The Chaser Jeff Tilden, 2018-01-18 Everyone has a story as sojourners in this life. The story isn't always easy. It can be tough, chaotic, and sometimes just outright dark. However, it can also be beautiful and a partial reflection of the glory that awaits with the Father. This tale shows the balance of life's darkness and beauty. Ultimately, it is a story of hope and a story of love. The Chaser follows the narrative of Julius Talbot, a young college student with aspirations of becoming a filmmaker. Julius feels like he has been haunted by bizarre nightmares his entire life. As he gets older, his dreams begin to say something to him. He begins to believe that his nightmares are actually showing him real-life events. As a committed Christian, Julius makes the connection of his dreams to spiritual warfare. His journey takes some trying turns when he befriends Dexter McKay, an elite college quarterback. Dexter is also haunted by something unseen. Always feeling compelled to go out of his way to help others, Julius is plunged into some dark times after he meets Dexter.

Twin Flame Chaser Dilemma Silvia Moon, 2024-03-08 If you are drowning in your sorrows while chasing a twin flame, calm down. I have been where you are. Everything is going as planned. Whatever seems to be going wrong might inadvertently work in your best interest. You cannot know and understand everything going on in your twin flame journey. Your mind cannot fathom what is happening; you can only trust the process. It sounds crazy but true – your overreaction to the situation might overwhelm your twin flame with more anxiety and stress that one of you might end up blocking the other. To your surprise, it might be you who might block your twin flame first. So, calm down! Unfortunately, when they wrote to me, I messed up my chance to keep communicating with my twin flame. I was so overwhelmed and in disbelief that I automatically exploded my feelings to them in response to their text message. I made it a more uncomfortable situation. My twin flame blocked me after initiating contact with me. Our job as twin flames is to learn to uplift ourselves from the old to the new authentic versions without needing

validation from each other. It means that Twin Flames must learn to share the connection without losing themselves in the connection. Therefore, instead of nervously waiting for them to return and fix you to be happier, trust how you feel the connection and let the situation be as you focus on redefining your life with the new Awakened Twin Flame Shared Energy to create a life of meaning and purpose in your way. "When it comes to twin flames, What you seek is seeking you." "You are looking for what you already possess." Are you stuck in your twin flame dilemma? Here is your first step to getting yourself out of it. I hope this helps. Stay Blessed!

Chaser is set in the gritty, urban world of "wreck-chasing," where even ex-cons can earn doctors' salaries, as long as they have a truck, a police scanner, and the heart of a lion. Distraught after her boyfriend dumps her over her cell phone, Leah crashes her car and ends up in the hospital. The car is towed by M.P., the head of the Five Brothers' Towing Co., the largest towing business in Philadelphia. She soon meets his son, Nasir—he's nowhere near as ambitious as his father but Leah knows that with the right guidance and the right woman he can be so much more. They quickly become lovers and soon business partners. She helps him discover his inner hustler and he shows her the way to independence. Together they work every angle and scheme of the wreck-chasing business, regardless of the law, until they find themselves at the top. But they've angered many on their way up and there are many who want to
