Benedict Hall Cate Campbell,2013-06-01 In this richly layered debut novel, Cate Campbell introduces the wealthy Benedict family and takes us behind the grand doors of their mansion, Benedict Hall. There, family and servants alike must face the challenges wrought by World War I--and the dawn of a new age brimming with scandal, intrigue, and social change. Seattle in 1920 is a city in flux. Horse-drawn carriages share the cobblestone streets with newfangled motor cars. Modern girls bob their hair and show their ankles, cafés defy Prohibition by serving dainty teacups of whisky to returning vets--and the wartime boom is giving way to a depression. Even within the Benedicts' majestic Queen Anne home, life is changing--above and below stairs. Margot, the Benedicts' free-spirited daughter, struggles to succeed as a physician despite gender bias--and personal turmoil. The household staff, especially longtime butler Abraham Blake, have always tried to protect Margot from her brother Preston's cruel streak. Yet war has altered Preston too--not for the better. And when a chance encounter brings a fellow army officer into the Benedict fold, Preston's ruthlessness is triggered to new heights. An engineer at the fledgling Boeing company, Frank Parrish has been wounded body and soul, and in Margot, he senses a kindred spirit. But their burgeoning friendship and Preston's growing wickedness will have explosive repercussions for everyone at Benedict Hall--rich and poor, black and white--as Margot dares to follow her own path, no matter the consequences.

**Demonglass (A Hex Hall Novel)** Rachel Hawkins,2012-02-07 The critics have spoken—this New York Times best-seller is impossible to put down! Teens and reviewers alike have fallen in love with Demonglass' humor, forbidden romance, suspense, and delicious paranormal fun. Sophie Mercer thought she was a witch, which was why she was sent to Hex Hall, a reform school for delinquent Prodigium (aka witches, shapeshifters, and fairies). But that was before she discovered she's a demon, and her hot crush, Archer Cross, is an agent for The Eye, a group bent on wiping her kind off the face of the earth. What’s worse, Sophie has powers that threaten the lives of everyone she loves. Which is why she decides to go to London for the Removal, a risky procedure that will either destroy her powers forever—or kill her. But once Sophie arrives, she makes a shocking discovery: someone is raising new demons in secret and planning to use their powers to destroy the world. Meanwhile, The Eye is set on hunting Sophie down, and they’re using Acher to do it. But it’s not like she has feelings for him anymore. Does she?

**This Bright Future** Bobby Hall,2021-09-07 The instant New York Times bestseller and “inspiring and vulnerable” (Trevor Noah) memoir from Bobby Hall, the multiplatinum recording artist known as Logic and the #1 bestselling author of Supermarket. This Bright Future is a raw and unfiltered journey into the life and mind of Bobby Hall, who emerged from the wreckage of a horrifically abusive childhood to become an era-defining artist of our tumultuous age. A self-described orphan with parents, Bobby Hall began life as Sir Robert Bryson Hall II, the only child of an alcoholic, mentally ill mother on welfare and an absent, crack-addicted father. After enduring seventeen years of abuse and neglect, Bobby ran away from home and—with nothing more than a discarded laptop and a ninth-grade education—he found his voice in the world of hip-hop and a new home in a place he never expected: the untamed and uncharted wilderness of the social media age. In the message boards and livestreams of this brave new world, Bobby became Logic, transforming a childhood of violence, anger, and trauma into music that spread a resilient message of peace, love, and positivity. His songs would touch the lives of millions, taking him to dizzying heights of success, where the wounds of his childhood and the perils of Internet fame would nearly be his undoing. A landmark achievement in an already remarkable career, This Bright Future “is just like the author—fearless, funny, and full of heart” (Ernest Cline, #1 New York Times bestselling author of Ready Player One) and looks back on Bobby’s extraordinary life with lacerating humor and fearless honesty. Heart-wrenching yet ultimately uplifting, this book completes the incredible true story and transformation of a human being who, against all odds, refused to be broken.

**How to Bang a Billionaire** Alexis Hall,2017-04-18 Rules are made to be broken . . . If England had yearbooks, I'd probably be Arden St. Ives: Man Least Likely to Set the World on Fire. So far, I haven't. I've no idea what I'm doing at Oxford, no idea what I'm going to do next and, until a week ago, I had no idea who Caspian Hart was. Turns out, he's brilliant, beautiful . . . oh yeah, and a billionaire. It's impossible not to be captivated by someone like that. But Caspian Hart makes his own rules. And he has a lot of them. About when I can be with him. What I can do with him. And when he'll be through with me. I'm good at doing what I'm told in the bedroom. The rest of the time, not so much. And now that Caspian's shown me glimpses of the man behind the billionaire I know it's him I want. Not his wealth, not his status. Him. Except that might be the one thing he doesn't have the power to give me. Arden and Caspian's love story continues in How to Blow It with a Billionaire, coming Fall 2017.

*Across The Hall* vernell bass,2013-06-12 Over twenty years ago an event occurred in Milwaukee, Wisconsin that shocked the nation as well as the world. His name has been spoken from lips of many people and continues to do so. It has never before been revealed about what it was like to live across the hall from one of the world's most evil serial killers. Imagine moving into what's considered to be one of the nicest buildings in a troublesome and drug infested area and soon after you begin to notice a horrible odor unlike anything you have ever smelled but there's no way of knowing what it is or where it's coming from? What would you do? It has never been written about how life was living in the Oxford Apartments in 1991 across the hall from Jeffrey Dahmer before now. My story tells what I did as I didn't have to imagine how it was. So come with me as I tell about my life, during a time when I lived only small steps away from the door of TERROR.

The world as they know it is shifting and if the whispered predictions are correct, all life on Earth will be shattered. Though the trees guide her to safety, persuading others to follow is a challenge. **Faithful Account of the Race** Stephen G. Hall,2010-05-07 The civil rights and black power movements expanded popular awareness of the history and culture of African Americans. But, as Stephen Hall observes, African American authors, intellectuals, ministers, and abolitionists had been writing the history of the black experience since the 1800s. With this book, Hall recaptures and reconstructs a rich but largely overlooked tradition of historical writing by African Americans. Hall charts the origins, meanings, methods, evolution, and maturation of African American historical writing from the period of the Early Republic to the twentieth-century professionalization of the larger field of historical study. He demonstrates how these works borrowed from and engaged with ideological and intellectual constructs from mainstream intellectual movements including the Enlightenment, Romanticism, Realism, and Modernism. Hall also explores the creation of discursive spaces that simultaneously reinforced and offered counter narratives to more mainstream historical discourse. He sheds fresh light on the influence of the African diaspora on the development of historical study. In so doing, he provides a holistic portrait of African American history informed by developments within and outside the African American community.
