**In Touch** John J. Prendergast, Ph.D., 2015-04-01 Your body has a natural sense of truth. We can feel authenticity in ourselves and in others. However, this innate wisdom is obscured by our conditioning—the core limiting beliefs, reactive feelings, and somatic contractions that fuel our sense of struggle and veil who we really are. *In Touch* is a groundbreaking, experiential guide to the felt-sense of our “inner knowing”—the deep intelligence available through our bodies. Each chapter presents moving stories, helpful insights from spirituality, psychology, and science, and simple yet potent experiments for integrating the gifts of inner knowing into every aspect of daily life. Join pioneering psychotherapist and teacher Dr. John J. Prendergast to explore: • The phenomenon of “attunement”—how we accurately sense and resonate with ourselves and others—including an introduction to attachment theory, mirror neurons, and interoception (the ability to sense into the interior of your body) • Felt-sensing and the subtle body—our ability to have a whole-body sense of reality and how the seven major energy centers relate to common psychospiritual issues • “Shadows as portals”—how our dark and painful feelings and sensations can point us toward an essential radiance within • The art of identifying and undoing our core limiting beliefs • The four somatic qualities of inner knowing—relaxed groundedness, inner alignment, open-heartedness, and spaciousness—and how these subtle signals, once recognized, can guide our choices and help us to navigate life’s challenges • The fruits of inner knowing—the realization of who we are in our depths and the great intimacy with life we can all enjoy “As we tune into our deepest nature, our body relaxes, grounds, lines up, opens up, and lights up,” writes Prendergast. “So far this extraordinarily useful subtle feedback has been largely overlooked; almost nothing has been written about it. We need to both sense and decode these signals if we are to benefit from them. These bodily markers are here to be seen and used as guides to enable us to more gracefully navigate life and to awaken. They are part of our birthright, available to anyone.”

**Getting in Touch** Christine Caldwell, 1997-11-01 Covering such techniques as Hakomi, Dreambodywork, and The Moving Cycle, the founders of body-centered psychotherapy explain how they developed their methods, what happens during a therapy session, and who can best benefit from them. *10 Principles for Studying Your Bible* Charles Stanley, 2008-02-10 What would you give to have true contentment, joy without end, and lasting peace? Most of us would say, “Anything!” especially when we are dealing with the stormy pressures of life. In *10 Principles for Studying Your Bible*, Dr. Charles Stanley provides practical insight into God’s word by walking you through the highlights of his own personal Bible study. He explains, “You don’t have to go through life wondering if the next storm will be the one that washes your life out to sea. God has an answer for your greatest need, but it is only found in the study of His Word.” “God tells us that

if we seek Him, we will find Him," writes Dr. Stanley. "And when we uncover His truth, we gain clear direction for our lives and circumstances." Those who begin this journey into understanding the Bible quickly realize His Word is a doorway to divine principles and life's greatest blessings.

**Eternal Security** Charles F. Stanley, 1990-08-27 Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? If you say that my salvation is eternally secure and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of eternal security make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, *Eternally Secure* is an excellent choice for individual or group study. I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure. ?Charles Stanley Previously published in hardcover (0840790953).

**Touch** Courtney Maum, 2018-08-07 "[A] warm-hearted tale of a woman reconfiguring her priorities."—0, The Oprah Magazine NPR, Best Books of 2017 Belletrist's Book Pick for June New York Times Book Review, Editors' Choice Glamour, The 6 Juiciest Summer Reads" New York Post, "The 29 Best Books of the Summer" Huffington Post, "24 Incredible Books You Should Read This Summer" BuzzFeed, 22 Exciting Books You Need to Read This Summer Refinery 29, "The Best Reads of May Are Right Here" A heartfelt, hilarious tale of a famous trend forecaster who suddenly finds herself at odds with her own predictions...and her own heart. Estranged from her family, best friends with her driverless car, partnered with a Frenchman who believes in post-sexual sex, international trend forecaster Sloane Jacobsen is the perfect candidate to lead tech giant Mammoth's conference for affluent consumers who prefer virtual relationships to the real thing. But early in her contract, Sloane starts picking up on cues that physical intimacy is going to make a major comeback, leaving many--Sloane included--to question if the forty-year-old's intuitions are as dependable as they once were. And if Sloane goes rogue against her all-powerful employer, will she be able to let in the love and connectedness she's long been denying herself? A poignant but amusing call to arms that showcases Courtney Maum's signature humor, *Touch* is a moving investigation into what it means to be an individual in a globalized world.

