**No Distance Too Far (Home to Blessing Book #2)** Lauraine Snelling, 2010-04-01  
Astrid Bjorklund wants to use her medical training to serve God and feels that He might be leading her in the direction of missionary work. Smarting from a misunderstanding with Joshua Landsverk, the young man she thought she loved, she heads east to a missionary training school, hoping to eventually use her skills in some remote outpost in Africa. When she is called home unexpectedly to help in a family medical emergency, Astrid learns of a deadly measles outbreak on the nearby Indian reservation. She immediately senses the Spirit tugging her to help the Indians and wonders if her mission field is not so far away as she had imagined. But if she follows God's call, will love pass her by?

**Far-Fetched Facts** Richard Rottenburg, 2009-04-17 A fictionalized ethnographic study of development aid in sub-Saharan Africa that focuses on technologies of inscription in the interactions of development banks, international experts, and local managers. In 1996, the sub-Saharan African country of Ruritania launched a massive waterworks improvement project,

funded by the Normesian Development Bank, headquartered in Urbania, Normland, and with the guidance of Shilling & Partner, a consulting firm in Mercatoria, Normland. Far-Fetched Facts tells the story of this project, as narrated by anthropologists Edward B. Drotlevski and Samuel A. Martonosi. Their account of the Ruritania waterworks project views the problems of development from a new perspective, focusing on technologies of inscription in the interactions of development bank, international experts, and local managers. This development project is fictionalized, of course, although based closely on author Richard Rottenburg's experiences working on and observing different development projects in the 1990s. Rottenburg uses the case of the Ruritania waterworks project to examine issues of standardization, database building, documentation, calculation, and territory mapping. The techniques and technologies of the representational practices of documentation are crucial, Rottenburg argues, both to day-to-day management of the project and to the demonstration of the project's legitimacy. Five decades of development aid (or "development cooperation," as it is now sometimes known) have yielded disappointing results. Rottenburg looks in particular at the role of the development consultant (often called upon to act as mediator between the other actors) and at the interstitial spaces where developmental cooperation actually occurs. He argues that both critics and practitioners of development often misconstrue the grounds of cooperation—which, he claims, are moral, legal, and political rather than techno-scientific or epistemological.

### **The Land of the Far Away ,**

*Far Far Away* Tom McNeal, 2013-06-11 A National Book Award Finalist An Edgar Award Finalist A California Book Award Gold Medal Winner A dark, contemporary fairy tale in the tradition of Neil Gaiman. Jeremy Johnson Johnson hears voices. Or, specifically, one voice: the ghost of Jacob Grimm, one half of The Brothers Grimm. Jacob watches over Jeremy, protecting him from an unknown dark evil whispered about in the space between this world and the next. But Jacob can't protect Jeremy from everything. When coltish, copper-haired Ginger Boultinghouse takes a bite of a cake so delicious it's rumored to be bewitched, she falls in love with the first person she sees: Jeremy. In any other place, this would be a turn for the better for Jeremy, but not in Never Better, where the Finder of Occasions—whose identity and evil intentions nobody knows—is watching and waiting, waiting and watching. . . And as anyone familiar with the Brothers Grimm know, not all fairy tales have happy endings. Veteran writer Tom McNeal has crafted a young adult novel at once grim(m) and hopeful, full of twists, and perfect for fans of contemporary fairy tales like Neil Gaiman's *The Graveyard Book* and Holly Black's *Doll Bones*. The recipient of five starred reviews, *Publishers Weekly* called *Far Far Away* inventive and deeply poignant.

**Far Flutterby** Karen Kingsbury,2012-02-07 Cody the caterpillar is unhappy and wonders if there's more to his life than just branches and leaves. When two winged creatures pay a visit, they encourage him to have faith and trust in God's plan. Cody doesn't understand what they mean, and soon becomes stuck in a cocoon. He struggles to break free and finally emerges with a beautiful pair of wings. In the end he realizes that it's the struggles in life that allow us to soar.

Far from the Truth Ahmad Branch,2012-07-01 Taj Bennett struggles with his emotions--love in particular. The dilemma comes when he loves people he morally should not love. Taj didn't think much of when his best friend and long time running mate, Josh, came to his shop in a brand new Mercedes. Josh always had the flair for the finer things while Taj was a little more reserved. That morning would change both of their lives. Their friendship would be strongly put to the test. In addition to that test, Taj finds himself battling demons that he has long since attempted to control. His loving wife, Alysea, is there by his side every step of the way, but even that becomes a chore. Taj will truly find out who loves him the most and attempt to find himself. The closer he gets to conquer both those obstacles, the more he realizes that he is actually Far From the Truth.

This Far from There E. F. Schmeltzer,2013-08-28 The first collection of poetry, and first publication, from E. F. Schmeltzer, This Far From There is

a collection of 150 poems compiled since he began writing. In this collection, he tells a story of life and love, how they are lost, and how they have the power to find you again. From the first lines of the welcoming Brave New World until the finale including the title piece, This Far From There is an artistic and lyrical invitation into the life of the everyman, but told in a way that inevitably makes the the everyman a somebody.

