Him Elle Kennedy, Sarina Bowen, 2015-07-28

Us Elle Kennedy, Sarina Bowen, 2016-03-08 Can your favorite hockey players finish their first season together undefeated? Five months in, NHL forward Ryan Wesley is having a record-breaking rookie season. He's living his dream of playing pro hockey and coming home every night to the man he loves—Jamie Canning, his longtime best friend turned boyfriend. There's just one problem: the most important relationship of his life is one he needs to keep hidden, or else face a media storm that will eclipse his success on the ice. Jamie loves Wes. He really, truly does. But hiding sucks. It's not the life Jamie envisioned for himself, and the strain of keeping their secret is taking its toll. It doesn't help that his new job isn't going as smoothly as he'd hoped, but he knows he can power through it as long as he has Wes. At least apartment 10B is their retreat, where they can always be themselves. Or can they? When Wes's nosiest teammate moves in upstairs, the threads of their carefully woven lie begin to unravel. With the outside world determined to take its best shot at them, can Wes and Jamie develop major-league relationship skills on the fly? Warning: contains sexual situations, a vibrating chair, long-distance sexytimes and proof that hockey players look hot in any shade of green. I read HIM in one sitting--it's so, so good! If I had to pick two authors who I'd have team up, it would be Bowen and Kennedy -- #1 New York Times bestselling author Colleen Hoover HIM is my favorite read of 2015! Hot, sexy, romantic, funny, and full of heart. I LOVED Jamie and Wes! -- NYT Bestselling Author Lauren Blakely The way that Sarina Bowen and Elle Kennedy spun the tale of these two men falling and staying in love was absolutely timeless and beautifully real. --Audrey Carlan, #1 New York Times Best Selling Author Keywords: MM, male/male, hockey romance, hockey mm, sports romance, contemporary romance. Why Him? Why Her? Helen Fisher, 2009-01-20 A groundbreaking book about how your personality type determines who you love. Why do you fall in love with one person rather than another? In this fascinating and informative book, Helen Fisher, one of the world's leading experts on romantic love, unlocks the hidden code of desire and attachment. Each of us, it turns out, primarily expresses one of four broad personality types—Explorer, Builder, Director, or Negotiator—and each of these types is governed by different chemical systems in the brain. Driven by this biology, we are attracted to partners who both mirror and complement our own personality type. Until now the search for love has been blind, but Fisher pulls back the curtain and reveals how we unconsciously go about finding the right match. Drawing on her unique study of 40,000 men and women, she explores each personality type in detail and shows you how to identify your own type. Then she explains why some types match up well, whereas others are problematic. (Note to Explorers: be prepared for a wild ride when you hitch your star to a fellow Explorer!) Ultimately, Fisher's investigation into the complex nature of romance and attachment leads to astonishing new insights into the essence of dating, love, and marriage. Based on entirely new research—including a detailed questionnaire completed by seven million people in thirty-three countries—Why Him? Why Her? will change your understanding of why you love him (or her) and help you use nature's chemistry to find and keep your life partner.

Him Pierre Jeanty, 2018-08-16 The best-selling poet of HER & HER Vol. 2 returns with a different voice, on a different path, but with the same mission. HIM is a collection of he-poetry in a world of she-poems that tends to only refer to him when speaking ill. Through poetry and prose, Pierre wears his heart on paper and pens a tribute to men; their undelivered feelings, unrecognized strength, their loud silence, and their neglected complaints. HIM celebrates good men, their love, their worth, and their beauty. The characteristics that often fall into the shadows are now brought to life.

Save Him William M. Hayes, 2019-09-19 Discover the award-winning time-travel thriller that Blue Ink Reviews says combines the physics of chaos theory and the whiz-bang action of a techno thriller to fuel a military page-turner that tests the faith of everyone involved." Winner - 2022 Audiobook Reviewer's Award—Thriller—Time Travel Winner - 2022 Audiobook Reviewer's Choice Award Winner - 2021 Pinnacle Achievement Awards—Time Travel Winner - 2021 American Fiction Awards—Religious Thriller Winner - 2021 Pacific Book Awards—Thriller Winner - 2021 Firebird Book Awards—Time Travel Winner - 2021 International Impact Book Awards—Military Winner - 2020 Author Circle Awards - Novel of Excellence—Science Fiction Military scientist Rydel Scott has discovered time travel. He also believes he's received a message from God. The message: go back in time and save Jesus Christ from being crucified. When a secret mission involving one of his inventions goes horribly wrong, Rydel obsessively tries to learn what caused the system failure and, in doing so, stumbles upon a physics-bending ability to travel through time. Overworked and massively sleep-deprived, Rydel believes he has received a message from God—save God's son. And the man of science embarks on a world-changing quest to rescue Jesus. As he covers his tracks to journey back undetected, he neglects to factor in the consequences of a devastating butterfly effect. And he's

