Pro Football Championships Before the Super Bowl Joseph S. Page,2014-01-10 While the Super Bowl has become a worldwide cultural event, the annual league championship games had a long history even before the first Super Bowl in January, 1967. From the first American Football League's attempt to settle the league title on the gridiron in 1926 to the separate NFL and AFL championships of the 1965 season, this history offers a narrative of each game, including line-ups, box scores and team statistics.

Ironman U.S. Championship Bring It On Home James Armata,

Here We Go! David Cloninger,2017-11-06 Most people thought it would take a miracle to bring the Gamecocks' women's basketball team to the nation's top teams, but Dawn Staley has always beaten the odds. She stood at the podium on May 10, 2008, and promised to bring national prominence to South Carolina, and with a lot of hard work, Staley's vision for the Gamecocks' women's basketball team came true over the next nine years, culminating in the 2017 national championship. Her willingness to keep striving and to deliver on her promise was met with early resistance, but it paid off with several winning seasons, terrific recruits, and finally, the only prize Staley had not obtained in a lifetime of championship basketball. David Cloninger takes you on the team's journey to the national title.

The Rise & Fall of ECW Thom Loverro,2007-05-22 Independent wrestling promotions were once the norm all across the country. However, with the rise of World Wrestling Entertainment and the creation of World Championship Wrestling -- out of three Southern promotions -- the possibility of an independent succeeding grew fainter and fainter. As the nineties began, independents were looking for creative ways to survive. In the East, several banded together to share cost and talent; they were known as Eastern Championship Wrestling. Based out of a warehouse in Philadelphia that stored parade floats and hosted bingo, this promotion seemed doomed to be just one more ninety-day wonder. When they hired a brash New Yorker, Paul Heyman, he warned Eastern Championship Wrestling that the job was just temporary. He would come in, shake up a lot of the wrestlers, and then leave. But what Heyman did redefined professional wrestling in the nineties. What he created was a company that dared to push the boundaries of sports entertainment. What he created became Extreme Championship Wrestling. As the person responsible for booking -- who was going to wrestle and who was going to win -- Heyman dared to break with tradition. Rather than relying on local talent and down-and-out veterans to draw in crowds, he created new characters and story lines that would appeal to the core wrestling fans: eighteen- to twenty-four- year-old men. Paul also realized that to persuade them to come, you had to get their interest and keep it. You had to offer the fans more than just the match. ECW became known for the interview, the shoot. Heyman got to know each wrestler's style, and in their interviews he would encourage them to speak from their hearts. When it came to the matches, ECW broke even farther from the mainstream. Tables, ladders, chairs, barbed wire, and even frying pans were used with abandon. Wrestlers not wanting to be topped put their bodies on the line, taking ever greater risks, daring to jump, leap, and fall from places never tried before. ECW matches became the stuff of legend. Word spread as savvy wrestling fans began talking about the promotion and exchanging tapes. To keep the buzz building, wrestlers used the age-old trick of taunting the fans, and ECW fans responded in kind. By including the fans in the shows, ECW attracted a rabid, cult-like following that is still going strong today. For nearly a decade, ECW redefined professional wrestling with a reckless, brutal, death-defying, and often bloody style that became synonymous with hardcore. Through extensive interviews with former ECW talent and management -- Paul Heyman, Mick Foley, Tazz, Tommy Dreamer, Rob Van Dam, and many more -- *The Rise & Fall of ECW* reveals what made this upstart company from Philadelphia great -- and what ultimately led to its demise.

The Heart of a Champion Gus Alfieri,2016-05-19 **THE HEART OF A CHAMPION** The Heart of A Champion trumpets the Golden Age of Long Island Basketball, from the late-1950s through the mid-1980s, producing 25-30 division I players. Coach Gus Alfieri took his 1973-1974 St. Anthony's High School Basketball Team and used it as a microcosm of the era. In this memoir, he describes how he got into basketball, what inspired him to become a high school coach, and how he turned an inexperienced and struggling program into the #1 high school in New York State, #1 Catholic School in the country and the fifth best overall team in the nation. The climax of the book centers around St. Anthony's defeating Lutheran High School in the first unofficial state tournament, held at Hofstra University before 6,500 basketball enthusiasts. Besides giving St. Anthony's national attention, the victory over Lutheran was the 39th straight win on its way to a 49-game winning streak.

