*The Pitch Deck Book* Tim Cooley, 2021-01-09 The Pitch Deck Book is a step by step guide to raising seed capital from Venture Capital and Angel investors. This guide was built by Tim Cooley who has spent more than 10 years screening deals and raising more than \$200M in seed and early-stage capital for over 100+ companies. The Pitch Deck Book is hands-down the clearest, simplest, and most concise guide ever written to creating and delivering an effective startup fundraising pitch. Three hours spent reading and applying the lessons in Tim Cooley's book will save you thirty hours of well-meaning-but-ineffective feedback from random advisors. Tim comes from the perspectives of both a founder and an investor, and as the Executive Director of a highly regarded angel group, he is EXACTLY the audience your pitch is aimed at. Founders around the world (not to mention investors who have to sit through awful pitches!) owe him an enormous debt of gratitude.-David S. Rose, The Pitch Coach, author of The Startup Checklist and Angel Investing, founder of New York Angels. Inside The Pitch Deck Book, you will find a guide to creating all the key elements you will need to engage

investors. You will learn everything you need to do before you ever set up a meeting. You will learn the best format to present your business so that investors will get excited about your business. Finally, you will be shown a number of actual pitch decks with some of the most common issues that most founders come across when they pitch. Not only do you see the actual decks used, but also the feedback on how to fix them. If you do not want to be the 99% of companies who never get funded and are looking for the most comprehensive way to present your business to investors, this is the book for you. **Medicine Cards** Jamie Sams, David Carson, 1999-07-30 The best-selling divination system--over 1,000,000 copies sold worldwide--revised and expanded for the first time.

**The High Deck** Arthur Amberstone, 2012 The High Deck brings to life and explains a whole new deck of cards, with new games and a new take on symbolism and psychology. Included here are a beautifully conceived and illustrated card deck, explanatory manuscript containing wonderful games to play with the deck, an explanation of the fully formed symbolism of the deck with its far-reaching implications for users' lives, creating an archetypal mirror for personal use. The thirty-eight cards of the deck feature thirty-two characters divided into red and black houses and eight individual persons,

including the Knight, Priest, Father, Lover, Vassal, Sinner, Child, and Maid. Together these cards form the mirror, with which users may peer deeply into themselves by creating The Motley Player, a symbolic being in one's own image. Includes cards and book.

Iconic Tarot Decks Sarah Bartlett, 2021-08-24 Discover the secrets of the most iconic, mysterious and beautiful tarot decks ever created. The tarot is a treasury of divination, symbolism and self-knowledge. But who created its mysterious art and meaning, and why? What were they seeking? Does it originate in ancient esoteric wisdom or is this a vain fancy of the occultists? How has the interpretation and meaning of the cards evolved? In *Iconic Tarot Decks*, Sarah Bartlett (the international bestselling author) presents 50 of the most iconic tarot decks – telling the powerful stories of how each was devised and designed and showcasing their most exemplary cards. Each of the fifty-six decks in this book holds its own unique symbolism and mystical beginnings: from Visconti-Sforza, the fifteenth-century deck that reveals the fates of two Italian dynasties, to the Sola Busca Tarot, with its esoteric alchemical codex; from the pioneering Rider-Waite-Smith deck to the occult riddles of

English Magic Tarot. With an introduction to reading tarot and useful tips on deciphering the cards – this is the perfect book for collectors, cartomancers, designers, tattoo artists and anyone interested in the art and mystery of tarot.

*Deuces Wild: Stacking the Deck* L.S. King, 2016-09-20 Slap and Tristan anticipate the dull calm of routine cargo runs, but their plans are thwarted by goons from a corrupt government, a mobster out for Tristan's blood, a mad engineer, a spoiled brat, and ghosts from Tristan's past.

**Confessions of a Plagiarist** Kevin Kopelson, 2012 Literary Nonfiction. Memoir. In college, Kevin Kopelson passed off a paper by his older brother Robert as his own. In graduate school, he plagiarized nearly an entire article from a respected scholar, and then later, having met her and been asked if he would send something for her to read, sent that essay he had plagiarized from her work. This is not to mention the many instances in which he quoted others extensively, not passing their work off as his own, but substituting it for his own words when his words were what were called for. Until recently, such plagiarisms and thefts had been his most shameful secret, shared only with a trusted few. But then Kopelson—now an English professor and the author of a number of respected books, most recently 2007's *Sedaris*—wrote an essay entitled *My Cortez*, which was published in the *London Review of Books* in 2008. It was a satirical literary confession, an exploration of Kopelson's personal and professional life via his various acts of plagiarism. From that jumping off point and exploring also his other vices, **CONFESSIONS OF A PLAGIARIST** is the compelling and clever

retelling (not to mention renovation) of Kopelson's life, one transgression at a time.

Stacking the Deck David S. Pottruck, 2014-09-30 Change is a constant, and leaders must do more than keep up—they must innovate and accelerate to succeed. Yet people are often unnerved by

change. As a leader during a time of transformation, you may stand up before teams that are indifferent, or even hostile, and need to convince them that change is necessary and urgent. More than money, time, or resources, the ability to lead these people determines your ultimate success or failure. What does it take to be an effective change leader and increase the odds of success? Stacking the Deck offers a proven, practical approach for inspiring meaningful, lasting change across an organization. Stacking the Deck presents a nine-step course of action leaders can follow from the first realization that change is needed through all the steps of implementation, including assembling the right team of close advisors and getting the word out to the wider group. Based on Dave Pottruck's experiences leading change as CEO of Charles Schwab and later as chairman of CorpU and HighTower Advisors, these steps provide a guide to ensure that your change initiative and your team have the best possible shot at success. In addition, established business leaders who have led extraordinary change initiatives demonstrate the steps in action. These executives include eBay CEO John Donahoe, Wells Fargo former CEO Dick Kovacevich, Starbucks chief executive officer Howard

Schultz, San Francisco Giants CEO Larry Baer, JetBlue CEO Dave Barger, Asurion CEO Steve Ellis, Pinkberry CEO Ron Graves, and Intel's President Renee James, among others. Leading an organization through major change—whether it's the introduction of a new product, an expansion to a new territory, or a difficult downsizing—is not for the faint of heart. While success is never guaranteed, the right leadership, process, and team make all the difference. For all leaders facing major change in their organizations, *Stacking the Deck* is an indispensable resource for putting the odds in your favor.

Fuel your quest for knowledge with *Stacking the Deck*, a thought-provoking masterpiece. Dive into the World of *Deck*. This educational ebook, conveniently sized in PDF (\*), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind.
