Look Who's Back Timur Vermes, 2015-05-05 HE'S BACK AND HE'S FUHRIOUS! Desperately funny . . . An ingenious comedy of errors. --Janet Maslin, The New York Times Satire at its best. --Newsweek Thrillingly transgressive. --The Guardian A NEW YORK TIMES SUMMER READING PICK In this record-breaking bestseller, Timur Vermes imagines what would happen if Adolf Hitler reawakened in present-day Germany: YouTube stardom. Adolf Hitler wakes up on a patch of open ground, alive and well. It's the summer of 2011 and things have changed--no Eva Braun, no Nazi party, no war. Hitler barely recognizes his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognize him--as a flawless impersonator who refuses to break character. The unthinkable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own TV show, and people begin to listen. But the Fuhrer has another program with even greater ambition in mind--to set the country he finds in shambles back to rights. With daring humor, Look Who's Back is a perceptive study of the cult of personality and of how individuals rise to fame and power in spite of what they preach.

A young student receives a family tree assignment in school, but she can only trace back three generations. Grandma gathers the whole family, and the student learns that 400 years ago, in 1619, their ancestors were stolen and brought to America by white slave traders. But before that, they had a home, a land, a language. She learns how the people said to be born on the water survived. And the people planted dreams and hope, willed themselves to keep living, living. And the people learned new words for love for friend for family for joy for grow for home. With powerful verse and striking illustrations by Nikkolas Smith, Born on the Water provides a pathway for readers of all ages to reflect on the origins of American identity.

Da Hugh Leonard, 2017-04-07 Middle-aged assimilated American Charlie returns home to his native Dublin to sort through and come to terms with his relationship to this thoroughly beguiling, maddening presence in his life: Da. Reminiscence gives way to memory and illusion as an adolescent 'Charlie Then' is brought back from the past, while the man who is 'Charlie Now' grapples with his own mortality and the part of his life that will always be the irascible Da. A great success in its original Broadway production, subsequent revivals have proven this play a classic.

D. A. Pennebaker Keith Beattie, Trent Griffiths, 2015-03-04 This wide-ranging and insightful collection of interviews with D. A. Pennebaker (b. 1925) spans the prolific career of this pioneer of observational cinema. From the 1950s to the present day, D. A. Pennebaker has made documentary films that have revealed the world of politics, celebrity culture, and the music industry. Following his early collaborations with Robert Drew on a number of works for television, his feature-length portrait of Bob Dylan on tour in England in 1965 (the landmark film Dont Look Back) established so-called direct cinema as a form capable of achieving broad theatrical release. With Monterey Pop, Pennebaker inaugurated the popular mode of rock concert film (or rockumentary), a style of filmmaking he has expanded on through a number of films, including Ziggy Stardust and the Spiders from Mars and Depeche Mode: 101. Pennebaker has always regarded collaboration as an integral part of his filmmaking methods. His long-running collaboration with Richard Leacock and subsequently his work with Chris Hegedus have enriched his approach and, in the process, have instituted collaboration as a working practice integral to American direct cinema. His other collaborations, particularly those with Jean-Luc Godard and Norman Mailer, resulted in innovative combinations of observational techniques and fictional aesthetics. Such films as The War Room, which was about the 1992 Democratic primaries and was nominated for an Academy Award, and the 2009 Kings of Pastry continue to explore the capacities of observational documentary. In 2012 Pennebaker was the first documentary filmmaker to be awarded an Academy Honorary Award by the Academy of Motion Picture Arts and Sciences.

Keep Yo Cookie in Da Cookie Jar, little girls Evangelist Veeda, 2021-04-19 This book gives godly living for little girls from the Almighty Most High Living God perspective. This book is Da Bible for Da Little Vagina and perspective about Da Little Cookie for these Last Day End of Time as we know it. The Father allowed Steve Harvey to officially name our vagina Da Cookie. The Father also allowed Steve Harvey to write a book called Act Like a Lady, Think Like a Man. The Father states that Steve Harvey's book is from a man's limited perspective about little girls. Steve Harvey speaks about how to land a man and not be found by a husband. He who finds a wife finds what is good and receives favor from the Father. Proverbs 18:22 A wife of noble character who can find. She is worth far more than rubies. Proverbs 31:10 Steve Harvey did the best job that he could do as a man, but Steve Harvey is only a man. This book is for little girls instructing you on how to go back to the Garden of Eden before sin entered the world and learn, What was Da Little Cookie designed for? Why did the Father make us sexual beings? What seed is being planted in the garden of your womb? What will happen to Da Little Cookie in the wrong hands? The Father will warn against talking those Cookie Monstas. Cookie Monstas wear masks and hide their identity and true intentions for your Fresh Little Cookie. Steve Harvey does not mention anything about those Cookie Monstas dat loves little girl cookies and how Da Cookie Monstas will get your little cookies by any means necessary. The Cookie Monstas are cute, cuddly and will trick you to come and hide and play with them. Their job is to kill your little cookies, steal your little cookies and destroy your little cookies. Do not let those Cookie Monstas take a bite out of your little cookie! Little girls remember IF you take your little cookie out of Da Cookie Jar, then you risk having your little cookie bitten by those Cookie Monstas. Things could get even worst by your little cookie being broke in half, broke in quarters or even being smashed into crumbs. Keep Yo Cookie in Da Cookie Jar little girls so that The Father can protect it for you. He will HOLD the key to your Little Cookie Jar until you get married to your husband (a man). Hope is not lost IF those Cookie Monstas bit your little cookie, because The Father can even put the Broken Pieces of Yo Little Cookie back together again with it in His Hands. He will make you Whole Again! 2

Li Da And Marxist Philosophy In China Nick Knight,2018-02-23 Scholars of Marxism will be in Nick Knight's debt for this pioneering study of one of the most important figures in the development of Marxism in China. Knight makes an important case about the relationship of Chinese Marxist thought to Marxist thought in general (with particular attention to Soviet Marxism). The book makes available to readers not just important texts of Chinese Marxism, but a whole series of texts of Marxism that were crucial to the political discourse of the thirties. Knight displays impressive erudition and command of these texts. In spite of the strong case he makes for his thesis, he retains throughout an admirable critical self-awareness that enhances the plausibility of his argument. —Arif DirlikDuke University

The Da Vinci Women Kia Vahland,2020-02-25 This new biographical look at Leonardo da Vinci explores the Renaissance master's groundbreaking portrayal of women which forever changed the way the female form is depicted. Leonardo da Vinci was a revolutionary thinker, artist, and inventor who has been written about and celebrated for centuries. Lesser known, however, is his revolutionary and empowering portrayal of the modern female centuries before the first women's liberation movements. Before da Vinci, portraits of women in Italy were still, impersonal, and mostly shown in profile. Leonardo pushed the boundaries of female depiction having several of his female subjects, including his Mona Lisa, gaze at the viewer, giving them an authority which was withheld from women at the time. Art historian and journalist Kia Vahland recounts Leonardo's entire life from April 15, 1452, as a child born out of wedlock in Vinci up through his death on May 2, 1519, in the French castle of von Cloux. Included throughout are 80 sketches and paintings showcasing Leonardo's approach to the female form (including anatomical sketches of birth) and other artwork as well as examples from other artists from the 15th and 16th centuries. Vahland explains how artists like Raphael, Giorgione, and the young Titan were influenced by da Vinci's women while Michelangelo, da Vinci's main rival, created masculine images of woman that counters Leonardo's depictions.
