Words Puzzle over Oddly Shaped Poem Pieces Curtis Williams,2015-11-21 Using a measure of baby-book blueprints as a guide, I squared off in line with some rusted tools of time and with the help of a few weather-treated emotions. I built a solid dreamlike structure, a home for those cherished memories that, upon completion, defines me. As a shoestring poet, every subject that piques my poetic interest and has the nerve to come into contact with my emotionally charged, multicolored pen has been treated with as much respect and honesty as my talent will allow.

Action Figure James J. Caterino,2008-03-12 The words spun around my aching brain in an endless loop as I marched through the dense heat of the urban brush. Youre too nice a guy Jackson. That may have been true before this morning. But as of 9:17 AM this morning, the moment Fat Heads nightstick rocked my dome, I started to transform into something elsesomething primal, something strong, and in many ways, something long overdue. A sleeping giant of buried rage had been awoken. I thought about Tarmok and the rage of the Bull Mongoni. The barbarian within me had taken over, this time for good. I began too feel pity for anyone who dared stand in my way as I began my dark journey of escape. I am Wes Jackson. I am ignorant in the Hollywood Barbell Club sense of the word. Wes Jackson Lives.

The Bone Collection Kathy Reichs,2016-11 From #1 bestselling author Kathy Reichs comes a collection of four pulse-pounding short stories starring forensic anthropologist Dr. Temperance Brennan—including one original that tells how the beloved forensic anthropologist got her start in the lab—together in a single print edition for the first time. From #1 bestselling author Kathy Reichs comes a captivating array of stories that show you Temperance Brennan as you’ve never seen her before. In *Bones in Her Pocket*, Temperance Brennan is called to investigate a bag of human remains discovered in North Carolina. Tempe discovers that the remains are those of a young graduate student who disappeared. The student had unexplained ties to a radical eco-activist nearby, and soon Tempe's passion for crime solving leads her into danger of her own. At the opening of *Swamp Bones*, Tempe takes a much-needed vacation in the Florida Everglades, where she visits a friend researching Burmese pythons. But Tempe’s reverie is shattered when she discovers human remains and the telltale signs of murder by a very different kind of predator. *Bones on Ice* sees Temperance Brennan called to investigate an unusual discovery: an earthquake on Mount Everest that has unearthed a mummified corpse. But what starts as a typical case soon raises more questions. Was the young woman’s death an accident? Why aren’t the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? And in *First Bones*, readers finally get a never-before-seen look at how a young Dr. Temperance Brennan first got her start in the lab. Suspenseful, thrilling, and pacy, *The Bone Collection* is perfect for fans of the *Bones* series both old and new.

Bones Never Lie (with bonus novella Swamp Bones) Kathy Reichs,2014-09-23 NEW YORK TIMES BESTSELLER • This ebook edition contains a special preview of Kathy Reichs’s upcoming novel *Two Nights*. The evidence is irrefutable: In sixteen New York Times bestsellers over the course of as many years, Kathy Reichs has proven herself “a genius at building suspense” (New York Daily News). In forensic anthropologist Temperance Brennan, Reichs has created a detective fiction heroine who’s brilliant to the bone. “Every minute in the morgue with Tempe is golden,” says The New York Times Book Review. In the acclaimed author’s thrilling new novel, Brennan is at the top of her game in a battle of wits against the most monstrous adversary she has ever encountered. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs never fails to satisfy readers looking for psychological suspense that’s more than skin-deep. Don’t miss Kathy Reichs’s short story “Swamp Bones” in the back of the book. “Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.”—James Patterson “Nobody does forensics thrillers like Kathy Reichs. She’s the real deal.”—David Baldacci “Kathy Reichs continues to be one of the most distinctive and talented writers in the genre. Her legion of readers worldwide will agree with me when I declare that the more books she writes, the more enthusiastic fans she’ll garner.”—Sandra Brown “Each book in Kathy Reichs’s fantastic Temperance Brennan series is better than the last. They’re filled with riveting twists and turns—and no matter how many books she writes, I just can’t get enough!”—Lisa Scottoline “I love Kathy Reichs—always scary, always suspenseful, and I always learn something.”—Lee Child “Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic.”—Entertainment Weekly “Tempe Brennan is the lab lady most likely to dethrone Patricia Cornwell’s Kay Scarpetta.”—USA Today “Reichs always delivers a pulse-pounding story.”—Publishers Weekly
