community brims with old-fashioned box socials, smart-alecky students, and pranks involving pink duct tape and black pepper. Meet the young women who manage to be late for church twice in one day and the man who plans to fight drowsiness by jogging beside his horse and buggy. Cheer for Beachy and his cousins in cut-throat baseball games, and join community members as they surround and support a family in their loss. With the witty warmth of small-town storytellers like Garrison Keillor and Jan Karon, Beachy invites readers into his life as a creative, wise, and wisecracking Old Order Amish schoolteacher and auctioneer. Hear straight from Amish people themselves as they write about their daily lives and deeply rooted faith in the Plainspoken series from Herald Press. Each Plainspoken book includes “A Day in the Life of the Author” and the author’s answers to FAQs about the Amish.

Cowgirl Is a State of Mind Laurie Hartman, 2012-08 Little does Riley Montgomery know that when she spends the night at an abandoned farm house instead of making it to a rodeo as planned, it's just the beginning of a series of ups and downs. She ultimately quits her job at a prestigious law firm in a big city, temporarily trades barrel racing for restoration and finds herself in a relationship with the kind of man she would never expect. But when things really fall apart, it's Riley's cowgirl attitude that gets her through, and as this heartwarming novel unfolds it reminds us that things aren't always what they seem.

The Art of Becoming An Artist Daryl Lynn Starr Rank, 2017-03-17 Being an artist can be the most enchanting life imaginable – and the most tormenting. Finding your way to your own creative universe is an extraordinary and infinitely surprising journey. Still, every artist falters at some point. Call it what you will: blocks, obstacles, hitting the wall, tossing your painting into the ocean, or shredding your manuscript – we have all stumbled, we have all shut down. Based on the concept that creativity is unique to each individual, *The Art of Becoming an Artist* is designed to help artists discover the myriad, astonishing factors – social, educational, political, psychological, and personal history – that both enhance and interfere with our creativity. There is no “right” way to get to one’s art. There is only YOUR way. Finding that way is every artist’s goal. Using safe, gentle, revealing techniques to aid readers’ self-examination, *The Art of Becoming an Artist* produces epiphany after epiphany as it

guides artists into shedding the restraints that are shutting them down. Artists of any stripe will find hope, excitement, and joy in this compassionate but thrilling process.
