Highlights

Hidden Helen Frost, 2016-09-06 When Wren Abbott and Darra Monson are eight years old, Darra's father steals a minivan. He doesn't know that Wren is hiding in the back. The hours and days that follow change the lives of both girls. Darra is left with a question that only Wren can answer. Wren has questions, too. Years later, in a chance encounter at camp, the girls face each other for the first time. They can finally learn the truth—that is, if they're willing to reveal to each other the stories that they've hidden for so long. Told from alternating viewpoints, this novel-in-poems reveals the complexities of memory and the strength of a friendship that can overcome pain.

Hidden Miriam Halahmy, 2016-09-15 What if someone's future was entirely in your hands? For fourteen-year-old Alix, life on Hayling Island off the coast of England seems insulated from problems such as war, terrorism and refugees. But then, one day at the beach, Alix and her friend Samir pull a drowning man out of the incoming tide. Mohammed, an illegal immigrant and student, has been tortured by rebels in Iraq for helping the allied forces and has spent all his money to escape. Desperate not to be deported, Mohammed's destiny now lies in Alix's hands, and she is faced with the biggest moral dilemma of her life. Should she notify the authorities or try to protect Mohammed? How can she keep him safe? Exciting and thought-provoking, this novel provides a compelling, personal look at a contemporary issue, inspired by true stories and informed by the author's work with refugees and asylum seekers. Nominated for the Carnegie Medal.

Hidden Rebecca Zanetti, 2018-09-25 “A fast-paced, excitement-filled explosion of action.” —RT Book Reviews on Marked, 4.5 Stars Top Pick Hide. That’s all Pippa can do to escape the terror chasing her. But now that she’s off the grid in a safe house, she finds plenty of interesting things to watch through the window. Like her new neighbor, with his startling green eyes, killer smile, and sexy bad-

boy tattoo . . . “Sizzling sex scenes and a memorable cast.” —Publishers Weekly on Claimed Run. Malcolm West is fleeing the hell he unleashed in his last assignment as an undercover cop. A backwoods bungalow sounds like the perfect place to start over. Until he discovers he’s been set up . . . “Fast-paced romance . . . very compelling. Highly recommended.” —Library Journal Fight. Someone’s gone to a lot of trouble to bring them together. No matter how much he resents that, and his own driving needs, Malcolm will have to dig deep and let loose the banished killer inside himself, or Pippa’s fears could come true faster than the flip of a bolt in a lock . . . “Sexy . . . packed with action and danger—a real page turner.” —New York Times bestselling author Kat Martin

Hidden New York Marci Reaven, Steve Zeitlin, 2006-10-05 Despite its innumerable tourist attractions, New York City still has many secrets, hidden in the most unlikely places. There is the Edison Hotel in Times Square, where magicians gather 'round the Magic Table to socialize and compete. There is Hua Mei Garden in the Lower East Side, where elderly Chinese men meet to display exotic birds. And there is Sahadi's in Brooklyn, where the culinary arts thrive, and New Yorkers go for just the right ingredients for a Middle Eastern meal. This book details thirty-two unusual locations such as these and enhances them by including a cluster of additional, related spots. Hidden New York shows you why these places matter and guides you through the historical and cultural significance of each one. Many of them matter because of the opportunities they provide for socializing, such as the Empire Roller Disco in Brooklyn that attracts a community of skaters and the Cube sculpture on Astor Place, which is a meeting spot for homeless youth. Others matter because they are focal points for communities and the spaces are intertwined with how people share in each others' lives. Still others have been lost, like the house under the roller coaster in Coney Island, made famous by Woody Allen in Annie Hall. This book is not just about Manhattan, but covers all five boroughs in New York City. It is

an invitation to visit, revisit, learn, and enjoy all that you didn't know the city has to offer. It will show you what's there, what used to be there, and why it will be there for years to come. The chapters, illustrated with appealing black-and-white photos, include first-person remembrances and commentaries from New Yorkers themselves. Each entry functions as a small travel essay, evoking how certain destinations are experienced. As a guide to the New York City that is less traveled, this unique book shows that some of the best places to visit are ones that you never even thought existed. The 32 Places That Matter Hua Mei Bird Garden Russian and Turkish Tenth Street Baths Bohemian Hall and Beer Garden The Magic Table at the Edison Hotel The General Society of Mechanics and Tradesman Webster Hall The Cube Stickball Boulevard and the Stadiums of the Street Thomas Jefferson Park Pool Empire Roller Skating Center Chess Havens Coney Island The Lemon Ice King of Corona Coney Island Bialys and Bagels Sahadi's Specialty and Middle Eastern Foods Arthur Avenue Market Union Square Greenmarket The Village Vanguard Casa Amadeo Record Shop Richmond Barthé's Frieze at Kingsborough Houses Quirky Features of the Landscape Art in the Subways Governors Island Casita Rincón Criollo, Magnolia Tree Earth Center, Liz Christy Bowery-Houston Community Garden The Flower District Fishing around New York Kehila Kedosha Janina Synagogue and Museum Masjid Al-Taqwa Ganesha Hindu Temple Our Lady of Mount Carmel Grotto The Memorials of the Battery Strawberry Fields

The Hidden Book in the Bible Richard Elliott Friedman, 2009-06-23 Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this

prose masterpiece-the very heart of the Bible-to the extraordinary form in which it was originally written.