Ten Times a Champion Mark C. Bodanza,2016-04-13 Sam Jones spent his boyhood in a small city tucked away in the segregated south. In many ways, it was the most unlikely of settings for the start of a professional sports career marked by a rare kind of success. Guided by humble beginnings and values that included hard work, maturity, and respect, Sam soon discovered how much those early preparations would mean in the future as he entered college and set out on a trajectory that would eventually intersect with the Boston Celtics and produce astounding results. In his biography of the basketball legend, Mark Bodanza chronicles how Jones overcame

obstacles on and off the basketball court to capture the attention of the Boston Celtics fresh from their first NBA championship and become a surprising first-round draft pick in 1957 and, for the next twelve years, one of the game's greatest champions. As Bodanza reveals Sams' ultimate challenges and joys, it soon becomes evident that Jones was an extraordinary testament to what can be achieved through perseverance, integrity, and a faithful and determined effort, not just for himself but for the benefit of his team. Ten Times a Champion shares the fascinating story of a basketball legend who displayed unshakable tenacity and helped his beloved Boston Celtics achieve extraordinary goals.

The World Colored Heavyweight Championship, 1876-1937 Mark Allen Baker, 2020-08-25 For six decades the World Colored Heavyweight Championship was a useful tool of racial oppression--the existence of the title far more important to the white public than its succession of champions. It took some extraordinary individuals, most notably Jack Johnson, to challenge the color line in the ring, although the title and the black fighters who contended for it continued until the reign of Joe Louis a generation later. This history traces the advent and demise of the Championship, the stories of the 28 professional athletes who won it, and the demarcation of the color line both in and out of the ring.

Gotta Go to Work Triumph Books, 2000-02 For the St. Louis Rams, it was the most miraculous way to culminate an improbable journey to the summit of pro-football -- truly a dream season.

My Off-Season with the Denver Broncos Loren Landow, 2012-10-05 Relive the Denver Broncos' magical 2011 season from the inside. Loren Landow served as the team's unofficial trainer during the pre-season lockout and Mike Klis covers the Broncos for the Denver Post. Together, they tell the story from their unique perspectives, beginning with Landow's spring email to safety Brian Dawkins suggesting they work together to build a championship team while nobody was watching. From the early workouts where the team looked disorganized, to the media circus surrounding Tim Tebow, this story tells how Landow brought a disparate group of players together to form the 2011 Denver Broncos--the team everyone had written off from the start--that went on to win the AFC West. Also included are photos and training tips for minimizing injury and motivational strategies that can be applied to any sport.

Golf's Greatest Championship Julian I. Graubart, 2009-05-16 The 1960 U.S. Open Golf Championship played at Cherry Hills Country Club in Denver, Colorado, remains perhaps the most dramatic, competitive, and passionate of all Open championships. In 1960 the young lions of the game were eager to reach the top tier occupied by venerable players such as Ben Hogan and Sam Snead. In this Open only a single stroke separated the three leaders--Ben Hogan, Arnold Palmer, and a young but talented amateur named Jack Nicklaus--on the final two holes. The stunning conclusion would prove a watershed in the lives of all three players, and in the game itself. Golf's Greatest Championship is a suspenseful, richly detailed chronicle of this epic chapter in the game of golf.

