Drawing on his intense and harrowing life experiences, C-Murder delivers a powerful novel sure to please both fans of his music and all fans of urban fiction.

The Tree of Red Stars Tessa Bridal, 1997 Magda, a young woman of privilege, is drawn into unexpected danger when she joins the underground struggle against the government of Uruguay.

River of Painted Birds Tessa Bridal, 2015-10-15 Isabel Keating flees 18th century Ireland disguised as a man after accidentally killing her abusive husband. She boards a ship bound for South America and there joins forces with the ship's owner and a Jesuit priest devoted to saving native tribes from slavery. Out of the Corner Jennifer Grey, 2023-05-02 NEW YORK TIMES BESTSELLER • A deeply candid and refreshingly spirited memoir of identity lost and found from the star of the iconic film *Dirty Dancing* “A funny, dishy, occasionally heartbreaking coming-of-age story.”—The New York Times “Savage and engaging . . . Grey’s memoir is interesting not only for her journey out of darkness but also for what her story reveals about what women encounter in the

entertainment business, and the fortitude required to make it.”—The Washington Post In this beautiful, close-to-the bone account, Jennifer Grey takes readers on a vivid tour of the experiences that have shaped her, from her childhood as the daughter of Broadway and film legend Joel Grey, to the surprise hit with Patrick Swayze that made her America’s sweetheart, to her inspiring season eleven win on ABC’s Dancing with the Stars. Throughout this intimate narrative, Grey richly evokes places and times that were defining for a generation—from her preteen days in 1970s Malibu and wild child nights in New York’s club scene, to her roles in quintessential movies of the 1980s, including The Cotton Club, Red Dawn, and her breakout performance in Ferris Bueller’s Day Off. With self-deprecating humor and frankness, she looks back on her unbridled, romantic adventures in Hollywood. And with enormous bravery, she shares the devastating fallout from a plastic surgery procedure that caused the sudden and stunning loss of her professional identity and career. Grey inspires with her hard-won battle back, reclaiming her sense of self from a culture and business that can impose a narrow and unforgiving definition of female worth. She finds, at last, her own true north and starts a family of her own, just in the nick of time. Distinctive, moving, and powerful, told with generosity and pluck, Out of the Corner is a memoir about a never-ending personal evolution, a coming-of-age story for women of every age.

The House at Pooh Corner Alan Alexander Milne, 1928 Ten adventures of Pooh,

Eeyore, Tigger, Piglet, Owl, and other friends of Christopher Robin.

The Corner David Simon, Edward Burns, 2013-03-13 The crime-infested intersection of West Fayette and Monroe Streets is well-known--and cautiously avoided--by most of Baltimore. But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family--two drug-addicted adults and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities across the country and unflinchingly assess why law enforcement policies, moral crusades, and the welfare system have accomplished so little. This extraordinary book is a crucial look at the price of the drug culture and the poignant scenes of hope, caring, and love that astonishingly rise in the midst of a place America has abandoned.

The Poets' Corner Mr. John Lithgow, 2007-11-15 From listening to his grandmother recite epic poems from memory to curling up in bed while his father read funny verses, award-winning actor John Lithgow grew up with poetry. Ever since, John has been an enthusiastic seeker of poetic experience, whether reading, reciting, or listening to great poems. The wide variety of carefully selected poems in this book provides the perfect introduction to appeal to readers new to poetry, and for poetry lovers to

experience beloved verses in a fresh, vivid way. William Blake, Emily Dickinson, Edgar Allan Poe, and Dylan Thomas are just a few names among Lithgow's comprehensive list of poetry masters. His essential criterion is that each poem's light shines more brightly when read aloud. This unique package provides a multimedia poetry experience with a bonus MP3 CD of revelatory poetry readings by John and the familiar voices of such notable performers as Eileen Atkins, Kathy Bates, Glenn Close, Billy Connolly, Jodie Foster, Morgan Freeman, Helen Mirren, Lynn Redgrave, Susan Sarandon, Gary Sinise, and Sam Waterston. Every reader will enjoy reciting or listening to these poems with the entire family, appreciating how each one comes to life through the spoken word in this superlative poetry collection.

