Burn Baby Burn Meg Medina, 2016-03-08 While violence runs rampant throughout New York, a teenage girl faces danger within her own home in Meg Medina's riveting coming-of-age novel. Nora Lopez is seventeen during the infamous New York summer of 1977, when the city is besieged by arson, a massive blackout, and a serial killer named Son of Sam who shoots young women on the streets. Nora's family life isn't going so well either: her bullying brother, Hector, is growing more threatening by the day, her mother is

helpless and falling behind on the rent, and her father calls only on holidays. All Nora wants is to turn eighteen and be on her own. And while there is a cute new guy who started working with her at the deli, is dating even worth the risk when the killer likes picking off couples who stay out too late? Award-winning author Meg Medina transports us to a time when New York seemed balanced on a knife-edge, with tempers and temperatures running high, to share the story of a young woman who discovers that the greatest dangers are often closer than we like to admit — and the hardest to accept.

Watch You Burn Amanda Searcy, 2018-10-23 From the author of *The Truth Beneath the Lies*, which the bestselling author of *One of Us Is Lying*, Karen M. McManus, called smart, suspenseful, and unpredictable, comes a psychological thriller about a girl who must keep her arsonist ways hidden--or watch her life go up in flames like a wildfire. Jenny didn't want to move to the creepy, possibly haunted town with her dad. But the cops are on to her, and the only way she can protect herself is by moving as far away from her hometown as possible and staying out of trouble. But even after she moves, Jenny still gets the itch. The itch to light a match and then watch it burn. It's something she hasn't been able to stop, ever since an accident years ago. Now, in a new town, Jenny has the strange feeling that someone

is watching her every move. Will her arsonist ways be exposed? Or is the burning truth deep inside her a greater danger?

Fire with Fire Jenny Han, Siobhan Vivian, 2013-08-13 Secrets prove deadly in book two of the Burn for Burn trilogy from New York Times bestselling author of To All the Boys I've Loved Before (soon to be a major motion picture!), Jenny Han, and New York Times bestselling author of The List, Siobhan Vivian. Lillia, Kat, and Mary had the perfect plan. Work together in secret to take down the people who wronged them. But things didn't exactly go the way

they'd hoped at the Homecoming Dance. Not even close. For now, it looks like they got away with it. All they have to do is move on and pick up the pieces, forget there was ever a pact. But there is something seriously wrong with sweet, little Mary. If she can't control her anger, she's sure someone will get hurt. Mary understands now that it's not just that Reeve bullied her—it's that he made her love him. It seems once a fire is lit, the only thing you can do is let it burn...

The Big Burn Timothy Egan, 2009-10-19 National Book

Award-winner Timothy Egan turns his historian's eye to the largest-ever forest fire in America and offers an epic, cautionary tale for our time. On the afternoon of August 20, 1910, a battering ram of wind moved through the drought-stricken national forests of Washington, Idaho, and Montana, whipping the hundreds of small blazes burning across the forest floor into a roaring inferno that jumped from treetop to ridge as it raged, destroying towns and timber in the blink of an eye. Forest rangers had assembled nearly ten thousand men to fight the fires, but no living person had seen anything like those flames, and neither the rangers nor anyone else knew how to subdue them. Egan recreates the struggles of the overmatched rangers against the implacable fire with unstoppable dramatic force, and the larger story of outsized president Teddy Roosevelt and his chief forester, Gifford Pinchot, that follows is equally resonant. Pioneering the notion of conservation, Roosevelt and Pinchot did nothing less than create the idea of public land as our national treasure, owned by every citizen. Even as TR's national forests were smoldering they were saved: The heroism shown by his rangers turned public opinion permanently in favor of the forests, though it changed the mission of the forest service in ways we can still witness today. This e-book includes a sample

chapter of SHORT NIGHTS OF THE SHADOW CATCHER.

Burn for You Hannah Blowers,2022-10-04 He got me out of my clothes the night we met. I was soaking wet and extremely dirty. And he swept me off my feet and gave me a ride I'll never forget. Unfortunately, not that kind of wet or dirty, and not that kind of ride. He literally swept me off my feet when I was walking on the side of the road in the pouring rain, he blinded me with his headlights and I landed in a ditch. At first I thought Asher Evans might be a serial killer with his dangerously blue eyes, a My Little Pony blanket and

his insistence on getting me into his vehicle, but it turns out he's a firefighter and a single dad with three daughters. He's always wanted to save people, and I've always wanted to be saved. It's a match made in heaven—a platonic match. He's my boss who's fifteen years older than me, and I'm the nanny of his children. Romantically speaking, he's off limits. For the first time in my life, I have a home. A family. And I can't let anything or anyone destroy that. Definitely not some smoldering hot dad with a chiseled jaw, a panty-melting smile and three adorable daughters who almost instantly clawed their way into my heart. Because falling for him could burn everything I've built with the Evans family to the ground.

With time running out and enemies operating around the globe, the chase is on. The only solution is to burn them all to the ground or die trying. For a thrilling look into the dark future, grab **Hard Burn**, the latest pulse-pounding chapter in the Stefan Mendoza cyberpunk series today.

Burn for You Avery Kingston, 2018-11-11 Scott and Tori have promised forever to each other. But for a girl whose life has been full of misfortune-forever is a fantasy word that only exists in fairy tales and fables. In spite of blow after blow Tori still fights to grab onto her happily ever after with Scott. But as the wedding looms on the horizon, the demons of her past resurface with a vengeance-and this time they're dragging him down with her. For Scott, to sacrifice himself for his bride is not even a question. It's his duty, his honor. The man goes down; the girl goes free. That is his mantra. His father ingrained it in him, the military further instilled it in him and his

sons will someday live and die by the same creed. His headstrong woman believes this shouldn't be his battle to fight, and she'll go to any length to protect those she loves. *Till Death Us Do Part* takes on a whole new meaning when both are willing to burn for each other. *Burn For You* is part three in Scott and Tori's epic love story. Shakespeare Survey: Volume 57, Macbeth and Its Afterlife Peter Holland, 2008-01-31 *Shakespeare Survey* is a yearbook of Shakespeare studies and production. Since 1948 *Survey* has published the best

international scholarship in English and many of its essays have become classics of Shakespeare criticism.
