Jonathan Olsen

The European Book in the Twelfth Century Erik Kwakkel,Rodney Thomson,2018-03-31 The 'long twelfth century' (1075-1225) was an era of seminal importance in the development of the book in medieval Europe and marked a high point in its construction and decoration. This comprehensive study takes the cultural changes that occurred during the 'twelfth-century Renaissance' as its point of departure to provide an overview of manuscript culture encompassing the whole of Western Europe. Written by senior scholars, chapters are divided into three sections: the technical aspects of making books; the processes and practices of reading and keeping books; and the transmission of texts in the disciplines that saw significant change in the period, including medicine, law, philosophy, liturgy, and theology. Richly illustrated, the volume provides the first in-depth account of book production as a European phenomenon.

Faces of Degeneration Daniel Pick,1989 Exploring the historical contexts in France, Italy, and England within which the idea was developed, this text traces the political issues to which the concept of degeneration gave rise during the period from the revolutions of 1848 to the First World War and beyond.

Early European History Hutton Webster,1917 The first twelve chapters of the present work are based upon the author's Ancient history, published four years ago. Suggestions for further study: pages xxiv-xxxv.

For the Love of Europe Rick Steves,2020-07-07 After 40+ years of writing about Europe, Rick Steves has gathered 100 of his favorite memories together into one inspiring, award-winning collection: For the Love of Europe: My Favorite Places, People, and Stories. Join Rick as he's swept away by a fado singer in Lisbon, learns the dangers of falling in love with a gondolier in Venice, and savors a cheese course in the Loire Valley. Contemplate the mysteries of centuries-old stone circles in England, dangle from a cliff in the Swiss Alps, and hear a French farmer's defense of foie gras. With a brand-new, original introduction from Rick reflecting on his decades of travel, For the Love of Europe features 100 of the best stories published throughout his career. Covering his adventures through England, France, Germany, Ireland, Italy, the Netherlands, Spain, and more, these are stories only Rick Steves could tell. Wry, personal, and full of Rick's signature humor, For the Love of Europe is a fond and inspirational look at a lifetime of travel. Winner of the 2022 Society of American Travel Writers' Lowell Thomas Travel Journalism Award: Best Travel Book, Silver

The European Rescue of the Nation-state Alan S. Milward,2000 Newly revised and updated, this second edition is the classic economic and political account of the origins of the European Community book offers a challenging interpretation of the history of the western European state and European integration.

Cooperation Among Democracies Thomas Risse,Thomas Risse-Kappen,1995 In exploring the special nature of alliances among democracies, the author argues that the West European and Canadian allies exerted greater influence on American foreign policy during the Cold War than most analysts assume. This book's findings evaluate the post-Cold War's transatlantic security community and its survival.

The European Union: A Citizen's Guide Chris Bickerton,2016-05-12 The essential Pelican introduction to the European Union - its history, its politics, and its role today For most of us today, 'Europe' refers to the European Union. At the centre of a seemingly never-ending crisis, the EU remains a black box, closed to public understanding. Is it a state? An empire? Is Europe ruled by Germany or by European bureaucrats? Does a single European economy exist after all these years of economic integration? And should the EU have been awarded the Nobel peace prize in 2012? Critics tell us the EU undermines democracy. Are they right? In this provocative volume, political scientist Chris Bickerton provides an answer to all these key questions and more at a time when understanding what the EU is and what it does is more important than ever before.

American Refugee Policy and European Jewry, 1933-1945 Richard Bretman,Alan M. Kraut,1987 How does one explain America's failure to take bold action to resist the Nazi persecution and murder of European Jews? In contrast to recent writers who place the blame on anti-Semitism in American society at large and within the Roosevelt administration in particular, Richard Breitman and Alan M. Kraut seek the answer in a detailed analysis of American political realities and bureaucratic processes. Drawing on exhaustive archival research, the authors describe and analyze American immigration policy as well as rescue and relief efforts directed toward European Jewry between 1933 and 1945. They contend that U.S. policy was the product of preexisting restrictive immigration laws; an entrenched State Department bureaucracy committed to a narrow defense of American interests; public opposition to any increase in immigration; and the reluctance of Franklin D. Roosevelt to accept the political risks of humanitarian measures to benefit the European Jews. The authors find that the bureaucrats who made and implemented refugee policy were motivated by institutional priorities and reluctance to take risks, rather than by moral or humanitarian concerns.