The Long Corner Alexander Maksik,2023-09-05 The Long Corner is a riveting read by an abundantly talented writer and storyteller.--Scott Burton, The Los

Angele Review of Books Eerie and moving...compelling...An argument for the necessity of irony, risk and integrity in the production of art as in life.-- Will Stephenson, The New York Times Books Review An enigmatic literary top that continues to spin after the last page...A triumph of sophisticated art.- -Steven Kellman, Forward Reviews Scathing satire...readers will revel in the riotous upending of a self-absorbed personality.--Publishers Weekly It is early 2017 in New York City, Donald Trump is President, and Solomon Fields, a young Jewish journalist-turned-advertising hack, finds himself disillusioned by the hollowness and conformity of American life and language. Once brimming with dreams and ideals instilled in him by his eternally bohemian grandmother, a survivor of the Holocaust who has dedicated her life to passion and pleasure, Sol now finds the senseless jargon he produces at work seeping into all aspects of the world around him. Personal tragedy drives Sol to leave New York and accept an invitation to The Coded Garden, a strange artists' colony whose mysterious patron, Sebastian Light, seems to offer the very escape Sol desperately needs. But the longer he remains in the Garden, the more lines begin to blur--between reality and performance, sincerity and manipulation, art and life, beauty and emptiness--until Sol finds that he must question his past, his convictions, and his very sanity. Alexander Maksik is a sorcerer of the first order.--Lauren Groff, author of Fates and Furies

The Foolish Corner John Howe,Robb Corrigan,2017-01-03 When we get near

money, our decision-making processes often go haywire. It's like placing a compass next to a magnet-we can't figure out which direction is north, and our finances can head south as a result. Within the growing academic field of behavioral finance, researchers are discovering just how easily we are swayed by subtle emotional forces, no matter how hard we try to make rational choices. Do you hate losing a hundred dollars more than you love receiving a hundred dollars? Are you reluctant to make an investment if the people around you aren't doing so? These kinds of mental biases have a huge-though often unnoticed-influence on our decisions about money. In *The Foolish Corner*, finance expert John Howe offers an introduction to these biases, showing you how to locate them in your own approach to money and uncover their effects on your life. Learn how to head off these subliminal influences-and sometimes even use them to your advantage.

A Blind Corner Caitlin Macy, 2022-06-21 From the award-winning author of *Mrs. and The Fundamentals of Play* comes a brilliant and biting short story collection about pride, privilege, and our nagging need to belong. In an era of “hot takes” and easy generalizations, this collection reclaims the absurdities and paradoxes of life as it is actually lived from the American fantasy of “niceness”. In Macy’s world, human desires and fatal blind spots slam headlong into convenient, social-media-driven narratives that would sort us into neat boxes of insider or outsider; good or bad; with us or against us. Time and again, whether at home or in the age-old role of Americans

abroad, Macy's women see their good intentions turn awry. A woman who tries to do a good deed for an underprivileged child sees it go horribly wrong. A wife, attempting to be a good host to a friend's strange ex-boyfriend, finds herself in a compromised situation. And, in the title story, a newlywed fancies herself a Euro-sophisticate until an accident reminds her just how truly foreign she really is. In tales where shocking and sometimes brutal events disabuse characters of their most cherished beliefs, Macy forgoes easy moralization in favor of uncomfortable truths that reveal the complexity of what it means to be human.

The Hot Corner Amy Noelle, 2014-06-26 Professionally, Danielle Pierce is making a name for herself writing biographies of famous athletes. Her star is on the rise, and her publisher is pleased. Her personal life isn't going as swimmingly, and she's recently back on the market after calling off her engagement to Mr. Perfect-On-Paper, not that she's looking for anyone special. Her career is her focus and it keeps her content. Her agent and publisher throw her a curveball she never saw coming when she's assigned to cover the hottest baseball player-on and off the field-Bradley Reynolds. Brad, the Dodgers' third baseman, spends as much time on the covers of tabloids as on the sports pages, dating models and actresses, each one more beautiful than the last. But he doesn't let them distract him from his need to excel on the field. Baseball comes first, and it always has, ever since the love of his life walked away from him years ago. Danielle Pierce had been

the only woman who ever mattered to him, the only one who ever would. Dani never thought she'd have to see Brad in person again, let alone spend weeks with him writing his biography. He broke her heart in college, and she'd never risked it since. Seven years later he selects her to write the story of his life, and she's stuck between a rock and a hard place. If she refuses, she looks like a coward. If she gives in, he wins. Can she be around him without falling for his Southern charm and deadly looks again? Can she show him that he didn't break her? She doesn't know what his game is, but she hopes she's strong enough this time to play without getting burned.

