Home Marilynne Robinson,2009-09-22 Glory Boughton has returned to Gilead to care for her dying father. soon her brother, Jack—the prodigal son of the family, gone for twenty years—comes home too, looking for refuge and trying to make peace with a past littered with torment and pain. A troubled boy from childhood, an alcoholic who cannot hold a job, Jack is one of the great characters in recent literature. He is perpetually at odds with his surroundings and with his traditionalist father, though he remains Reverend Boughton’s most beloved child. Brilliant, beguiling, lovable and wayward, Jack forges an intense new bond with Glory and engages painfully with John Ames, his godfather and namesake. Home is a moving and healing book about families, family secrets and the passing of the generations, about love and death and faith. It is arguably Marilynne Robinson’s greatest work, an unforgettable embodiment of the deepest and most universal emotions.

Wild at Home Hilton Carter, 2019-04-09 Hilton Carter's love for plants is infectious... His lush and exuberant displays are inspiring reminders that plants can be so much more than neat little containers on a window sill. Grace Bonney, Founder and Editor-in-Chief, Design*Sponge Take a tour through Hilton's own apartment and other lush spaces, filled with a huge array of thriving plants, and learn all you need to know to create your own urban jungle. As the owner of over 200 plants, Hilton feels strongly about the role of plants in one's home – not just for the beauty they add, but for health benefits as well: 'having plants in your home not only adds life, but changes the airflow throughout. It's also a key design element when styling your place. For me, it wasn't about just having greenery, but having the right variety of greenery. I like to see the different textures of foliage all grouped together. You take a fiddle leaf fig and sandwich it between a birds of paradise and a monstera and.... yes!' You will be armed with the know-how you need to care for your plants, where to place them, how to propagate, how to find the right pot, and much more, and most importantly, how to arrange them so that they look their best. Combine sizes and leaf shapes to stunning effect, grow your own succulents from leaf cuttings, create your own air plant display, and more.

Safely Home Randy Alcorn, 2011-07-29 Is this the day I die? Li Quan asks himself this question daily, knowing that he might be killed for practicing his faith. American businessman Ben Fielding has no idea what his brilliant former college roommate is facing in China. He expects his old friend has fulfilled his dream of becoming a university professor. But when they are reunited in China after twenty years, both men are shocked at what they discover about each other. Thrown together in an hour of encroaching darkness, both must make choices that will determine not only the destinies of two men, but two families, two nations, and two worlds.

Halfway Home Reuben Jonathan Miller, 2021-02-02 A persuasive and essential (Matthew Desmond) work that will forever change how we look at life after prison in America through Miller's stunning, and deeply painful reckoning with our nation's carceral system (Heather Ann Thompson). Each year, more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record. Reuben Miller, a chaplain at the Cook County Jail in Chicago and now a sociologist studying mass incarceration, spent years alongside prisoners, ex-prisoners, their friends, and their families to understand the lifelong burden that even a single arrest can entail. What his work revealed is a simple, if overlooked truth: life after incarceration is its own form of prison. The idea that one can serve their debt and return to life as a full-fledge member of society is one of America's most nefarious myths. Recently released individuals are faced with jobs that are off-limits, apartments that cannot be occupied and votes that cannot be cast. As *The Color of Law* exposed about our understanding of housing segregation, *Halfway Home* shows that the American justice system was not created to rehabilitate. Parole is structured to keep classes of Americans impoverished, unstable, and disenfranchised long after they've paid their debt to society. Informed by Miller's experience as the son and brother of incarcerated men, captures the stories of the men, women, and communities fighting against a system that is designed for them to fail. It is a poignant and eye-opening call to arms that reveals how laws, rules, and

regulations extract a tangible cost not only from those working to rebuild their lives, but also our democracy. As Miller searchingly explores, America must acknowledge and value the lives of its formerly imprisoned citizens. Fun Home Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's *Persepolis*, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive.

Lovable Livable Home Sherry Petersik, John Petersik, 2015-09-22 This New York Times bestselling book is packed with thoughtful advice and inspiring photos to help you create a home filled with beauty and meaning. In the three years since Sherry and John Petersik wrote their bestselling

book *Young House Love*, they have bought a new house and had a new baby, and they have seen their design perspective evolve right along with their family. In their latest book, they've set out to prove that just because you have kids or pets doesn't mean you're sentenced to floors overrun with toys or furniture covered in plastic. Through never-before-seen makeovers in the Petersiks' own house, doable DIY projects, and a gallery of other inspiring spaces, *Lovable Livable Home* shows how beautiful homes can be functional too.

Home of the Brave Katherine Applegate, 2014-12-23 Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter – cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means family in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. *Home of the Brave* is a 2008 Bank Street - Best Children's Book of the Year.
