*The Favorites* Mary Yukari Waters,2012-12-11 Kyoto 1978. Fourteen-year-old Sarah Rexford returns to Japan with her mother for the first time in five years, to stay with the family at her mother's childhood home. Having begun her teenage years in America, where she is popular, confident and assured, it is a shock for Sarah to find herself ill at ease and unsure of what to say or how to say it, whilst her usually quiet, rather shy mother at once returns to her engaging, accomplished and respected former self in the company of family and old friends. As Sarah begins to reacquaint herself with her relatives and learn more about the culture she came from, she discovers a secret that stretches across three generations, its presence looming over the family home. Personal boundaries are firmly drawn in traditional Kyoto, and actions are not always what they appear. In this carefully articulated world, where every look and gesture has meaning, Sarah must learn the rules by which her mother, aunts and grandmother live.

**His Favorites** Kate Walbert,2019-06-11 A “tense, taut, and thrilling” (Marie Claire) novel about a teenage girl, a predatory teacher, and a school’s complicity from the highly acclaimed, bestselling National Book Award finalist and author of A Short History of Women—“riveting, terrifying, exactly the book for our times” (Ann Patchett). They were on a lark, three teenaged girls speeding across the greens at night on a “borrowed” golf cart, drunk. The cart crashes and one of the girls lands violently in the rough, killed instantly. The driver, Jo, flees the hometown that has turned against her and enrolls at a prestigious boarding school. Her past weighs on her. She is responsible for the death of her best friend. She has tipped her parents’ rocky marriage into demise. She is ready to begin again, far away from the accident. “Devastatingly relevant” (Vogue) and “fueled by gorgeous writing” (NPR), His Favorites reveals the interior life of a young woman determined to navigate the treachery in a new world. Told from her perspective many years later, the story coolly describes a series of shattering events and a school that failed to protect her. “Before things turn treacherous, there’s a moment when predation can feel dangerously like kindness...Walbert understands this...His Favorites begs to be read” (Time).

*Playing Favorites* Rodger Woodworth,2021-11-30 According to recent research, our brains prefer the path of least resistance when it comes to engaging people who are unlike us—in fact, our brains tell us to perceive anyone different than us as a threat. That is a nice way to say that, despite our best intentions, we all have our prejudices and preferences. In biblical terms, we show partiality toward people who resemble us; we play favorites. Much of our identity, community, and power are established by the measurement of our differences from others, justifying our need to categorize people. Even when we attempt to engage other races and cultures, we see it as a one-way bridge, taking our way of life across the river to enlighten those different than us. It assumes we are on the bank of the undistorted view of the world and our understanding of the other side is not important. The proper response is to encourage two-way traffic on the bridge, not only by having dialogue with people over the bridge but more importantly listening to them. Overcoming our prejudices and bridging the cultural divide is the result of living out the gospel and it is the most significant way to communicate the gospel.

Destiny Has No Favorites Dieter Klett,2012-10 This is a story of a person arriving in this country in this country and in this city where he eventually ended up in the middle of the night, not knowing a soul in Canada and having just about \$10.- in his pocket. Using my imagination I let this imaginary person - Peter- show the reader the adventures and misadventures he and eventually his family experienced in this for him so strange and at the same time exciting new place. I decided to cover a period of roughly the first 25 years Peter spent in his new chosed homeland. I could have continued showing the development of his and his family's life after the 25 year period, but I decided against that. I wanted this story to have closure. Another possible book would show the reader how Peter's life continued after 25 years and would show us how he and his loved ones continued with their lives with its ups and downs. The gist of the events occured from the mid 1950's until the early 1980's. I actually completed this book in 1982. It was lying in my filing cabinet for 30 years, because I never had either the time or inclination to publish in writing. The title of this publication: Destiny has no Favorites is correct. Destiny, or fate, has no favorites and we all are at the mercy of this destiny destined for us by that higher power we may call God, Nature, the Absolute Being, the Creator, Providence, the Omnipotent, Being the Supreme Soul or whatever mage us feel better to accept the unacceptable.
