The Eliminator Mike Ryan, 2021-09-20 As Jacobs becomes more at ease with his nickname, and starts using his abilities to help others, he finds he is still not done with Mallette's bunch. Or at least what they used to be known as. Lawrence Wiggins, Mallette's lawyer, is found dead, leading the imprisoned crime boss to getting a new attorney appointed from New York. Only this one comes with caveats. Roger Alexander is not only Mallette's new lawyer, but he's also taking over his organization. But in order to completely take over, he needs Mallette, and the rest of his men, eliminated. He calls for a truce with Jacobs, speaking to him at the cemetery, and offers up the rest of Mallette's men for him on a silver platter. But something isn't right. Is Alexander really just serving up the rest of Mallette's men, or is he luring Jacobs into a trap to try and get rid of The Eliminator once and for all?

Is Alexander really just serving up the rest of Mallette's men, or is he luring Jacobs into a trap to try and get rid of The Eliminator once and for all? The Betrayal It's just another ordinary day for Brett Jacobs. He's spending it in the cemetery with his family like usual. But suddenly, his quiet morning is about to get thrown for a loop. Standing in the crosshairs of a sniper, Jacobs is saved from certain death by a beautiful private investigator named Abbie Johnson. As the two start getting to know each other, the coincidences and strange occurrences keep piling up, giving Jacobs room to believe that his new friend may not be what she claims she is. Is Abbie the woman Jacobs needs to finally move on and get rid of the hurt that he's been carrying? Is she really interested in helping Jacobs in his fight against the criminal element? Or is she not the person she claims to be and is waiting for the right opportunity to twist the knife in Jacobs' back? The Comeback Franks finds himself in a bind and enlists the help of his friend, Brett Jacobs, to help alleviate the problem. Barberio's Butchers, a small-time gang with big-time aspirations, is looking to put a hurting on the pawn shop owner. It's up to Jacobs to make sure that doesn't happen. While that's going on, Mallette finds himself with a new lawyer, one he didn't ask for. This one, though, has better news for him than Alexander did. It seems that Mallette is on the comeback and retaking control of his operation. With that in mind, some of the holdovers from Alexander's bunch are intent on impressing their new boss and put a hit out. Someone is taking a bullet. But who?

As he searches for the killer, he finds and takes in a dog named Gunner, who he starts training to be by his side throughout the ordeal. The Reprisal Frustrated that his organization is crumbling while he's in prison, Mallette starts getting desperate. Willing to do anything to get the former detective out of his life, and further drive him into a hole he can never recover from, Mallette orders the kidnapping of the kids of Jacobs' brother. Fearful that the kids might end up like the rest of his family, Jacobs frantically searches the city to find them before they end up in the cemetery. With time growing short, and Jacobs knowing that his enemy is willing to do the unthinkable, Jacobs enlists the help of unlikely allies in order to find them before it's too late. Will Jacobs find them before Mallette's men do the horrific act? Or will Jacobs get there too late and cause his pain and suffering to go to even lower proportions.

The Eliminator R. Terry McAnally,2011-06-01 There was a light mist in the air suddenly a car came up behind. Becky, she knew should have listened to Darnell and let him drive her. Whoever killed Royce is now after her, has he found her, he wants her dead, she knew she was going to die like Royce? Before she dies, she wants to know why__why is this happening to her, why had they killed Royce. As she sped down the road trying to escape, her car was racing out of control it crashed through a gated fence and onto a lawn. This was total insanity; she tried to turn the wheel into the skid, but she couldn't, she lost control. Her body flung forward, then back as the car hit a tree. Raising her hands in front of her face trying to protect it from flying glass as she flung forward again, about to hit the steering wheel, the airbag deployed, like a cork from a champagne bottle, it slammed hard against her hands causing them to smash into her face. She slammed backward her head hitting the headrest. The airbag released a choking cloud of powder, filling the car's interior. The pain was sharp, and biting, she tried to hold her breath to avoid breathing in the residue from the powder. The pain seared through her, vertigo and dizziness spun all around, fear twisted her thoughts; she was losing consciousness falling deeper into a blackness that she couldn't control. Off in the distance she could hear voices; they were coming for her...Oh, God no...

The Eliminator; Or, Skeleton Keys to Sacerdotal Secrets Richard B Westbrook, 2021-06-08 The Eliminator; or, Skeleton Keys to Sacerdotal Secrets, has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

The Eliminator Richard B. Westbrook, 2017-08-16 THE Eliminator has now been before the public nearly two years. I have seen nothing worthy of the name of criticism respecting it. A few Unitarian ministers have said that Christ must have been a person instead of a personification, for the reason that men could not have conceived of such a perfect character without a living example, and that the great influence exercised by him for so long a time, over so many people, proves him to have been an historic character. These arguments are anticipated and fully answered. (See pp. 283, 284, 306.) Our Unitarian friends are the greatest idealists upon the globe! They only accept the Gospel biography of Jesus (and we have no other) just so far as the story accords with what they think it ought to be. They deny the immaculate conception and miraculous birth of the Christ, and have very great doubts about his crucifixion and resurrection. Their Christ is purely ideal. The fact is that Christendom has worshipped the literal Jesus for the ideal Christ for nearly twenty centuries, though their conceptions of him have been manifold and contradictory. No wonder that so many intelligent Christian sects in the early ages of the [Pg iv] church utterly denied the existence of Jesus as an historic person. (See pp. 266, 267, 357.) But there is indubitable evidence that this Christ character (called by many Unitarians the Universal Christ) was mainly mythical, drawn from the astrological riddles of the older Pagan mythologies.
