The Impossible Collection of Fashion Valerie Steele,2011-08-01 In this limited edition, Ultimate Collection format linen clamshell and handmade oversized book, Valerie Steele flexes her curatorial muscle by showcasing the most iconic dresses of the twentieth century. From Poiret to Pucci, Doucet to Dior, Vionnet to Valentino, Steele selects one hundred dresses that caused a stir either on the runway or entering a room and ultimately inspired new directions in fashion. Steele's selections include Paul Poiret's figure-liberating 1907 gown, Madame Grès's sublimely draped goddess creation from 1938, Jean Paul Gaultier's shockingly exaggerated cone-bust corset dress circa 1984, and Hussein Chalayan's awe-inspiring remote-control fiberglass Airplane dress from 2000. The compilation, while certainly subjective, is sure to receive nods of recognition along with a gasp or two of surprise.

The Impossible Collection of Whiskey Clay Risen,2020-10-01 In The Impossible Collection of Whiskey, bestselling spirits writer Clay Risen unpacks the history of this storied drink, inviting the reader to tour some of the world's most famed distilleries and their finest bottles. From the best Scotch of the Scottish Highlands to Kentucky's finest Bourbon, Risen's selection of 100 unparalleled whiskeys come from age-old makers as well as trailblazers of the craft distilling movement that has swept across the globe. Here are whiskeys selected not only for their exquisite flavor but also for rarity, age, flavor, and innovation. Bottles from countries with nascent whiskey markets, such as India and the Czech Republic, sit beside old American classics like Pappy Van Winkle and some of the rarest, most coveted bottles on the market. Risen marvels at bottles like Ireland's Midleton Very Rare 45 Year Old, the oldest, most expensive Irish whiskey in the world. Together, these 100 bottles comprise a collection of whiskeys so

exclusive that no one could ever assemble them all under one roof. A must-have for the library of any true whiskey connoisseur, The Impossible Collection of Whiskey is a carefully crafted homage to a liquor long revered as the “water of life.”

Active Collections Elizabeth Wood,Rainey Tisdale,Trevor Jones,2017-11-07 In recent years, many museums have implemented sweeping changes in how they engage audiences. However, changes to the field’s approaches to collections stewardship have come much more slowly. Active Collections critically examines existing approaches to museum collections and explores practical, yet radical, ways that museums can better manage their collections to actively advance their missions. Approaching the question of modern museum collection stewardship from a position of tough love, the authors argue that the museum field risks being constrained by rigid ways of thinking about objects. Examining the field’s relationship to objects, artifacts, and specimens, the volume explores the question of stewardship through the dissection of a broad range of issues, including questions of quality over quantity, emotional attachment, dispassionate cataloging, and cognitive biases in curatorship. The essays look to insights from fields as diverse as forest management, library science, and the psychology of compulsive hoarding, to inform and innovate collection practices. Essay contributions come from both experienced museum professionals and scholars from disciplines as diverse as psychology, education, and history. The result is a critical exploration that makes the book essential reading for museum professionals, as well as those in training.

The Collection Nina Leger,2019-08-01 WINNER OF THE PRIX ANAS NIN Jeanne moves from room to room. In the anonymous hotel bedrooms of Paris - Hotel Agate, Hotel Prince Albert, Hotel Prince Monceau, Hotel Coypel, Hotel Nord & Champagne - she undresses man after man, forgetting faces, names, pleasures, thoughts, and all physical attributes but one. In her head, a palace of memories is being built, image by new image, lover by new lover. There is no pathologizing Jeanne; she resists it. There is no way to impose a story on Jeanne; she escapes it. There is no pitying Jeanne, no lusting after Jeanne, no uncovering the secret to Jeanne; she won't allow it. Jeanne moves from room to room.