terrified to discover The Unit, a highly-trained team of elite soldiers, is hunting him down to stop him from making choices that could upend all of human history. Will The Unit find Rydel before he alters the past? And, if they find him, can some members of the elite force be persuaded to join Rydel on his mission to save Jesus Christ from the cross? "Save Him combines the physics of chaos theory and the whiz-bang action of a techno thriller to fuel a military page-turner that tests the faith of everyone involved." - Blue Ink Reviews "Every time I thought I had this book figured out a little bit it surprised me...and then did it again and again." - Amazon Review

Let's Praise Him Arvind Ephraim, 2021-07-29 Praising God has played a very important role in my life and ministry. For every challenge and need which I face in my life, I praise God and I have seen if I praise God for one topic for 10 hours then things turn. God takes control of things in my life as soon as I start praising Him. Amplified Bible says 1 Thessalonians 5:18 Thank [God] in everything [no matter what the circumstances may be, be thankful and give thanks], for this is the will of God for you [who are] in Christ Jesus [the Revealer and Mediator of that will]. God specially put on my heart to write this book which is 7 hours Praise, which we are doing for 3 days. The main purpose of the book is to Praise the Most High God. There are 12 praises per hour and each Praise should be given for 5 minutes. And Each day there are 252 praises. You can divide the days and hours mentioned in this book according to your convenience. I pray that many will see the power of God as they start praying and praising aloud these promises of God. God bless!

Let Him Lead Ludi Denis, 2022-03-15 Who are you letting lead your life? Life itself is hard why would we want to live a life of self dependent? I have made so many mistakes, I need the Lord to direct my every step. I have experienced the love of God. He has brought me to a place I never been before. He has gone before me and prepares me for me. The love of God has complete me. He made Himself real to me. I could go to Him anytime and He will speak to me and grant me the peace that is needed for each day. I learned to trust Him and take Him as His word. He said I will never leave you. We all need to have a relationship with our Lord. We might not understand everything, but one thing I know He is real and He is our hope. He had sent His son to die on the cross for our sins. That is love. We all need to believe in who He says He is. The truth is we are blind. There is so much to know about God. He led you to a family of love. He takes you away from issues we are tired of handling. Over and over He goes and protect me from making the same mistakes. Letting Him lead my life has been unexplainable. The love He gave is like no other.

The Shore of Him (The Sea of Her 6) Lynn Robin,2022-06-21 The sea has sent Leilani and Keanu back to Hibiscus Island. This is where it all began. And where it all will end. They soon become the people's hope for defeating the false Queen poisoning their ocean, their island, and even their children, but Leilani and Keanu both know that this battle is different from the one they fought against the Twins. This has become a war. One they cannot hope to win on their own. But even as familiar and unexpected allies arrive, Leilani and Keanu soon realize nothing is as it seems, and that they'll have to look with more than their eyes in order to see through the games that are played and the masks that are worn. As Yuka opens the hunt for the fourth Ocean Spirit in order to prevent Leilani and Keanu from awakening him, time is quickly slipping as shadows gather between the walls of the fallen castle where he resides. Even with their pasts and true identities unraveled, Leilani and Keanu both still have demons to conquer and choices to make. It brings them closer and deepens their love— but will it last, will the outcome to this war bind them together forever... or tear them apart instead?

Call Him Jack Yohuru Williams,Michael G. Long,2022-09-20 An enthralling, eye-opening portrayal of this barrier-breaking American hero as a lifelong, relentlessly proud fighter for Black justice and civil rights. According to Martin Luther King, Jr., Jackie Robinson was “a sit-inner before the sit-ins, a freedom rider before the Freedom Rides.” According to Hank Aaron, Robinson was a leader of the Black Power movement before there was a Black Power movement. According to his wife, Rachel Robinson, he was always Jack, not Jackie—the diminutive form of his name bestowed on him in college by white sports writers. And throughout his whole life, Jack

Robinson was a fighter for justice, an advocate for equality, and an inspiration beyond just baseball. From prominent Robinson scholars Yohuru Williams and Michael G. Long comes *Call Him Jack*, an exciting biography that recovers the real person behind the legend, reanimating this famed figure's legacy for new generations, widening our focus from the sportsman to the man as a whole, and deepening our appreciation for his achievements on the playing field in the process.
