

Dash

Rachel Cohn, David Levithan

The Dash Linda Ellis, 2012-04-16 When your life is over, everything you did will be represented by a single dash between two dates—what will that dash mean for the people you have known and loved? As Joseph Epstein once said, “We do not choose to be born. We do not choose our parents, or the country of our birth. We do not, most of us, choose to die. . . . But within this realm of choicelessness, we do choose how we live.” And that is what *The Dash* is all about. Beginning with an inspiring poem by Linda Ellis titled “The Dash,” renowned author Mac Anderson then applies his own signature commentary on how the poem motivates us to make certain choices in our lives—choices to ignore the calls of selfishness and instead reach out to others, using our God-given abilities to brighten their days and lighten their loads. After all, at the end of life, how we will be remembered—whether our dash represents a full, joyous life of seeking God’s glory, or merely the space between birth and death—will be entirely up to the people we’ve left behind, the lives we’ve changed.

Dash (Dogs of World War II) Kirby Larson, 2014-08-26 New from Newbery Honor author Kirby Larson, the moving story of a Japanese-American girl who is separated from her dog upon being sent to an incarceration camp during WWII. Although Mitsi Kashino and her family are swept up in the wave of anti-Japanese sentiment following the attack on Pearl Harbor, Mitsi never expects to lose her home -- or her beloved dog, Dash. But, as World War II rages and people of Japanese descent are forced into incarceration camps, Mitsi is separated from Dash, her classmates, and life as she knows it. The camp is a crowded and unfamiliar place, whose dusty floors, seemingly endless lines, and barbed wire fences begin to unravel the strong Kashino family ties. With the help of a friendly neighbor back home, Mitsi remains connected to Dash in spite of the hard times, holding on to the hope that the war will end soon and life will return to normal. Though they've lost their home, will the Kashino family also lose their sense of family? And will Mitsi and Dash ever be reunited?

Story Dash David Hutchens, 2021-08-24 Storytelling is humanity’s oldest way of connecting to others. But for businesses and managers, it can also be a powerful tool to help organizations grow and thrive. A leader’s role is to create engagement and belief so that people will act. And there’s no more powerful way to grab attention, be remembered, and engage action than by telling stories—about who you are, what you do, and why you do it. Today, “storytelling” is a hot topic in organizations... but most leaders still struggle to act upon it. How do we find and tell our stories quickly, in an environment of urgency where we can hardly pause to catch our breath? For more than a decade Hutchens has tested his method of rapid and strategic story development with innovation teams in Silicon Valley, across global Fortune 100 leadership teams, and more. Hutchens has honed a unique process that is active, potent, and strategically focused . . . and also a lot of fun. In *Story Dash*, Hutchens shares a repeatable process to find, develop, and deploy your “narrative assets”—that is, your urgent core stories that hold value. Even better, he will help you do it FAST; often in less than a day. *Story Dash* will help you to: Access your natural capacity for storytelling Find your stories—and figure out which ones to tell Build your narrative so it lands with unforgettable impact Find your own voice of authentic leadership Bring more of who you are to your

teams and your markets Fully illustrated and written in a clear, sharp voice, Story Dash shares the fastest way to find lots of stories that will create action around the work you care about most.

Dash & Lily's Book of Dares Rachel Cohn,David Levithan,2010-10-26 Now a Netflix original series starring Austin Abrams and Midori Francis! A whirlwind holiday season romance from the New York Times bestselling authors of Nick & Norah's Infinite Playlist. "I've left some clues for you. If you want them, turn the page. If you don't, put the book back on the shelf, please." 16-year-old Lily has left a red notebook full of challenges on her favorite bookstore shelf, waiting for just the right guy to come along and accept its dares. Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (GINGERBREAD) and David Levithan, co-author of WILL GRAYSON, WILL GRAYSON with John Green (THE FAULT IN OUR STARS), DASH & LILY'S BOOK OF DARES is a love story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.

Dash Shantel Tessier,2015-06-22 I've never been one to follow the rules...or the law, for that matter. But when you find yourself behind bars and being offered the opportunity of a lifetime, you take it. I agreed to race motorcycles for Johnny Knight. A very powerful man who wanted me on his team, even knowing I was a liability. But will he still feel that way once he finds out that I had a one-night stand with his daughter? I didn't mean for it to happen. I didn't even know who she was until she walked into his office wearing my shirt from the night before. Too bad that was all she wanted-one night. It really didn't matter who she was, I wanted more. So when she ran, I followed. I should have let her go. That would have been best for both of us. But I have never done what was right, why start now? I've always been willing to take a risk, no matter what it would cost me. And I knew she was worth it all. I'm Erik Dashling, you can call me Dash. This is my story of how I willing risked one dream for another. But everyone knows that now all dreams come true.

This book was written by a registered dietitian who is experienced in helping people make sustainable behavior changes, and make healthy eating part of their real lives. Discipline Dash Shaw, 2021-10-05 CHOSEN AS ONE OF THE BEST GRAPHIC NOVELS OF 2021 BY THE NEW YORK TIMES, THE GUARDIAN, AND THE GLOBE AND MAIL A teenage Quaker joins the Union Army and experiences firsthand the brutality of the Civil War in this singular graphic novel by a beloved comics artist and animator. During the Civil War, many Quakers were caught between their fervent support of abolition, a desire to preserve the Union, and their long-standing commitment to pacifism. When Charles Cox, a young Quaker from Indiana, slips out early one morning to enlist in the Union Army, he scandalizes his family and his community. Leaving behind the strict ways of Quaker life, Cox is soon confronted with the savagery of battle, the cruelty of the enemy (as well as of his fellow soldiers), and the overwhelming strangeness of the world beyond his home. He clings to his faith and family through letters with his sister, Fanny, who faces her own trials at home: betrayal, death, and a church that seems ready to fracture under the stress of the war. *Discipline* is told largely through the letters exchanged between the Cox siblings--incorporating material from actual Quaker and soldier journals of the era--and drawn in a style that combines modern graphic storytelling with the Civil War-era battlefield illustrations of the likes of Thomas Nast and Winslow Homer. The result is a powerful consideration of faith, justice, and violence, and an American comics masterpiece.
