Killer Cruise Laura Levine,2010-04-01 Wordsmith Jaine Austen's ship has finally come in. Her new teaching gig on a fancy cruise line nabs her a free vacation—and access to a 24-hour buffet! But sooner than you can say “bon voyage,” Jaine's all-expenses-paid trip to the Mexican Riviera seems destined to be a wreck . . . Things are already off to a rocky start when Jaine discovers a stowaway amidst her luggage—her persnickety cat Prozac. Jaine's sinking sensation grows stronger at dinner, where she meets chatty Emily Pritchard, a wealthy seventy year old who's traveling with her two nephews. Jaine can't help noticing the tension among them, especially when the cruise's charming—and sleazy—British dancer, Graham, whisks Emily out onto the dance floor. Soon Emily is accepting Graham's invitations to every social event on the ship. Two nights later the bubbly couple announces their engagement, but the news is quickly overshadowed the next morning by the discovery of Graham's body with an ice pick protruding from his chest . . . Between hiding a furry fugitive, flirting with Emily's nephew Robbie, and baiting the hook for a clever murderer, Jaine is about to dive into her most dangerous case yet . . .

Ocean Travel and Cruising Kaye Sung Chon, Arthur Asa Berger, 2012-11-12 A one-of-a-kind analysis of ocean cruising! In *Ocean Travel and Cruising: A Cultural Analysis*, noted author Arthur Asa Berger turns his critical eye to the phenomenon of ocean cruising. This academically solid yet reader-friendly book brings a multidisciplinary cultural studies approach to the subject, examining ocean cruising from economic, semiotic, sociological, psychoanalytic, and marketing perspectives, and offering insights not provided by the more traditional sociological approaches to the subject. You'll explore cruise demographics, the relationship between cruising and gender, the sociology of dining on cruise ships, hedonism and pleasure seeking, the "compulsion to cruise," consolidation in the industry, the exploitation of workers on cruise ships, and a great deal more. Here's a section-by-section rundown of what's in store for you and your students in this one-of-a-kind new text: "The Economics of Cruising" examines cruise categories, industry consolidation, worker exploitation, and ways that cruise lines make money aside from ticket sales. This section also compares the costs of cruises vs. land-based vacations and fills you in on the typical weekly food and beverage consumption of the Carnival line's complement of ships, which sheds light on how a cruise line can, for a mere \$10, provide a food array that would cost a restaurant or hotel \$33 to \$40. "Signs at Sea—The Semiotics of Cruising" provides you with a quick primer on semiotics and then discusses the cruise ship as a sign system and then breaks the system down to its component parts, discussing dining rooms, cabins/staterooms, dress codes, spatiality, luxury signifiers, the perceived elitism of the cruise experience, the role of photography, and more. "A Sociological Analysis of Cruising" explores cruise demographics and their meaning, time budgeting on cruises, the sociology of dining, new trends in cruising, and the meaning of gender in relation to ocean cruising. A particularly intriguing chapter is "A Psychoanalytic Interpretation of Cruising." Beginning with a look at the compulsion to cruise, this section explores cruising's relationship with the unconscious, the paradise myth, hedonism and pleasure seeking, the desire for unconditional love, psychological regression, and more. In "Selling Smooth Sailing: Advertising and Marketing Cruises," you'll examine print advertisements from eight major cruise lines, look at what they have in common and what the differences are between the messages each cruise line hopes to convey via the style and content of their ads and brochures. "Cruising (on) the Internet" looks at the intersection of the information superhighway with the world of cruising. You'll learn about the cruise lines' own Web sites, travel agency sites, Internet sites designed to rate and review cruises and cruise ships, and more. "Notes from a Cruise Journal" shares the author's on-site reflections and impressions of a weeklong cruise from Los Angeles to Puerto Vallarta, Mexico, and back. Written in accessible, jargon-free language that will appeal to students at all levels, *Ocean Travel and Cruising: A Cultural Analysis* is the most recent of a very small selection of scholarly studies of ocean cruising

available in English. Make it a part of your cultural studies, leisure studies, sociology, travel/tourism/hospitality, popular culture, or American studies course this semester!

The Cruise of the Snark Jack London, 1911 In April 1907 Jack London set out to sail around the world in the 45-foot ship *The Snark*, accompanied by his wife and a small crew. Although suffering from seasickness and tropical disease, London wrote prolifically, including a series of entertaining sketches of the voyage itself. These were later collected as *The Cruise of the Snark*, a remarkable record of adventure and love among the islands of the South Pacific. - Publisher.

Cruise Confidential Brian David Bruns, 2009-03-01 In *Cruise Confidential*, Brian David Bruns spills the dirt — or in this case, the dirty water — on those romantic, fun-filled vacations at sea. His hilarious chronicle of the year he spent working for Carnival Cruise Lines takes readers down into the areas where the crew works and lives, leaving readers gasping with laughter as they're assaulted nonstop with events that range from the absurd to the utterly bizarre. Stewards fighting over food. Cutlery allowances and other nonsensical rules. What the crew calls those onboard (no, it's not "passengers"). And of course, the sex. An abundance of ready, willing, and able bodies eager for action on a vessel replete with nooks and crannies leads to love in some mighty strange, and seemingly impossible, places. Breezy, entertaining, and informative, *Cruise Confidential* is essential reading for those planning a cruise or for anyone who just needs a good laugh.

The Last Cruise Kate Christensen, 2019-06-04 The 1950s ocean liner *Queen Isabella* is making her final voyage—a retro cruise from Long Beach to Hawaii

and back—before heading to the scrapyard. For the guests on board, it's a chance to experience a bygone era of decadent luxury, complete with fine dining, classic highballs, string quartets, and sophisticated jazz. Smoking is allowed but not cell phones—or children, for that matter. But this is the second decade of an uncertain new millennium, not the sunny, heedless mid-twentieth century, and certain disquieting signs of strife and malfunction above and below deck intrude on the festivities, throwing a trio of strangers together in an unexpected and startling test of character.

Kristin Bedford: Cruise Night ,2021-04-13 Scenes from the Mexican American lowrider life: a clothbound photobook documenting a vibrant LA car culture Known for her quiet portraits of American cultural movements, Los Angeles-based photographer Kristin Bedford's new work, *Cruise Night*, is an intimate and unstaged exploration of Los Angeles' Mexican American lowrider car culture. From 2014 to 2019 Bedford attended hundreds of lowrider cruise nights, car shows, quinceañeras, weddings and funerals. Her images offer a new visual narrative around the lowrider tradition and invite outsiders to question prevalent societal stereotypes surrounding this urban Mexican American culture. Bedford's photos explore the nuances of cars as mobile canvases and the legendary community that creates them. With bright color photography and a unique female vantage point, *Cruise Night* is an original look at a prolific American movement set against the Los Angeles cityscape.
