s hip-hop scene have collectively established, contested, and revised a distinctive style of rap that exists at the intersection of deeply rooted vernacular music traditions and the modern, globalized economy of commercial popular music. Like other forms of grassroots expressive culture in the city, New Orleans rap is a site of intense aesthetic and economic competition that reflects the creativity and resilience of the city’s poor and working-class African Americans.
- 📖 **Bounce** Megan Shull,2016-09-06 YouTube star JoJo Siwa to star in the upcoming movie adaptation! Bounce is a heartwarming story about a teenage girl who wishes she could trade her family for a new one on Christmas Eve. Her wish is granted and she finds herself ‘bouncing’ into the lives of other girls and living Christmas Day on repeat—learning the value of family, finding your voice, and the power of love. (Variety) A celebration of the power of love and connection, Megan Shull’s extraordinary novel captures one girl’s journey to find her voice, heal her heart, and discover the joy of bouncing back. Seventh grader Frannie Hudson wonders what it would be like to trade in her family for a new one. Her big brother ignores her. Her mean older sister can’t stand her. And her parents have just announced they’re going on a last-minute vacation—without her. When Frannie makes one desperate, crazy wish—BOOM!—she magically bounces into a whole new life, with a totally different family. And. It. Is. Amazing! There’s only one catch: waking up as someone else keeps happening. Plunged into lives and adventures she’s only imagined—from being a pop star to meeting one super-cute boy—Frannie finds courage in the unforgettable friends and families she meets along the way. But as her new life spins out of control, Frannie begins to worry if she’ll ever get back home. With Bounce, the author of The Swap, which is now a Disney Channel Original Movie, delivers another hilarious, heartwarming, and empowering story about a girl who relives the same day over and over again—each time as someone new. Megan Shull’s novel is perfect for fans of Wendy Mass, Holly Goldberg Sloan, and Meg Cabot.
- 📖 **Jolie Blon’s Bounce** James Lee Burke,2002-06-04 Dave Robicheaux is back in this powerful New York Times bestseller that takes him into the underbelly of New Iberia’s mafia to solve the brutal murder of two teenage girls. When a beautiful teenage girl is killed, New Iberia police detective Dave Robicheaux senses that the most likely suspect, Tee Bobby Hulin, is not the actual killer. Though a drug addict and general neer-do-well, Hulin just doesn’t fit the profile for this kind of crime. He’s a Cajun blues singer (one of his songs is titled “Jolie Blon’s Bounce”), and he’s been raised by his grandmother Ladice Hulin, a proud and strong-willed black woman. But when there’s another, similar murder—this victim a drugged-out prostitute who happens to be the daughter of one of the local mafia bigwigs—the cries for an arrest become too loud to ignore. The mafia figure, however, prefers to take matters in his own hand and sets out to find—and punish—the killer himself. Once again, Tee Bobby Hulin seems the most likely suspect. Added to the mix of characters on the good guy side of the balance sheet is Clete Purcel, a long-time buddy of Robicheaux’s and a confirmed boozier and womanizer. Coming to New Iberia for a visit, Clete is quickly drawn into the struggle between the various forces of evil in the town: Jimmy Dean Styles, a black man intent on maintaining his empire of corruption; Joe Zeroski, a trailer-park mafioso with palatial aspirations—and of course Legion Guidrey, the devil incarnate.