The Corner Melvin R. Bielawski, 2008-12-03 THE CORNER provides an historical record of the life style of young men in what could be considered a typical neighborhood prior to and during the WW II period in America. Toledo, Ohio is the setting of this documentary. The specific scene is the corner of Junction Avenue and Lucas Street, located in a solid Polish/American neighborhood. The story could be written of many other neighborhoods and ethnic and racial groups throughout the United States. It just so happens that the writer was a member of this particular group and neighborhood. Dramatic changes have taken place since the time period addressed in THE CORNER. WW II impacted the way of life of all Americans. Ethnic and racial neighborhoods and groups are still located throughout the country but on a far less scale. Nicknames, a sign of popularity in most cases or of a special trait of the individual, are not as common in today's society. New and interesting developments have

impacted the old meetings places and methods of communication amongst the young men throughout America. Television; new and interesting hobbies; and diverse civic, religious, and other group organizations that provide meeting places and many other features that make for a more effective life style of American youth have replaced the old but unforgettable meetings on the local corners. Unfortunately a part of American culture and history are lost for the ages. THE CORNER captures a capsule of a part of American life during an era that has literally disappeared from the the American scene.

In Every Corner Sing Malcolm Guite, 2018-10-09 Succeeding Ronald Blythe's Word From Wormingford, one of the most beloved columns in contemporary journalism, was always going to be a formidable challenge for any writer. Yet the new occupier of the back page slot of the Church Times, the priest-poet Malcolm Guite, immediately gained the affections and loyalty of a discerning audience accustomed to literary excellence. His lucid, perceptive and imaginative musings follow a similar pattern to the sonnets for which he is so renowned. In his own words, he treats these 500 word essays 'a little in the spirit of the sonnet, with a sense of development, of a 'turn' or volta part way through, and a sense that the end revisits and re-reads the opening'. These draw together everyday events and encounters, landscape, journeys, poetry, stories, memory and a sense of the sacred, and fuses them to create richly satisfying portraits of the familiar that at the same time opens a doorway in to a new and enchanted world.

Voices on the Corner Harold J. Recinos, 2015-11-06 Harold J. Recinos is the son of a Guatemalan father and Puerto Rican mother who at age twelve was abandoned to New York City streets. After living on the streets between the ages of twelve and sixteen, Recinos met a Presbyterian minister who had discovered the God of the oppressed while active in civil rights marches in the 60s. The minister took Recinos into his family, helped him kick a heroin habit, and enrolled him in school. *Voices on the Corner* documents life at the edges of American society in ways that are both personal and universal in the human experience. The poems provide a fresh insight into the existential experiences of people excluded from mainstream society. In a celebration of dazzling texture, poems here address issues of police brutality, gun violence, immigrants' rights, the blighted urban landscape, death, hunger, religious violence, drug addiction, pluralism, spirituality, family life, hope, and the pulse of everyday life in overlooked places.

The Unfinished Corner Dani Colman, 2021-10-19 WINNER! 2021 VLA Graphic Novel Diversity Award - Youth Category! FINALIST! National Jewish Book Awards 2021 Twelve-year-old Miriam doesn't know much about Jewish mythology. She's not even sure she wants to be Jewish. So, imagine her confusion when a peculiar angel whisks her off to finish the mythological *Unfinished Corner*, a place full of monsters and mystery. TWELVE-YEAR-OLD MIRIAM IS FULL OF QUESTIONS, BUT THE WHOLE UNIVERSE IS COUNTING ON HER FOR ANSWERS. Jewish mythology has it that when God created the universe, one corner of it was left unfinished.

Opinion is divided on why, but everyone agrees that the Unfinished Corner is a dangerous place full of monsters. Twelve-year-old Miriam neither knows nor cares about the Unfinished Corner. She's too busy preparing for her Bat Mitzvah, wrestling with whether she even wants to be Jewish--until a peculiar angel appears, whisking her, her two best friends, and her worst frenemy off to this monstrous land with one mission: finish the Unfinished Corner. An original graphic novel.
