

# Hiragana

Timothy G. Stout

**Writing Japanese Hiragana** Jim Gleeson, 2015-07-07 Put simply, practice is the most effective method of mastering written Japanese. The large, open format of *Writing Japanese Hiragana* invites the student to pick up a pencil and get started! Two phonetic syllabaries, hiragana and katakana, and a set of kanji characters based on Chinese ideographs are what comprises written Japanese. This workbook has been carefully designed to facilitate the quick and easy mastery of the forty-six character hiragana syllabary used to write all types of native words not written in kanji. An understanding of hiragana is essential for the serious student wishing to learn Japanese effectively. Each character is introduced with brushed, handwritten, and typed samples which enhance character recognition. Extensive writing space allows for maximum practice to facilitate memorization and ensure proper character formation. Entertaining illustrations and amusing examples of onomatopoeic usage of hiragana in Japanese writings further reinforce memorization in a fun way. *Writing Japanese Hiragana* is an easy-to-use and practical workbook tailored to the specific needs of young students of the Japanese language. Beginning students of all ages will delight in its fresh presentation.

**Japanese Hiragana & Katakana for Beginners** Timothy G. Stout, 2013-11-21 The method that's helped thousands in the U.S. and Japan learn Japanese successfully. The Japanese language has two basic writing systems, hiragana and katakana, in addition to the one that uses Chinese characters or Kanji. This handy book teaches you a new mnemonics-based method to read and write the basic 92 hiragana and katakana characters. Along with its sister book: *Japanese Kanji for Beginners* it provides a complete introduction to written Japanese. Memorable picture mnemonics help you to learn the characters by associating their shapes and sounds with combinations of images and English words already familiar to you. Clear examples and entertaining exercises offer opportunities to read, write, use and practice all 46 basic hiragana and 46 basic katakana characters, plus the remaining kana that stand for more complex sounds. Polish your knowledge with word searches, crossword puzzles, fill-in-the-blanks, timed recognition quizzes, and other interesting activities. The downloadable audio allows you to print out your own flash cards (featuring the same mnemonic images taught in the book) to help you review and practice, even while you're on the go.

*Let's Learn Hiragana* Yasuko Kosaka Mitamura, 2012-03-01 There are three types of Japanese script--katakana, hiragana, and kanji. It is possible to read Japanese knowing only a limited number of kanji, but it is not possible with only a limited number of katakana or hiragana--one must know all of them. *Let's Learn Hiragana*, and its companion volume *Let's Learn Katakana*, is a textbook that introduces the learner to the basics of one of these fundamental Japanese scripts. Being a workbook, it contains all the exercises that allow the student to master hiragana by the time the book has been finished. *Let's Learn Hiragana* is a classic in the field, and the huge number of students that have used it successfully is a sign of its preeminence as a self-study guide.

**Learning Japanese Hiragana and Katakana** Kenneth G. Henshall, Tetsuo Takagaki, 2013-12-20 *Learning Hiragana and Katakana* is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. *Learning Japanese Hiragana and Katakana* provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the

92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels. Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

**Japanese Hiragana and Katakana Practice Pad** Richard S. Keirstead, 2016-06-21 Japanese Hiragana & Katakana Practice Pad provides an enjoyable and motivating way for the learner to have practice in writing the syllables of the Japanese hiragana and katakana writing systems. There are a total of 365 practice sheets—one per day for a year of learning, or more than one per day for faster progress!—as well as basic instructions and extra sheets of blank squared paper for extra practice. The syllables are introduced in a logical order, along with their equivalents in the roman alphabet and several examples, and practice is given in using them to write simple, useful Japanese language words. Word-stroke diagrams are provided for each character. Structured space around the edge of each page allows the user to first trace the shapes on top of the models, and then write the syllables independently. This volume will provide a good foundation for anybody interested in mastering the basic kana syllables essential for learning Japanese.

*Japanese Hiragana & Katakana Flash Cards Kit* Glen McCabe, 2014-08-12 Learning to recognize and pronounce the basic hiragana and katakana phonetic alphabets is the first step in studying the Japanese language. This set of 200 flash cards along with accompanying booklet, wall charts, and audio disc contains everything you need to quickly gain mastery of the two Japanese syllabaries and is a great way to learn Japanese. Frequent review is the key to memorizing the characters, and these cards are easily carried in a pocket or purse for a quick review session anytime. This box contains: 200 hole-punched flash cards with an organizing ring. Two 24 x 18 wall charts showing all hiragana and katakana. Native-speaker audio recordings of 1,128 words and phrases. 32-page study booklet with indexes and practice tips. Also available from Tuttle Publishing, Japanese Kanji Flash Cards Kit can be used alongside these flash cards to master written Japanese.

