**Book of Night** Holly Black,2022-05-03 A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con. - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with *Book of Night*, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Red Harvest** Dashiell Hammett,2010-12-29 The steadfast and sturdy Continental Op has been summoned to the town of Personville—known as Poisonville—a dusty mining community splintered by competing factions of gangsters and petty criminals. The Op has been hired by Donald Willsson, publisher of the local newspaper, who gave little indication about the reason for the visit. No sooner does the Op arrive, than the body count begins to climb . . . starting with his client. With this last honest citizen of Poisonville murdered, the Op decides to stay on and force a reckoning—even if that means taking on an entire town. *Red Harvest* is more than a superb crime novel: it is a classic exploration of corruption and violence in the American grain.

**The Rubáiyát of Omar Khayyám – Balfour Edition** Norman A Clark, It would be difficult to overstate the popularity of Omar Khayyám's Rubáiyát. Since it was first published in 1859, it has been translated into 70 languages; appeared in at least 1300 different editions, illustrated by 150 plus artists and set to music by 100 composers. A reviewer in the Bookman considered Constable's 1920 Art Deco edition of the Rubáiyát of Omar Khayyám to be one of the most beautiful of the many editions of 'Omar' to have ever been published. The early 20th century was a Golden Age for lavish editions of the poem illustrated by the most accomplished artists of the day. Balfour's stunning Art Deco style, gloriously decadent and risqué as it is, carries a strong echo of Beardsley. His remarkable suite of 38 illustrations epitomizes an the era of opulence, extravagance and a new found freedom of expression following the radical social changes caused by the First World War. Books such as these, and particularly the Balfour edition of the Rubáiyát, are extremely rare these days. Balfour's illustrations have scarcely been seen at all since the book was first published. This eBook aims to redress the balance somewhat since it contains the full suite of Balfour's original illustrations facing quatrains from FitzGerald's first version of his translation, exactly as they appeared in the 1920 print edition. There is also a supporting text of biographical notes concerning Omar Khayyám, FitzGerald and Ronald Balfour plus the texts for all five versions of FitzGerald's translations.

**Introduction to Addictive Behaviors, Fourth Edition** Dennis L. Thombs, Cynthia J.

Osborn, 2013-07-08 This book has been replaced by Introduction to Addictive Behaviors, Fifth Edition, ISBN 978-1-4625-3922-2.

**Courage Is Calling** Ryan Holiday, 2021-09-28 The instant New York Times, Wall Street Journal, and USA Today Bestseller! Ryan Holiday's bestselling trilogy—The Obstacle Is the Way, Ego is the Enemy, and Stillness is the Key—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers. Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is “Be not afraid.” The ancient Greeks spoke of phobos, panic and terror. It is

natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what's right, to do what's needed, to do what is true. And so it rests at the heart of the works of Marcus Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In *Courage Is Calling*, Ryan Holiday breaks down the elements of fear, an expression of cowardice, the elements of courage, an expression of bravery, and lastly, the elements of heroism, an expression of valor. Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., Holiday shows you how to conquer fear and practice courage in your daily life. You'll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly realities of modern life—we need courage more than ever. We need the courage of whistleblowers and risk takers. We need the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.