The Invitational Champions John P. Russell, 2018-07-16 In 1940, a group of sportsmen of the first rank, members of the Southern Amateur Field Trial Club of Albany, Georgia, undertook to design a field trial format that would provide a more comprehensive and rigorous test of the qualities of high class bird dogs. Dubbed the "dream trial" by William F. Brown at its inaugural offering, the trial, the Quail Championship, was contested in 1941, and 1942 in the quail-rich plantation country in the Albany, Georgia area. Interrupted by World War II, the trial remained as only a bright and shining memory until 1964 when it was resurrected as the Quail Championship Invitational in 1964 at Paducah, Kentucky. Limited to twelve invited contestants, the best of the previous year's major circuit competition, the trial seeks to identify a bird dog with strength, courage, intelligence, and character at the highest level, the "best of the best." True to its origin, the trial provides the most comprehensive and equitable test of the major circuit dogs of the field trial sport.

Baseball Joe in the World Series Lester Chadwick, *Baseball Joe in the World Series : Or Pitching for the Championship* When the gong rang, the Giants started out as though they were going to sew up the game then and there. Burkett set the ball rolling with a wicked drive through the box that got past Roth before he could gauge it. Larry followed suit with a smoking hit to left. A prettily placed sacrifice bunt by Denton advanced both men a base. Roth struck out Willis on three pitched balls, but Becker came to the rescue with a line drive over second that scored Burkett easily, though Larry was put out as he made a great slide for the rubber. The net result was only one run, but the most encouraging feature of the inning was the exhibition of free hitting. "Three clean hits in one time at bat is going some," Robson exulted. "The boys seem to have their batting clothes on for fair," responded McRae, vastly pleased. "I doubt if that bird will come again for more," judged "Robbie." "They'll probably take him out and put Fraser in." Joe was in fine fettle, and he showed his appreciation of the lead his mates had given him by retiring the Red Sox without a man seeing first base. Contrary to Robson's prediction, the Boston manager elected still to pin his faith to Roth, who tightened up after his bad start and for the next three innings held the Giants scoreless. He was helped in this by the superb support given him. Both the outfield and infield were on their toes all the time, and drives that ordinarily would have gone for hits were turned into outs in dazzling fashion. One magnificent catch by Thompson, the Red Sox catcher, was the feature of the fourth inning. Iredell, who was at bat, sent up a sky-piercing foul. Thompson, Hobbs and Roth started for it. "I've got it, I've got it!" yelled Thompson. The others stopped and Thompson kept on. The ball swerved toward the Boston dugout, where the substitutes and extra pitchers of the team were

sitting. A shout of warning went up, but Thompson did not falter. With his eye on the ball and his hands outstretched, he plunged ahead. He grabbed the ball in a terrific forward lunge and went head over heels into the dugout, where his comrades caught him and saved him from injury. But he still clutched the ball as he was put on his feet, and a tempest of applause went up in which even the Giants and their partisans could not help joining.

Unbeatable: Notre Dame's 1988 Championship and the Last Great College Football Season Jerry Barca,2013-08-13 Perhaps the best undefeated team in the history of college football—the dramatic true story of the 1988 Notre Dame Fighting Irish and their incredible unbeaten season Unbeatable is the first book to tell the complete story of the incredible 1988 season that brought the fledgling Fighting Irish back to the top of college sports in what many consider to be the greatest unbeaten season of college football ever played. With a completely unlikely but forever memorable cast of characters—including the slight, lisping coach Lou Holtz; the star quarterback, Tony Rice; five foot nothing Asian kicker, Reggie Ho; NFL-bound Ricky Watters; and a crazed and ferocious defensive line, among others—Notre Dame whipped millions of fans into a frenzy. This roller coaster season of football includes the infamous Catholics vs. Convicts game (Notre Dame vs. Jimmy Johnson's #1 ranked Miami Hurricanes). The two teams were undefeated when they met at Notre Dame Stadium, with the Irish winning in the final seconds by a final score of 31-30. With original reporting and interviews with everyone from the players to the coaches, detailed research, and access to the Notre Dame archives, Jerry Barca tells a gripping story of an unbelievable season and the players who would become legends. More than a Notre Dame book, Unbeatable is a compelling narrative of one of the most incredible sports stories of the last century—the unlikely tale of an underdog team coming together and making history.