Hidden Fern Michaels,2021-08-24 At first glance, few would guess that Luna and Cullan Bodman are siblings. Cullan, efficient and serious, is rarely out of a business suit. Luna reads palms and tarot cards, and loves flowing skirts and dangling jewelry that matches her unconventional spirit. Still, her artistic eye is an asset to the family's furniture restoration business. When Cullan stumbles across something unexpected in a piece he just acquired, and a client of Luna's reveals more than they should in a reading, the two put aside their differences to right a wrong. At stake is the future of a billion-dollar corporation, and as Luna and Cullan quickly discover, there are people who will stop at nothing to get what they believe they're owed--Provided by publisher.

Hidden Things Doyce Testerman,2012-08-21 A phone call from a soon-to-be-deceased ex-boyfriend launches a young woman on a bizarre road trip to a dark supernatural world hidden beneath America's heartland in this remarkably imaginative debut novel from an electrifying new voice in contemporary fantasy. With *Hidden Things*, author Doyce Testerman immediately takes his place alongside Neil Gaiman, Kim Harrison, and Melissa Marr by viewing modern-day America through a glass darkly and transforming our mundane world into a place where unseen monsters and paranormal beings have long inhabited the shadows. Among the *Hidden Things* in Testerman's exceptional first novel are goblins, dragons, a road-weary clown, and creatures that have never been categorized, joining a smart, tough, courageous female protagonist on a wild cross-country thrill ride that readers will never forget.

The Book of Hidden Things Francesco Dimitri,2018-07-03 From one of the most significant figures of the last generation of fantasy, comes Francesco Dimitri's debut novel in English, an

enthraling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

Among the Hidden Margaret Peterson Haddix, 2002-06-12 In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the *Shadow Children* series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is

willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

Hidden Hero, Book 3 of the Ancient Court Trilogy (Hidden Saga, Book 9) Amy Patrick ,2017-11-26

Raising Kids with Hidden Disabilities Naomi Simmons,2022-04-21 When it comes to parenting a child with a hidden disability, everyone seems to have an opinion. Here, Naomi Simmons writes from experience, offering new solutions for when conventional parenting strategies just don't work. Whether it be autism, ADHD, OCD, a mood or anxiety disorder with or without a diagnosis, if you have a child with any hidden disability, this is the book for you. Naomi Simmons is a parent of children with a range of hidden disabilities. She provides candid guidance on how best to support children in this situation - dealing with meltdowns, school avoidance, self-harm, anxiety and depression - and shares the experiences of others who really do 'get it'. Addressing common concerns and hurdles, this book helps you respond to your child's needs and challenges while developing their unique strengths and talents.

Hidden Transcripts and the Arts of Resistance Richard A. Horsley,2004 The essays in this volume develop the highly suggestive insights and theory of James C. Scott--especially those related to patterns of domination and subordination, the role of religion in supporting or opposing the powerful, and the arts of resistance by the subordinated--to tackle key issues in the interpretation of Jesus and Paul. All the contributors implicitly or explicitly assume a stance sympathetic with subordinated peoples of the past and present. While all pursue primarily critical literary, historical and social analysis on New Testament texts in historical contexts, some also examine historical or contemporary comparative materials. In addition, some even find Scott useful in critical self-examination of our own scholarly motives, stances, and approaches in relation to texts and their uses. --From publisher's

description.

Hidden Places Sarah Baxter, 2020-03-03 Wander off the beaten track to uncover the world's most secret destinations: discover an ancient gateway to the Mayan underworld, a mysterious underwater monument sunken off the Ryukyu Islands in Japan or a prehistoric village covered for centuries by a huge sand dune in the Orkney Islands. Travel journalist Sarah Baxter's evocative words instantly transport you to twenty-five of the world's most obscured places. From remote locations that visitors must trek and wade just to catch a glimpse of, to forgotten cities only recently revealed and places purposefully hidden as sanctuaries from persecution, each destination has a very human story at its heart. Savour a moment to delight in the serenity and seclusion of the secret escapes collected in this beautifully illustrated guide, full of surprise, wonder and sights otherwise unseen.