European Cases of the Reincarnation Type Ian Stevenson, M.D.,2008-10-30 Many cultures accept that a person may die and then come back to life in another form, but Westerners have traditionally rejected the idea. Recently, however, surveys conducted in Europe indicate a substantial increase in the number of Europeans who believe in reincarnation, and numerous claims of reincarnation have been reported. This book examines particular cases in Europe that are suggestive of reincarnation. The first section provides a brief history of the belief in reincarnation among Europeans. The second section considers eight cases from the first third of the twentieth century that were not independently investigated, but were reported and sometimes published by the persons concerned. The third section covers 32 cases from the second half of the twentieth century that were investigated by the author. Many of these cases involved either children who exhibited unusual behavior attributed to a previous life, or adults who experienced recurrent or vivid dreams attributed to a previous life. In the fourth section, the author compares European cases suggestive of reincarnation with those of other countries and cultures.

Coping with Tourists Jeremy Boissevain,1996 Twenty-four papers assess the challenges to developing a systematic framework for understanding and predicting climatic changes and variations. The contributing scientists pull together ad hoc environmental observations, presenting a coherent review of long and short term climate monitoring, direction in future research, and specific aspects of observing such as long term monitoring of the cryosphere, and oceanic observation systems. The volume is reprinted from Climatic Change, v.31, nos.2-4, 1995. Lacks an index. Annotation copyright by Book News, Inc., Portland, OR

The European Union Jonathan Olsen,2020-07-30 Thoroughly revised, the seventh edition of this accessible and highly respected text provides a rigorous yet digestible introduction to the European Union. Additionally, it authoritatively explains developments that continue to bring challenges to this powerful institution in times of great political change. Key features: Clearly covers the history, governing institutions, and policies of the EU; Fully updated with new tables, figures, and photographs; In-text features such as Chapter Overviews, Questions to Consider, and Further Reading encourage deeper research and debate; Sustained discussion of transformative and historical change in the upheaval of Brexit and its ramifications, and the future relationship of the UK with the EU; Through reflection on destabilizing issues such as immigration and the years of refugee crisis in Europe, the continued crisis in the eurozone, tensions with Poland and Hungary, Euroskepticism, Russia, and the rise of populism; Increased coverage throughout of women or minorities within the EU. Jonathan Olsen presents the EU as one of the world's economic and political superpowers, which has brought far-reaching changes to the lives of Europeans and has helped its member states to take a newly assertive role on the global stage. Essential reading for students of European and EU

politics, this book offers an up-to-the-minute look at both the opportunities and existential threats facing the EU.

Modern and Contemporary European History Jacob Salwyn Schapiro,1918

Rick Steves European Festivals Rick Steves,2017-11-14 It's party time in Europe! Bestselling author Rick Steves explores the best festivals in Europe, from the Running of the Bulls in Spain to Carnival in Venice. There will be no museums! And no art galleries! Just Europeans having lots of fun. Across Europe, festival traditions go back centuries and are filled with time honored pageantry and ritual. Entire communities hurl themselves with abandon into the craziness. We'll careen all over Europe: the Palio horse races in Siena, the Highland games near Edinburgh, the colorful masquerade of Carnival in Venice, Slovenia, and Luzern, Easter festivities in Andalucía, Tuscany, and Greece, the springtime April Fair in Sevilla, Bastille Day in Paris, the Running of the Bulls in Pamplona, Oktoberfest in Munich, and Christmas markets and traditions in Nurnberg and Switzerland. With fascinating insights, rich history, and vivid photos, this great gift book captures the spirit of Europe's rich and fun-loving heritage. Hang on to your party hats!

The European Anarchy Goldsworthy Lowes Dickinson,1916

Causation in European Tort Law Marta Infantino,Eleni Zervogianni,2017-12-28 This book takes an original and comparative approach to issues of causation in tort law across many European legal systems.