**Courageous Faith** Charles F. Stanley, 2017-09-12 Dr. Stanley reflects on his long life of ministry and opens his heart to reveal the difficulties and battles, the joys and sorrows, and how God took a lonely boy from Dry Fork and empowered him to preach the Gospel around the world.

**In Touch** Oscar Castro, 1980

*In Touch* Marco Vassi, 2014-08-26 The woman trembled slightly in the chill breeze, her long hair stirring about her shoulders. Her dancer's body was a sculptor's dream. She stared straight ahead of her, and what the men behind her could not see was that a soaring sweep of sparkling awareness had captured her eyes. It was a bizarre tableau: the nuder and and superbly balanced woman at the edge of the precipice and the heavily clothed and armed men unable to get near her. And then came the cry. 'Please, don't jump.' For Martha Seligson, the totality of everything she had been taught, been made to feel and understand, had passed into the realm of illusion. Marco Vassi was, without a doubt, the foremost erotic writer of our generation. Praised by Norman Mailer, Kate Millett, Saul Bellow, and Gore Vidal, he was not only the ultimate sexual explorer, but a literary craftsman whose own life experiences became the stuff of his fiction--expanded, of course, by a grand imagination and a full sense of the absurd. Tragically, Vassi died from pneumonia after he had contracted AIDS.

**Practicing Basic Spiritual Disciplines** Charles F. Stanley, 2020-10-27 What spiritual disciplines do you follow to help you grow closer to God? Ultimately, these practices will lead to you becoming more like the Savior! You will learn how to develop these disciplines that build spiritual muscle, learn the ten hallmarks of spiritual strength, and discover the fruits of spiritual growth. Most important, you will learn about the character of God. The Charles Stanley Bible Studies are a unique approach to Bible study, incorporating biblical truth, personal insights, emotional responses, and a call to action. Each study draws on Dr. Stanley's many years of teaching on the guiding principles found in God's Word, showing how we can apply them in practical ways to every situation we face. This edition of the series has been completely revised and updated and includes two brand-new lessons from Dr. Stanley.

**Generations in Touch** Leng Leng Thang, 2001 A dilemma long faced by western societies--how to bring the generations together--is also of growing concern in the east. In Japan, where, until recently, the extended family often lived under the same roof, social programs designed to facilitate interaction between old and young have proliferated. Leng Leng Thang offers an in-depth view of one of those programs, an unusual social welfare institution called Kotoen. Kotoen is a pioneering facility for multigenerational living, providing both daycare for preschoolers and a home for elderly residents. With its twin mottoes of *fureai* (being in touch) and *daikazoku* (large extended family), it has been the subject of widespread media attention and has served as a model for other institutions. Yet Kotoen has never before been studied seriously. Under its director's inspiring leadership, Kotoen looks unusually promising, but Thang is wary of simplistic conclusions. Her interviews, research, and work as a volunteer at Kotoen reveal the complaints common among some elderly residents toward their surroundings in old age institutions as well as the painful persistence of the traditional family ideal. Yet far from calling the experiment a failure, Thang challenges accepted wisdom and so-called common sense to reveal the advantages and limitations of the relationships fostered between Kotoen's grandchildren and grandparents. The lessons learned from Kotoen illuminate the urgency of re-engaging the generations in an aging society and provide direction for improving the quality of life for all.

Yet Dr. Stanley contends, As much as we all want to know the answer to the why question, it is really not the most significant question. How to Handle Adversity helps you learn to Ask the right questions about adversity Become a comfort to others Rediscover the faithfulness of God Deal with pride and weakness Look at adversity from God's perspective Glorify God in your adversity If you are a child of God whose heart's desire is to see God glorified through you, adversity will not put you down for the count.
