Dread Locks #1 Neal Shusterman, 2006-08-03 Dread Locks is the first entry in the Dark Fusion series from master storyteller Neal Shusterman. He cleverly weaves together familiar parts of fairy tales and Greek mythology to tell the story of fourteen-year-old Parker Bear, rich and utterly bored with life—until a new girl arrives in town. Tara's eyes are always hidden behind designer sunglasses, and her hair, blond with glimmering spirals, seems almost alive. Parker watches, fascinated, as one by one Tara chooses high school students to befriend; he even helps her by making the necessary introductions. Over time, her “friends” develop strange quirks, such as drinking gallons of milk, eating dirt, and becoming lethargic. By the time Parker realizes what Tara is doing, he is too embroiled to stop her. In fact, she has endowed him with certain cravings of his own. . . . To say more would spoil the spooky fun of this wild thriller—let the twist speak for itself and leave you still as a statue.

Dread in the Beast Charlee Jacob, 2005 BRAM STOKER AWARD FOR BEST NOVEL OF 2005 DREAD IN THE BEAST used to be a novella about the goddess of waste and the king of wasters. Now it is a novel, stuffed full of the gruesome and horrible. Taken from the mythologies and histories of humankind, it follows the trail of the Mother Spirit of the worst that the world is capable of producing. From the catacombs of ancient Rome where a blasphemous sect twisted the message of the early Christians--to modern America with its obsession with violence, deities and saints and the reincarnations of beasts battle over sublime and profane, where the very reasons for existence for us all may lie in the unthinkable. Edward Lee (author of CITY INFERNAL, MONSTROSITY, INCUBI, and SUCCUBI) says in his introduction to this new novel-length version, What's most unique of all here (and jealously fascinating) are the creative guts of the author. If there's an ultimate dichotomy in the horror genre, it's got to be Jacob...armed with a talent to write the most beautiful prose yet using that talent to examine the most unspeakable and detestable horror. ...It's one of my all time favorite novels in the field.

A Particle of Dread Sam Shepard, 2017-03-21 In *A Particle of Dread*, Sam Shepard takes one of the most famous plays in history—Oedipus Rex—and transforms it into a modern American classic. In this telling, Oedipus, King of Thebes, prophesized to kill his father and marry his mother, alternates between his classical identity and that of contemporary “Otto.” His wife (and true mother), Jocasta, is also called Jocelyn, and his antagonist (and true father) is split into three characters, Laius, Larry, and Langos. Two present-day policemen from the Southwest stand in for the Greek chorus as they investigate the murder case. Dazzlingly inventive, ringing with the timelessness of myth, *A Particle of Dread* is an unforgettable work that grapples with questions of storytelling and destiny—the narratives that we pass down, and how they shape our lives. It is a play that lingers in the mind long after we finish the last scene.

Generation Dread Britt Wray, 2022-05-03 FINALIST FOR THE GOVERNOR GENERAL'S LITERARY AWARD A CBC BEST CANADIAN NONFICTION BOOK OF 2022 AN INDIGO TOP TEN BEST SELF-HELP BOOK OF 2022 A vital and deeply compelling read.” —Adam McKay, award-winning writer, director and producer (Don’t Look Up) “Britt Wray shows that addressing global climate change begins with attending to the climate within.” —Dr. Gabor Maté, author of *The Myth of Normal* Read this courageous book.” —Naomi Klein An impassioned generational perspective on how to stay sane amid climate disruption. Climate and environment-related fears and anxieties are on the rise everywhere. As with any type of stress, eco-anxiety can lead to lead to burnout, avoidance, or a disturbance of daily functioning. In *Generation Dread*, Britt Wray seamlessly merges scientific knowledge with emotional insight to show how these intense feelings are a healthy response to the troubled state of the world. The first crucial step toward becoming an engaged steward of the planet is connecting with our climate emotions, seeing them as a sign of humanity, and learning how to live with them. We have to face and value eco-anxiety, Wray argues, before we can conquer the deeply ingrained, widespread reactions of denial and disavowal that have led humanity to this alarming period of ecological decline. It’s not a level playing field when it comes to our vulnerability to the climate crisis, she notes, but as the situation worsens, we are all on the field—and unlocking deep stores of compassion and care is more important than ever. Weaving in insights from climate-aware therapists, critical perspectives on race and privilege in this crisis, ideas about the future of mental health innovation, and creative coping strategies, *Generation Dread* brilliantly illuminates how we can learn from the past, from our own emotions, and from each other to survive—and even thrive—in a changing world.

Joshua Dread Lee Bacon, 2012-09-25 For Joshua Dread, middle school is proving to be, well, awkward. Not only do bullies pick on him, but do you see those supervillains over there trying to flood the world? The ones that everyone, including his best friend Milton, are rooting for Captain Justice to take down? They're the Dread Duo, and they just happen to be his parents. As if trying to hide his identity wasn't hard enough, Joshua has started leaving a trail of exploding pencils and scorched handprints in his wake, and only Sophie, the new girl in town with a mysterious past, seems unsurprised. When a violent attack at the Vile Fair makes it clear someone is abducting supervillains, and that his parents may very well be next, Joshua must enlist both Sophie and Milton's help to save them. Well-written, fast-paced, and remarkably funny, Joshua Dread is the first in a series that will appeal far beyond its target audience. “Joshua Dread is funny, action-packed, and a total page-turner. You’ll want to read to the bitter end—unless Joshua’s parents destroy the world first. Which is a distinct possibility.”—Adam Gidwitz, author of *A Tale Dark & Grimm Villainy! Mayhem! Family!* From supervillains to killer houseplants, Joshua Dread has it all. I couldn't put it down and I didn't dare, not until I'd devoured every last page! -C. Alexander London, author of the *Accidental Adventure* series

Frozen Melissa de la Cruz, Michael Johnston, 2013-09-17 “As fearless as a futuristic *Game of Thrones*.”— MARGARET STOHL, New York Times bestselling co-author of the *Beautiful Creatures* trilogy From Melissa de la Cruz and Michael Johnston, the New York Times bestselling authors of the *Blue Bloods* and *Witches of East End* series. Welcome to New Vegas, a city once covered in bling, now blanketed in ice. Like much of the destroyed planet, the place knows only one temperature—freezing. But some things never change. The diamond in the ice desert is still a 24-hour hedonistic playground and nothing keeps the crowds away from the

casino floors, never mind the rumors about sinister sorcery in its shadows. At the heart of this city is Natasha Kestel, a young blackjack dealer looking for a way out. Like many, she's heard of a mythical land simply called "the Blue." They say it's a paradise, where the sun still shines and the waters are turquoise. More importantly, it's a place where Nat won't be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named Ryan Wesson there. Danger and deceit await on every corner, even as Nat and Wes find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about the dawn of a new kind of magic.