The Discipline of Organizing: Professional Edition Robert J. Glushko,2014-08-25 Note about this ebook: This ebook exploits many advanced capabilities with images, hypertext, and interactivity and is optimized for EPUB3-compliant book readers, especially Apple's iBooks and browser plugins. These features may not work on all ebook readers. We organize things. We organize information, information about things, and information about information. Organizing is a fundamental issue in many professional fields, but these fields have only limited agreement in how they approach problems of organizing and in what they seek as their solutions. The Discipline of Organizing synthesizes insights from library science, information science, computer science, cognitive science, systems analysis, business, and other disciplines to create an Organizing System for understanding organizing. This framework is robust and forward-looking, enabling effective sharing of insights and design patterns between disciplines that weren't possible before. The Professional Edition includes new and revised content about the active resources of the Internet of Things, and how the field of Information Architecture can be viewed as a subset of the discipline of organizing. You'll find: 600 tagged endnotes that connect to one or more of the contributing disciplines Nearly 60 new pictures and illustrations Links to cross-references and external citations Interactive study guides to test on key points The Professional Edition is ideal for practitioners and as a primary or supplemental text for graduate courses on information organization, content and knowledge management, and digital collections. FOR INSTRUCTORS: Supplemental materials (lecture notes, assignments, exams, etc.) are available at <http://disciplineoforganizing.org>. FOR STUDENTS: Make sure this is the edition you want to buy. There's a newer one and maybe your instructor has adopted that one instead.

The Wes Anderson Collection: The French Dispatch Matt Zoller Seitz,2023-08-22 The official behind-the-scenes companion to The French Dispatch and the latest volume in the bestselling Wes Anderson Collection series The French Dispatch—the tenth feature film from writer-director Wes Anderson—is a love letter to journalists set at the titular American newspaper in the fictional 20th-century French city of Ennui-sur-Blasé. The

film stars a number of Anderson's frequent collaborators, including Bill Murray as the newspaper's editor in chief; Owen Wilson, Tilda Swinton, and Frances McDormand, as well as new players Jeffrey Wright, Benicio del Toro, Elisabeth Moss, and Timothée Chalamet, who bring to life a collection of stories published in *The French Dispatch* magazine. In this latest one-volume entry in *The Wes Anderson Collection* series—the only book to take readers behind the scenes of *The French Dispatch*—everything that goes into bringing Anderson's trademark style, meticulous compositions, and exacting production design to the screen is revealed in detail. Written by film and television critic and New York Times bestselling author Matt Zoller Seitz, *The Wes Anderson Collection: The French Dispatch* presents the complete story behind the film's conception, anecdotes about the making of the film, and behind-the-scenes photos, production materials, and artwork.

The Crunk Feminist Collection Brittney C. Cooper, Susana M. Morris, Robin M. Boylorn, 2016-12-19 Essays on hip-hop feminism featuring relevant, real conversations about how race and gender politics intersect with pop culture and current events. For the Crunk Feminist Collective, their academic day jobs were lacking in conversations they actually wanted. To address this void, they started a blog that turned into a widespread movement. The Collective's writings foster dialogue about activist methods, intersectionality, and sisterhood. And the writers' personal identities—as black women; as sisters, daughters, and lovers; and as television watchers, sports fans, and music lovers—are never far from the discussion at hand. These essays explore “Sex and Power in the Black Church,” discuss how “Clair Huxtable is Dead,” list “Five Ways Talib Kweli Can Become a Better Ally to Women in Hip Hop,” and dwell on “Dating with a Doctorate (She Got a Big Ego?).” Self-described as “critical homegirls,” the authors tackle life stuck between loving hip hop and ratchet culture while hating patriarchy, misogyny, and sexism. “Refreshing and timely.” —Bitch Magazine “Our favorite sister bloggers.” —Elle “By centering a Black Feminist lens, *The Collection* provides readers with a more nuanced perspective on everything from gender to race to sexuality to class to movement-building, packaged neatly in easy-to-read pieces that take on weighty and thorny ideas willingly and enthusiastically in pursuit of a more just world.” —Autostraddle “Much like a good mix-tape, the book has an intro, outro, and different layers of based sound in the activist, scholar, feminist, women of color, media representation, sisterhood, trans, queer and questioning landscape.” —Lambda Literary Review

As you go through the pages you can complete and personalise the collections with beautiful stickers, spaces to write or draw, and even a special envelope for you to start a collection of your very own.
