The Proper Decoration of Book Covers Mindell Dubansky,Alice Cooney Frelinghuysen,Josephine Marie Dunn,2008 A biography of Morse by Grolier Club member Mindell Dubansky and two thoughtful essays on her work and influence by scholars in the field of nineteenth-century decorative arts is followed by a comprehensive--and lavishly illustrated--survey of all the known works by the designer, drawn from the personal collection of Mindell Dubansky, and from the resources of the Metropolitan Museum of Art. Designed by Jerry Kelly, and printed in an edition of 1100 copies.

Matisse and Decoration John Klein,2018-01-01 A brand new look at the extremely beautiful, if underappreciated, later works of one of the most inventive artists of the 20th century Between 1935 and his death at midcentury, Henri Matisse (1869-1954) undertook many decorative projects and commissions. These include mural paintings, stained glass, ceramic tiles, lead crystal pieces, carpets, tapestries, fashion fabrics, and accessories--work that has received no significant treatment until now. By presenting a wealth of new insights and unpublished material, including from the artist's own correspondence, John Klein, an internationally acclaimed specialist in the art of Matisse, offers a richer and more balanced view of Matisse's ambitions and achievements in the often-neglected later phases of his career. Matisse designed many of these decorations in the innovative--and widely admired--medium of the paper cut-out, whose function and significance Klein reevaluates. *Matisse and Decoration* also opens a window onto the revival and promotion, following World War II, of traditional French decorative arts as part of France's renewed sense of cultural preeminence. For the first time, the idea of the decorative in Matisse's work and the actual decorations he designed for specific settings are integrated in one account, amounting to an understanding of this modern master's work that is simultaneously more nuanced and more comprehensive.

The Complete Home Decorating Idea Book Kathleen Stoehr,Charles Randall,2007 The Complete Home Decorating Idea Book focuses on vertical and horizontal surfaces by examining not only windows, walls and floors but also celebrates the fifth wall ceilings! Readers will discover the clever possibilities for treating surfaces of all kinds with paint, wallpaper, tile, stone, fabric and more. Beginning with a chapter on a personal favorite, window treatments, Stoehr covers all types of hard and soft window products, as well as how to approach the decoration of a large window wall. A chapter on wall coverings follows, including paint, paper, tile, stone, fabric and wood. In section three, the decorated ceiling pulls our eyes upward from the horizontal sweep we normally experience in a room, creating a sense of satisfied completion to any interior. Decorated ceilings, our interior sky is attention to detail at its best, creating drama in the dining room or a calm, restful environment in the bedroom. Finally, we look to the floor, an area frequently overlooked but is the ultimate component for finishing any room with style. All this and more, including thousands of today's top interior photographs, will be found in The Complete Home Decorating Idea Book.

S Is for Style Dara Caponigro,2020-09-08 Are you High Style or Boho, or maybe Happy Modern or Trad with a Twist? The legendary fabrics and wallpapers house of Schumacher shows how you can use their iconic prints and patterns to create a variety of beautiful, chic interiors in the style that most suits you. ***This book is being published with three uniquely patterned covers. Customers will be shipped any of these three different covers at random*** With a focus on Schumacher's greatest contemporary patterns--everything from classic stripes and exuberant florals to edgy animal prints--this accessible and highly useful style guide is organized thematically by chapters such as Sensual & Spare; Preppy; Ladylike; Exuberant; and Opulent, with each featuring a stunning selection of patterns along with inspiring interiors designed in the same spirit. To help readers better understand their style preferences, every chapter begins with a questionnaire, for example: Are You an Acolyte of High Style? Do You Prefer a Midnight Supper to a Power Lunch?; Consider Jewel Tones Neutral?; Think Champagne Is Not Just for Special Occasions? Page after page after page of lavish imagery and pattern details are juxtaposed alongside beautiful interiors designed by such luminaries as Miles Redd, Tom Scheerer, Amanda Lindroth, Celerie Kemble, Veere Grenney, and Mark D. Sikes, to name a few, illustrating how Schumacher's iconic patterns can be integrated into a wide range of chic and stylish room designs. The texts provide insights and tips on how patterns can be used in your decor, along with guidance for deciding what style is best for you and your home. Full of inspiring design ideas, as well as an unparalleled resource of prints and patterns, *S Is for Style* is a visual feast of interior design for all styles and tastes.

English Decoration Ben Pentreath,2012-09-06 In *English Decoration*, architectural and interior designer Ben Pentreath presents a major new survey of the best of the English style. Eighteen homes, many of which have never been previously photographed, provide the source material for his wide-

ranging investigation of this classic look. The houses include Ben’s own homes in London and West Dorset, alongside those of Earls and artists, writers and architects, book designers and gardeners. The book opens with an essay on the English style in decoration, and then entrance halls, living rooms, kitchens and dining rooms and bedrooms and bathrooms are considered in turn, together with simple Rooms of Utility and spectacular Rooms of Display. There is also a foreword by Nicky Haslam, suggestions for further reading, and a style directory that reveals Ben's own favorite sources—helping you to achieve the classic English look, wherever you live.

Stephen Sills Stephen Sills,2013-10-22 The first book to focus on the solo residential work of the visionary interior decorator Stephen Sills. Simultaneously classical and modern, Stephen Sills’s design work is a dialogue between past and present. Filled with luxurious fabrics, furnishings from across centuries, and unusual finishes, his work is polished, seemingly effortless, and quietly rich, with a muted color palette that serves as a brilliant foil for modern art. In this striking, meditative volume, the follow-up to his best-selling book *Dwellings*, Sills presents sixteen breathtaking homes, gorgeously photographed by the legendary François Halard, in locations as varied as a penthouse on Manhattan’s Fifth Avenue, a modern Aspen retreat, an estate on the North Shore of Long Island, and his own country house in Bedford, New York (dubbed the chicest house in America by Karl Lagerfeld). Common to them all is a sense of atmosphere, point of view, and soul—the sense of a master craftsman at work.

Interior Design and Decoration Augustus Sherrill Whiton,1974 The fourth edition of *Elements of Interior Design and Decoration* represents a more extensive revision than any since the original publication in 1937. The acceleration of change in world events and in the arts has made it essential to adopt a more radical approach to the material in the text. Chapters 10 and 11, on contemporary design, were first included in the third edition, but they have been revised and brought up to date. Chapter 22, *Socio-Psychological Aspects of Design*, is entirely new. -- Book Preface.

purposes. By accessing Decoration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Decoration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Decoration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Decoration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Decoration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Decoration books and manuals for download and embark on your
