Double Double Cameron Herold,2011-03-10 A one hundred percent proven plan for one hundred percent growth.

The Body Double Emily Beyda,2021-06-08 A dark, glittering debut novel echoing Hitchcock's Vertigo, The Body Double is the suspenseful story of a young woman who is recruited by a stranger to give up her old life and identity to impersonate a reclusive Hollywood star. A strange man discovers our nameless narrator selling popcorn at a decrepit small-town movie theater and offers her an odd and lucrative position: she will forget her job, her acquaintances, even her name, and move to Los Angeles, where she will become the body double of the famous and troubled celebrity Rosanna Feld. A nervous breakdown has forced Rosanna out of the public eye, and she needs a look-alike to take her place in the tabloid media circus of Hollywood. Overseen by Max, who hired her for the job, our narrator spends her days locked up in a small apartment in the hills watching hidden camera footage of Rosanna, wearing Rosanna's clothes, eating the food Rosanna likes, practicing her mannerisms, learning to become Rosanna in every way. But as she makes her public debut as Rosanna, alarming questions begin to arise. What really caused Rosanna's mental collapse? Will she ever return? And is Max truly her ally, or something more sinister?

The Devil's Double Original Book Latif Yahia,1994-04-01 THE DEVIL'S DOUBLE: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly acclaimed movie. THE BLACK HOLE: gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. Forty Shades of Conspiracy: brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. Book Description: In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion.

Double Exposures Mieke Bal,2012-09-10 A feminist literary theorist, specialist in Rembrandt, and a scholar with a knack for reading Old Testament stories, Mieke Bal weaves a tapestry of signs and meanings that enrich our senses. Her subject is the act of showing, the gesture of exposing to view. In a museum, for example, the object is on display, made visually available. That's how it is, the display proclaims. But who says so? Bal's subjects are displays from the American Museum of Natural History, paintings by such figures as Courbet, Caravaggio, Artemisia Gentileschi, and Rembrandt, as well as works by twentieth-century artists, and such literary texts as Shakespeare's Rape of Lucrece.

Double Dividend Dale W. Jorgenson,Richard J. Goettle,Mun S. Ho,Peter J. Wilcoxon,2013-11-29 A rigorous and innovative approach for integrating environmental policies and fiscal reform for the U.S. economy. Energy utilization, especially from fossil fuels, creates hidden costs in the form of pollution and environmental damages. The costs are well documented but are hidden in the sense that they occur outside the market, are not reflected in market prices, and are not taken into account by energy users. Double Dividend presents a novel method for designing environmental taxes that correct market prices so that they reflect the true cost of energy. The resulting revenue can be used in reducing the burden of the overall tax system and improving the performance of the economy, creating the double dividend of the title. The authors simulate the impact of environmental taxes on the U.S. economy using their Intertemporal General Equilibrium Model (IGEM). This highly innovative model incorporates expectations about future prices and policies. The model is estimated econometrically from an extensive 50-year dataset to incorporate the heterogeneity of producers and consumers. This approach generates confidence intervals for the outcomes of changes in economic policies, a new feature for models used in analyzing energy and environmental policies. These outcomes include the welfare impacts on individual households, distinguished by demographic characteristics, and for society as a whole, decomposed between efficiency and equity.

Unhappy with the negative reception for The Double. Dostoevsky re-wrote his original version of 1846 fifteen years later. Dostoevsky wrote, “This revision, provided with an introduction, will be the equivalent of a new novel. They will finally see what The Double is...In a word, I'm challenging everybody to a battle...Why should I lose a superb idea, a great type in its social importance, which I was the first to discover and of which I was the herald.†?

Golyadkin resolves to try this, and leaves the office. He proceeds to a birthday party for Klara Olsufyevna, the daughter of his office manager. He was uninvited, and a series of faux pas lead to his expulsion from the party. On his way home through a snowstorm, he encounters a man who looks exactly like him, his double.
