Break Florian Ledoux,Cédric Liano,2019-06-11T00:00:00+02:00 Une histoire du Hip-Hop « Et une fois qu'ils avaient entendu ça, c'était plié, impossible de revenir en arrière. Ils voulaient constamment entendre break sur break. » DJ Kool Herc Fin des années 60, South Bronx, New York, un quartier et des familles laissés à l'abandon. Marcus et Aaron, deux frères, grandissent dans un climat de violence sociale. En pleine guerre des gangs, chacun va chercher dans la rue, à sa manière, comment survivre. Marcus est de toutes les blocks parties et s'embarque corps et âme dans la danse. Aaron quant à lui trouve refuge dans le graffiti. Entre fiction et récit historique documenté, on (re)découvre, à travers les yeux de Marcus et Aaron, comment l'énergie créatrice de jeunes du Bronx a donné naissance au DJing, au rap, au breakdance ou encore au graffiti. Quelques années plus tard, ces disciplines artistiques constitueront un mouvement culturel majeur et international : le Hip Hop. En 1979 sortait le morceau Rapper's Delight. Une offense pour les fondateurs du mouvement, une explosion commerciale pour le hip hop. BREAK est le résultat d'un véritable travail à quatre mains, celles de Florian LEDOUX et Cédric LIANO, aussi bien pour l'écriture du scénario que pour la réalisation des planches.

The Break Katherena Vermette,2016-09-17 Winner of the Amazon.ca First Novel Award and a finalist for the Rogers Writers' Trust Fiction Prize and the Governor General's Literary Award, The Break is a stunning and heartbreaking debut novel about a multigenerational Métis–Anishnaabe family dealing with the fallout of a shocking crime in Winnipeg's North End. When Stella, a young Métis mother, looks out her window one evening and spots someone in trouble on the Break — a barren field on an isolated strip of land outside her house — she calls the police to alert them to a possible crime. In a series of shifting narratives, people who are connected, both directly and indirectly, with the victim — police, family, and friends — tell their personal stories leading up to that fateful night. Lou, a social worker, grapples with the departure of her live-in boyfriend. Cheryl, an artist, mourns the premature death of her sister Rain. Paulina, a single mother, struggles to trust her new partner. Phoenix, a homeless teenager, is released from a youth detention centre. Officer Scott, a Métis policeman, feels caught between two worlds as he patrols the city. Through their various perspectives a larger, more comprehensive story about lives of the residents in Winnipeg's North End is exposed. A powerful intergenerational family saga, The Break showcases Vermette's abundant writing talent and positions her as an exciting new voice in Canadian literature.

Why Things Break Mark Eberhart,2007-12-18 Did you know— • It took more than an iceberg to sink the Titanic. • The Challenger disaster was predicted. • Unbreakable glass dinnerware had its origin in railroad lanterns. • A football team cannot lose momentum. • Mercury thermometers are prohibited on airplanes for a crucial reason. • Kryptonite bicycle locks are easily broken. "Things fall apart" is more than a

poetic insight—it is a fundamental property of the physical world. *Why Things Break* explores the fascinating question of what holds things together (for a while), what breaks them apart, and why the answers have a direct bearing on our everyday lives. When Mark Eberhart was growing up in the 1960s, he learned that splitting an atom leads to a terrible explosion—which prompted him to worry that when he cut into a stick of butter, he would inadvertently unleash a nuclear cataclysm. Years later, as a chemistry professor, he remembered this childhood fear when he began to ponder the fact that we know more about how to split an atom than we do about how a pane of glass breaks. In *Why Things Break*, Eberhart leads us on a remarkable and entertaining exploration of all the cracks, clefts, fissures, and faults examined in the field of materials science and the many astonishing discoveries that have been made about everything from the explosion of the space shuttle Challenger to the crashing of your hard drive. Understanding why things break is crucial to modern life on every level, from personal safety to macroeconomics, but as Eberhart reveals here, it is also an area of cutting-edge science that is as provocative as it is illuminating.

Made to Break D. Foy, 2014 *Made to Break*, D. Foy's debut novel, snaps. Literary, cinematic... Foy] is a writing school of one, and *Made to Break* ushers his literary energies into categorical existence. -The Daily Beast Strange and freewheeling... forsaking plot in favor of something much more cerebral and immediate. *Made to Break* works its English over, coining fresh and sometimes unapologetically awkward phrases to milk out something strange and animate. -Los Angeles Review of Books *Made to Break*] reads like a macabre mumblecore script penned by Jim Thompson. It's one swell medley of mayhem and defeat dashed together by the vitality of D. Foy's prose. Zainy, sly, and darkly comedic. -Entropy Magazine With influences that range from Jack Kerouac to Tom Waits and a prose that possesses a fast, strange, perennially changing rhythm that's somewhat akin to some of John Coltrane's wildest compositions, this narrative is at once emotionally gritty and surprisingly beautiful even during its darkest moments. Foy has delivered the kind of notable narrative that pulls an author out of the very crowded rookie pool and places him at the top of the list of fresh voices that readers of outstanding fiction should keep on their radar. -HTML Giant Two days before New Years, a pack of five friends--three men and two women--head to a remote cabin near Lake Tahoe to celebrate the holidays. They've been buddies forever, banded together by scrapes and squalor, their relationships defined by these wild times. After a car accident leaves one friend sick and dying, and severe weather traps them at the cabin, there is nowhere to go, forcing them to finally and ultimately take stock and confront their past transgressions, considering what they mean to one another and to themselves. With some of the most luminous and purple prose flexed in recent memory, D. Foy is an incendiary new voice and *Made to Break*, a grand, episodic debut, redolent of the stark conscience of Denis Johnson and the spellbinding vision of Roberto Bola o. D. Foy has had work published or forthcoming in BOMB, Post Road, the Literary Review, the Georgia Review, Forty Stories: New Writing from Harper Perennial, and Laundromat, an homage to photographs of laundromats throughout New York City (powerHouse Books).