**Entangled Far Rights** Marlene Laruelle,2018-11-06 Since the rise of Putin, many have puzzled by the strange affinity of the far right in the West for today's authoritarian Russia. Entangled Far Rights explores the deep roots of this phenomena and reveals it to be a running thread through the entire history of the long 20th century and present regardless of the changing political character of Russia's regimes.

**Canaan, Dim and Far** Adam Lee Cilli,2021-03 Canaan, Dim and Far argues for the importance of Pittsburgh as a case study in analyzing African American civil rights and political advocacy in an urban setting. Focusing on the

period from the Progressive Era to the end of World War II, this book spotlights neglected aspects of middle-class Black activism in the decades preceding the civil rights movement. It features a revolving cast of social workers, medical professionals, journalists, scholars, and lawyers whose social justice efforts included but also extended past racial uplift ideology and respectability politics. Adam Lee Cilli shows how these Black reformers experimented with a variety of strategies as they moved fluidly across ideologies and political alliances to find practical solutions to profound inequities. In the period under study, they developed crucial social safety supports in Black communities that buffered southern migrants against the physical, civil, and legal impositions of northern Jim Crow; they waged comprehensive campaigns against anti-Black stereotypes; and they built inroads into the industrial labor movement that accelerated Black inclusion. Committed to an expansive vision of economic and political citizenship, Pittsburgh's activists challenged white America to face its contradictions and to live up to its democratic ideals.

**Mosaic** Amy Grant, 2008-10-07 One of America's most popular music artists bares her heart and soul in her first autobiographical work. With honesty and depth, Grant offers poignant and often startling insights on motherhood, marriage, forgiveness, and faith--revealing a life blessed with jagged edges as well as vivid colors.

**Plays of Near & Far** Lord Dunsany, 2019-12-04 'Plays of Near & Far' is a

collection of six plays, all of them written by Lord Dunsany. The titles of these plays are: 'The Compromise of the King of the Golden Isles', 'The Flight of the Queen', 'Cheezo', 'A Good Bargain', and 'If Shakespeare Lived Today, and Fame and the Poet'.

**Far North** Marcel Theroux, 2009-06-09 Far North is a 2009 National Book Award Finalist for Fiction. My father had an expression for a thing that turned out bad. He'd say it had gone west. But going west always sounded pretty good to me. After all, westwards is the path of the sun. And through as much history as I know of, people have moved west to settle and find freedom. But our world had gone north, truly gone north, and just how far north I was beginning to learn. Out on the frontier of a failed state, Makepeace—sheriff and perhaps last citizen—patrols a city's ruins, salvaging books but keeping the guns in good repair. Into this cold land comes shocking evidence that life might be flourishing elsewhere: a refugee emerges from the vast emptiness of forest, whose existence inspires Makepeace to reconnect with human society and take to the road, armed with rough humor and an unlikely ration of optimism. What Makepeace finds is a world unraveling: stockaded villages enforcing an uncertain justice and hidden work camps laboring to harness the little-understood technologies of a vanished civilization. But Makepeace's journey—rife with danger—also leads to an unexpected redemption. Far North takes the reader on a quest through an unforgettable arctic landscape, from humanity's origins to its possible end. Haunting, spare, yet

stubbornly hopeful, the novel is suffused with an ecstatic awareness of the world's fragility and beauty, and its ability to recover from our worst trespasses.

*The Far Field* Madhuri Vijay, 2019-01-15 "Remarkable . . . Vijay traces the fault lines of history, love, and obligation running through a fractured family and country." —Anthony Marra, New York Times—bestselling author Winner of the 2019 JCB Prize for Literature Gorgeously tactile and sweeping in historical and socio-political scope, Pushcart Prize—winner Madhuri Vijay's *The Far Field* follows a complicated flaneuse across the Indian subcontinent as she reckons with her past, her desires, and the tumultuous present. In the wake of her mother's death, Shalini, a privileged and restless young woman from Bangalore, sets out for a remote Himalayan village in the troubled northern region of Kashmir. Certain that the loss of her mother is somehow connected to the decade-old disappearance of Bashir Ahmed, a charming Kashmiri salesman who frequented her childhood home, she is determined to confront him. But upon her arrival, Shalini is brought face to face with Kashmir's politics, as well as the tangled history of the local family that takes her in. And when life in the village turns volatile and old hatreds threaten to erupt into violence, Shalini finds herself forced to make a series of choices that could hold dangerous repercussions for the very people she has come to love. With rare acumen and evocative prose, in *The Far Field* Madhuri Vijay masterfully examines Indian politics, class prejudice, and

sexuality through the lens of an outsider, offering a profound meditation on grief, guilt, and the limits of compassion. “A chance to glimpse the lives of distant people captured in prose gorgeous enough to make them indelible—and honest enough to make them real.” –The Washington Post “A singular story of mother and daughter.” –Entertainment Weekly