Hidden Hunger H.K. Biesalski, R.E. Black, B. Koletzko, 2016-05-24 Malnutrition caused by deficiencies of vitamins and minerals - also called hidden hunger - impairs both the intellectual and physical development of a child. Due to the absence of clinical symptoms and assessments, no intervention can be staged. The tragedy is that this, in turn, decreases the child's chance to escape from poverty. This book looks at malnutrition in high-income countries, the nutrition transition and nutritional deficiencies in low-income countries, consequences of hidden hunger, and interventions to improve nutrition security. Written by leading experts in the field, it clearly stresses that national governments and international organizations must make malnutrition one of their top priorities in order to provide children with optimal conditions for a healthy future.

Hidden in Despair Jeff Munoz, 2010-09 It tells the story of an older man who hides himself from the world after his wife is taken from him by the darkness in his soul. The girl is a high school student who is in despair when the guy who she loves ignores her and dates another girl, but will she ever find

happiness? will the old man escape the darkness and re enter the world he left so long ago?

The Hardest Hidden Pictures Book Ever Highlights,2021-03-09 Packed with dozens of the most difficult Hidden Pictures puzzles Highlights has ever created, this book is perfect for advanced puzzlers ages 8-12 looking for a next-level challenge! This jam-packed collection includes over 80 advanced Hidden Pictures puzzles, including photo puzzles, puzzles without clues, puzzles with scrambled clues and more. A great gift for anyone who loves a puzzle challenge, this engaging activity book is filled with more than 1,500 total objects to find. Kids (and grown-ups, too) will need to keep their eyes peeled searching through hilarious scenes like sloths playing ping pong, dogs enjoying a fiesta, and a fishy carnival. There are both full-color and classic black-and-white scenes to solve. Over 125 pages of puzzles adds up to hours of screen-free fun, great for keeping kids engaged during road trips or rainy afternoons at home. Plus, this book is crafted by puzzle experts to include learning benefits parents can count on. Searching for hidden objects is a great way for kids to develop important school skills like vocabulary, concentration and visual perception. Every puzzle solved will boost kids' confidence and encourage them to take on new challenges.

Pioneers, Hidden Champions, Changemakers, and Underdogs Mark J. Greeven,George S. Yip,Wei Wei,2019-04-09 An insider's view of China's under-the-radar, globally competitive innovators. Chinese innovators are making their mark globally. Not only do such giants as Alibaba and Huawei continue to thrive and grow through innovation, thousands of younger Chinese entrepreneurs are poised to enter the global marketplace. In this book, Mark Greeven, George Yip, and Wei Wei offer an insider's view of China's under-the-radar, globally competitive innovators. The authors, all experts on Chinese innovation, distinguish four types of innovators in China: pioneers, large companies that are globally known; hidden champions, midsize enterprises that are market leaders in their niches; underdogs,

technology-driven ventures with significant intellectual property; and changemakers, newer firms characterized by digital disruption, exponential growth, and cross-industry innovations. They investigate what kinds of innovations these companies develop (product, process, or business model), their competitive strategies, and key drivers of innovation. They identify six typical ways Chinese entrepreneurs innovate, including swarm innovation (collectively pursuing opportunities) and rapid centralized decision making. Finally, they look at how Chinese innovators are going global, whether building R&D networks internationally or exporting disruptive business models. The book includes many examples of Chinese innovators and innovations, drawn from a range of companies—from pioneers to changemakers—including Alibaba, Haier, Hikvision, Malong Technology, Weihua Solar, Mobike, and Cheetah Mobile. Greeven, Yip, and Wei offer an essential guide to what makes China a heavyweight competitor in the global marketplace.

Hidden Talents L E Dahlke, 2011-10-21 This book started as personal memoirs, so that L. E. Dahlke could someday sift through the rubble of his shattered life and hopefully make sense of it all. In a single afternoon his life came crashing down. Less than six months later, he found himself sitting in a friend's house where he was staying, looking down the barrel of a pistol. He didn't even have the guts to pull the trigger. He found himself alone and searching, extremely angry and bitter. The people and circumstances that brought him extreme pain have forced him to explore Christianity. With this, he has learned how to become what his wife and family need and desire, and what every church hopes for in a man. Perfection? Not a chance. Just a man who loves God and loves people. How are you doing? Think about it.

Becoming Half Hidden Daniel Merkur, 2014-03-18 First Published in 1993. Routledge is an imprint of Taylor & Francis, an informa company.

The Hidden Life of Jesus Henri-Marie Boudon, 2020-05-25 Reprint of the original, first published in 1869.

Hidden Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Hidden**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
