He'll let me walk away. But I have to earn every single one. By submitting to the darkest, cruelest, and most beautiful man I've ever known. 5 dark ★★★★★! Pearl clearly has gone through hell and more... this story is so breathtaking !!!! I am awed by her defiance, gallantry, and great fortitude! As far as Crow is concerned, under his savageness, there are shreds of compassion and humanity -Goodreads Reviewer Haunting, disturbing, emotionally tormenting and oh so dark! I loved Pearl's strength and bravery. I got lost in Crow's complexity and fell in love with the man behind the mask. Being a fan of the dark, this definitely ticked all the right boxes for me. -Goodreads Reviewer I read A LOT of books and this series will always be my favorite. Crow and Pearl. I fell in love with both of them. Penelope Sky knows how to develop her characters and does it very well. The story never gets boring. This would make a great mini-series for television! -Amazon Reviewer Good golly, Miss Molly! At first, I was apprehensive about reading this book, but ... it is truly a work of art. When I find a book that's this good I end up staying awake till 4 in the morning because I just can't put it away till my hubby makes me. This book makes you a little stronger and gives worth to the reason why you should never stop fighting for yourself. I would recommend it to anyone. -Amazon Reviewer Trigger Warning: Not for the faint of heart.

**When Your Kids Push Your Buttons** Bonnie Harris, 2014-05-01 As a parent, there are certain things that are guaranteed to push your buttons. You behave in ways you later regret, and your child learns to manipulate you. Rather than focusing on how you can change your child's behaviour, this deeply insightful and wonderfully wise book focuses on you, the parent. When Your Kids Push Your Buttons shows that it is your own attitudes and perceptions rather than your child's behaviour that spark your anger - and these are often based on your own relationship with your parents. Discover how to:· End the cycle of action and reaction between you and your child· See the hidden messages of both children and parents' anger· Understand why your own hidden agendas and standards as parents might push your child to act out· Address behaviour problems, not with anger, but with new solutions· Break free of the past and connect with your children. Filled with anecdotes from real parents and based on hundreds of real-life situations, this book is destined to become a parenting classic.