European and American Extreme Right Groups and the Internet Dr Linda Parenti,Dr Manuela Caiani,2013-04-28 How do right-wing extremist organizations throughout the world use the Internet as a tool for communication and recruitment? What is its role in identity-building within radical right-wing groups and how do they use the Internet to set their agenda, build contacts, spread their ideology and encourage mobilization? This important contribution to the field of Internet politics adopts a social movement perspective to address and examine these important questions. Conducting a comparative content analysis of more than 500 extreme right organizational web sites from France, Germany, Italy, Spain, the United Kingdom and the United States, it offers an overview of the Internet communication activities of these groups and systematically maps and analyses the links and structure of the virtual communities of the extreme right. Based on reports from the daily press the book presents a protest event analysis of right wing groups' mobilisation and action strategies, relating them to their online practices. In doing so it exposes the new challenges and opportunities the Internet presents to the groups themselves and the societies in which they exist.

All-European Study on Education for Democratic Citizenship Policies Cezar Bîrzea,Council of Europe,2004-01-01 The All-European Study gives a systematic description of Education for Democratic Citizenship (EDC) policies in the Council of Europe member states. Research was conducted in 2002 at national level, involving national EDC co-ordinators, practitioners and other stakeholders. In 2003 a group of experts produced five regional studies that were submitted for consultation to national authorities in member states with a final feedback given at the EDC Policy Seminar held in Strasbourg in September of the same year. The study contains recommendations and examples of good practice in EDC policy implem.

The Brussels Effect Anu Bradford,2020-01-27 For many observers, the European Union is mired in a deep crisis. Between sluggish growth; political turmoil following a decade of austerity politics; Brexit; and the rise of Asian influence, the EU is seen as a declining power on the world stage. Columbia Law professor Anu Bradford argues the opposite in her important new book *The Brussels Effect*: the EU remains an influential superpower that shapes the world in its image. By promulgating regulations that shape the international business environment, elevating standards worldwide, and leading to a notable Europeanization of many important aspects of global commerce, the EU has managed to shape policy in areas such as data privacy, consumer health and safety, environmental protection, antitrust, and online hate speech. And in contrast to how superpowers wield their global influence, the Brussels Effect - a phrase first coined by Bradford in 2012- absolves the EU from playing a direct role in imposing standards, as market forces alone are often sufficient as multinational companies voluntarily extend the EU rule to govern their global operations. The Brussels Effect shows how the EU has acquired such power, why multinational companies use EU standards as global standards, and why the EU's role as the world's regulator is likely to outlive its gradual economic decline, extending the EU's influence long into the future.

Public Finance and National Accounts in the European Context Joaquim Miranda Sarmiento,2019-01-31 This book offers an essential guide to Public Finance and National Accounts in the context of the European Union. Since the creation of the Eurozone, fiscal policy has been at the heart of economic (but also political/media) discussions in the EU. From the Stability and Growth Pact (1997) to the more recent Fiscal Treaty, EU and Eurozone, countries have been subject to various fiscal rules. The importance of these rules, and of the subsequent procedures that every Eurozone country has to adhere to, is unquestionable. The book provides the reader with an in-depth understanding of the complex EU rules concerning fiscal policy, breaking down the corresponding legal texts into simple and accessible language. It has a broad interdisciplinary appeal, and scholars and practitioners whose work involves these areas will find it of particular interest.

The European Roots of the Eurozone Crisis Mario Baldassarri,2017-10-01 This book examines the Eurozone crisis in light of theoretical and empirical evidence. The first half explores specific theoretical contributions within a framework of growth theory models to examine the two major pillars of the European construction, the European Central Bank and the Maastricht Treaty, and seeks to explain why they are theoretically wrong. The second half presents results of counterfactual simulations using the Oxford Econometric model and estimates what the Eurozone has lost in terms of economic and social cost from 2002 to 2014 as a consequence of the super-evaluation of the Euro and the Maastricht Treaty parameters being mistakenly fixed and pursued. Finally, the author supports the urgent need to refund the European Union, up-dating The Maastricht Treaty and the ECB statute to build three concentric circles: the USE (United States of Europe), the EU (European Union), the EAFTDA (Europe/Africa Free Trade and Development Area).

Reviewing **European**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**European**," an enthralling opus penned by a very acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

European Introduction

In the digital age, access to information has become easier than ever before. The ability to download European has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download European has opened up a world of possibilities. Downloading European provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading European has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download European. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading European. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading European, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download European has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About European Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye

strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. European is one of the best book in our library for free trial. We provide copy of European in digital format, so the resources that you find are reliable. There are also many Ebooks of related with European. Where to download European online for free? Are you looking for European PDF? This is definitely going to save you time and cash in something you should think about.
