The Friend (National Book Award Winner) Sigrid Nunez, 2019-02-05 WINNER OF THE 2018 NATIONAL BOOK AWARD FOR FICTION SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD NEW YORK TIMES BESTSELLER A beautiful book ... a world of insight into death, grief, art, and love. —Wall Street Journal A penetrating, moving meditation on loss, comfort, memory...Nunez has a wry, withering wit. —NPR Dry, allusive and charming...the comedy here writes itself.” The New York Times A moving story of love, friendship, grief, healing, and the magical bond between a woman and her dog. When a woman unexpectedly loses her lifelong best friend and mentor, she finds herself burdened with the unwanted dog he has left behind. Her own battle against grief is intensified by the mute suffering of the dog, a huge Great Dane traumatized by the inexplicable disappearance of its master, and by the threat of eviction: dogs are prohibited in her apartment building. While others worry that grief has made her a victim of magical thinking, the woman refuses to be separated from the dog except for brief periods of time. Isolated from the rest of the world, increasingly obsessed with the dog's care, determined to read its mind and fathom its heart, she comes dangerously close to unraveling. But while troubles abound, rich and surprising rewards lie in store for both of them. Elegiac and searching, *The Friend* is both a meditation on loss and a celebration of human-canine devotion.

Friend Paek Nam-nyong,2020-05-05 Paek Nam-nyong's Friend is a tale of marital intrigue, abuse, and divorce in North Korea. A woman in her thirties comes to a courthouse petitioning for a divorce. As the judge who hears her statement begins to investigate the case, the story unfolds into a broader consideration of love and marriage. The novel delves into its protagonists' past, describing how the couple first fell in love and then how their marriage deteriorated over the years. It chronicles the toll their acrimony takes on their son and their careers alongside the story of the judge's own marital troubles. A best-seller in North Korea, where Paek continues to live and write, Friend illuminates a side of life in the DPRK that Western readers have never before encountered. Far from being a propagandistic screed in praise of the Great Leader, Friend describes the lives of people who struggle with everyday problems such as marital woes and workplace conflicts. Instead of socialist-realist stock figures, Paek depicts complex characters who wrestle with universal questions of individual identity, the split between public and private selves, the unpredictability of existence, and the never-ending labor of maintaining a relationship. This groundbreaking translation of one of North Korea's most popular writers offers English-language readers a page-turner full of psychological tension as well as a revealing portrait of a society that is typically seen as closed to the outside world.

My Friend Elisa Amado,2019-10-01 From acclaimed author and translator Elisa Amado and award-winning illustrator Alfonso Ruano, My Friend is the story of the meaning of friendship in the life of an immigrant child. Friendship — to be known, to be accepted as you are, to feel safe, especially when you are vulnerable. The girl in this story has recently arrived in Brooklyn with her family. On her very first day at school she meets a girl who almost instantly becomes her very best friend. She feels known, loved and accepted by her. But when she invites her friend to come for dinner with her family — a family that feels free to eat weird food and, even worse, burst into song with their version of a sentimental classic of longing and homesickness — something shifts and she no longer feels safe at all. What will it be like tomorrow at school? Award-winning illustrator Alfonso Ruano's art beautifully depicts the depth of feeling that the friends experience in this story from acclaimed author and translator Elisa Amado, about how difficult it is to come from somewhere else and what a difference friendship can make. How to Be a Friend Marcus Tullius Cicero,2018-10-09 A splendid new translation of one of the greatest books on friendship ever written In a world where social media, online relationships, and relentless self-absorption threaten the very idea of deep and lasting friendships, the search for true friends is more important than ever. In this short book, which is one of the greatest ever written on the subject, the famous Roman politician and philosopher Cicero offers a compelling guide to finding, keeping, and appreciating friends. With wit and wisdom, Cicero shows us not only how to build friendships but also why they must be a key part of our lives. For, as Cicero says, life without friends is not worth living. Filled with timeless advice and insights, Cicero's heartfelt and moving classic—written in 44 BC and originally titled *De Amicitia*—has inspired readers for more than two thousand years, from St. Augustine and Dante to Thomas Jefferson and John Adams. Presented here in a lively new translation with the original Latin on facing pages and an inviting introduction, *How to Be a Friend* explores how to choose the right friends, how to avoid the pitfalls of friendship, and how to live with friends in good times and bad. Cicero also praises what he sees as the deepest kind of friendship—one in which two people find in each other “another self” or a kindred soul. An honest and eloquent guide to finding and treasuring true friends, *How to Be a Friend* speaks as powerfully today as when it was first written.