**My First Hiragana Activity Book** Yuko Green,2000-01-01 Entertaining introduction to simple Japanese words from ahiru (duck) to yubi (finger). 336 ready-to-color illustrations accompany Japanese characters and English transliterations.

**Japanese Hiragana for Beginners** Timothy G. Stout,2013-12-19 Learn how to write all the basic Japanese hiragana with this user-friendly workbook. Japanese Hiragana for Beginners makes learning hiragana fast and effective by using memorable picture mnemonics, along with clear explanations, examples and lots of fun exercises—a method that has helped thousands of students learn hiragana successfully in the United States and Japan. Picture mnemonics enhance memory by associating the shape and sound of each hiragana character with combinations of images and English words already familiar to students. This Japanese language learning book is divided into three main sections: Section 1 introduces the basic 46 hiragana characters along with writing tips and practice exercises. Section 2 teaches the usage rules that allow students to write Japanese sounds. Section 3 strengthens students' skills through a wide range of exercises (word searches, crossword puzzles, fill in the blanks, visual discrimination, timed quizzes, etc). A set of flash cards printed on perforated cardstock and a list of suggested flash card activities, are also provided at the end of the book. Each of these cards introduces a hiragana character along with picture mnemonic that helps to recognize and remember it.

Remembering the Kana James W. Heisig,2007-04-30 Following on the phenomenal success of Remembering the Kanji, the author has prepared a companion volume for learning the Hiragana and Katakana syllabaries of modern Japanese. In six short lessons of about twenty minutes, each of the two systems of kana writing are introduced in such a way that the absolute beginner can acquire fluency in writing in a fraction of the time normally devoted to the task. Using the same basic self-taught method devised for learning the kanji, and in collaboration with Helmut Morsbach and Kazue Kurebayashi, the author breaks the shapes of the two syllabaries into their component parts and draws on what he calls imaginative memory to aid the student in reassembling them into images that fix the sound of each particular kana to its writing. Now in its third edition, Remembering the Kana has helped tens of thousands of students of Japanese master the Hiragana and Katakana in a short amount of time . . . and have fun in the process.

*Japanese Handwriting Hiragana Notebook* Japanese Writing Practice Book,2020-01-17 Only \$6.98! Kana a Day Practice Pad Richard S. Keirstead,2004-07-15 Master hiragana and katakana in just minutes a day with Kana A-Day Practice Pad. Perfect for both beginners studying the Japanese language and those wishing to hone their kana writing skills, this pad introduces one new kana on each sheet, with readings, stroke order, and sample vocabulary words. All hiragana and katakana are included, along with their sound

changes and combinations. For easy reference and review, a booklet listing all kana is included.

**The ABCs of Japanese** Cyrus Rolbin,2011 This is the Hiragana-only version - also available as combined Hiragana & Katakana. This workbook offers a fresh, innovative approach to mnemonic-based kana instruction - Japan-related vocabulary that students should already know (ka for karate) or words and phrases they should be soon learning (a for arigato). Characters are precisely fitted into soft, pleasant images of Japanese cultural terms and daily expressions. In order to memorize the mnemonics, a stimulating, supportive curriculum is presented through an integrated workbook, Audio soundtrack, and developing website package!

Learn Japanese hiragana Ponte Ryuurui,2015-09-19 Learn Japanese Hiragana is a complete and comprehensive textbook aimed at Japanese language students of all levels, as well as at anyone who is interested in Japan and its culture. It contains proper handwritten form of hiragana syllabograms, detailed etymology of each syllabogram, handwritten kanji in three calligraphy scripts from which given hiragana has evolved, sounds and their origins, handwritten charts with stroke orders, practice sheets, and information about the history of Japanese kana and even a brief overview of the evolution of Japanese calligraphy in order to draw a clear and easy to understand image of how hiragana was developed. Please also see my other book titled Learn Japanese Katakana.

Let's Learn Hiragana Yasuko Kosaka Mitamura,2012-03-01 There are three types of Japanese script--katakana, hiragana, and kanji. It is possible to read Japanese knowing only a limited number of kanji, but it is not possible with only a limited number of katakana or hiragana--one must know all of them. Let's Learn Hiragana, and its companion volume Let's Learn Katakana, is a textbook that introduces the learner to the basics of one of these fundamental Japanese scripts. Being a workbook, it contains all the exercises that allow the student to master hiragana by the time the book has been finished. Let's Learn Hiragana is a classic in the field, and the huge number of students that have used it successfully is a sign of its preeminence as a self-study guide.
