*Breakout* Kate Messner, 2018-06-05 Told in letters, poems, text messages, news stories, and comics--a series of documents Nora collects for the Wolf Creek Community Time Capsule Project--Breakout is a thrilling story that will leave readers thinking about who's really welcome in the places we call home. Nora Tucker is looking forward to summer vacation in Wolf Creek--two months of swimming, popsicles, and brushing up on her journalism skills for the school paper. But when two inmates break out of the town's maximum security prison, everything changes. Doors are locked, helicopters fly over the woods, and police patrol the school grounds. Everyone is on edge, and fear brings out the worst in some people Nora has known her whole life. Even if the inmates are caught, she worries that home might never feel the same. A Mighty Girl Best Book of the Year

**Breakout** Martin Russ, 2000-05-01 On General Douglas MacArthur's orders, a force of 12,000 U.S. Marines were marching north to the Yalu river in late November 1950. These three regiments of the 1st Marine Division--strung out along eighty miles of a narrow mountain road--soon found themselves completely surrounded by 60,000 Chinese soldiers. Despite being given up for lost by the military brass, the 1st Marine Division fought its way out of the frozen mountains, miraculously taking their dead and wounded with them as they ran the gauntlet of unceasing Chinese attacks. This is the gripping story that Martin Russ tells in his extraordinary book. Breakout is an unforgettable portrayal of the terror and courage of men as they face sudden death, making the bloody battles of the Korean hills and valleys come alive as they never have before. Of interest will be the new PBS American Experience Documentary The Battle of Chosin, which premiered on November 1, 2016.

Rose, 2019-06-03 "BREAKOUT is a thrilling, action-packed ride that is guaranteed to keep your heart pumping and the pages turning!" - Kim Chance, author of the Keeper & Seeker series Six days. That's the amount of time until Lezah's execution. She'll die never knowing what got her locked up in that godforsaken prison in the first place. Her only chance of survival is to escape. Except the monitoring bracelet that digs into her wrist, the roaming AI, and the implant in her neck make freedom close to impossible. Her best chance is to team up with the four other inmates who are determined to break out, even if one of them is beyond gorgeous, annoying—oh, and in for murder. But he has a secret of his own. One that could break Lezah if she finds out, but could also set him free. Figuring out how to work with him and the rest of this mismatched group of criminals is the only way Lezah will survive to see the outside world again. But nothing in this prison is as it seems. And no one.

He's quickly thrown into a dangerous prison on trumped-up charges. He knows he is marked for death while in this

prison and there's nothing he can do about it. However, there is a group of people who can do something about it. Discovering that James is wasting away in a Mexican prison, the marines in his unit decide to risk court-martial themselves and go AWOL as well, ready to go to war in order to break their brother out. And that's just the beginning of the mayhem and violence.
