The Monocle Book of Japan Tyler Brûlé, Andrew Tuck, Joe Pickard, 2020 The Monocle team celebrates the endlessly fascinating and culturally rich country of Japan.

A Short History of Italy Henry Dwight Sedgwick, 1905

A Brief History of Italy Jeremy Black, 2018-07-05 Despite the Roman Empire's famous 500-year reign over Europe, parts of Africa and the Middle East, Italy does not have the same long national history as states such as France or England. Divided for much of its history, Italy's regions have been, at various times, parts of bigger, often antagonistic empires, notably those of Spain and Austria. In addition, its challenging and varied terrain made consolidation of political control all the more difficult. This concise history covers, in very readable fashion, the formative events in Italy's past from the rise of Rome, through a unified country in thrall to fascism in the first half of the twentieth century right up to today. The birthplace of the Renaissance and the place where the Baroque was born, Italy has always been a hotbed of culture. Within modern Italy country there is fierce regional pride in the cultures and identities that mark out Tuscany, Rome, Sicily and Venice to name just a few of Italy's many famous regions. Jeremy Black draws on the diaries, memoirs and letters of historic travellers to Italy to gain insight into the passions of its people, first chronologically then regionally. In telling Italy's story, Black examines what it is that has given Italians such cultural clout - from food and drink, music and fashion, to art and architecture - and explores the causes and effects of political events, and the divisions that still exist today.

Out of Italy, 1450-1650 Fernand Braudel, 1991 By 1450, all of Europe and the Mediterranean were influenced by the teachings, the economies and the intellect of Italy. Its predominance had been achieved through a long history of effort, patience and strategic victories. How had Italy, or rather a handful of Italian cities, a few men all told, succeed in acquiring and maintaining a position of dominance vis-a-vis Byzantium, Islam, and western Europe? In this fascinating and insightful study, Fernand Braudel, one of the most distinguished historians of our time, examines the many-sided phenomenon of greatness that characterized Italy during the two centuries spanning the Renaissance, Mannerism, and the Baroque-- dazzling, multicoloured Italy, whose radiance shone all over Europe. Braudel perceptively describes the extent, nature and force of Italian influence abroad, analyses the complex interaction between art, science, politics and commerce, and proposes a paradigm of Italy's extraordinary cultural flowering. This is the first English translation of Braudel's now-classic text. The volume is beautifully designed and illustrated with works by Michelangelo, Raphael, Titian, Ghirlandaio, van Eyck, Rubens, Caron, and Poussin. It is an invaluable work for students of Italian history who will find that their understanding of Italian culture has been immeasurably enriched. Fernand Braudel was born in Lumeville-en-Ornois in 1902. He graduated in history in 1923, and subsequently taught in Algiers, Sao Paulo and Paris. Beginning in 1940 he spent five years as a

prisoner of war in Germany, during which he wrote his thesis *La Mediterranee et le monde mediterraneen a l'epoque de Philippe II*, published in France in 1949. In 1946 he became a member of the editorial board of the journal *Annales*, founded by Marc Bloch and Lucien Febvre. In 1949 he succeeded Febvre at the College de France. From 1962 to his death in 1985 Braudel was chief administrator of the Maison des Sciences de l'Homme. Fernand Braudel achieved a worldwide reputation for his line of approach that united history and other social studies. His *Civilization and Capitalism and The Mediterranean* were widely acclaimed. The second volume of Fernand Braudel's monumental *The Identity of France* was published in 1990.

Italy and the Italians in Washington's Time Richard Cecil Garlick, Angelo Flavio Guidi, Giuseppe Prezzolini, 1933

It Happened in Italy Elizabeth Bettina, 2011-01-04 One woman's discovery-and the incredible, unexpected journey it takes her on-of how her grandparent's small village of Campagna, Italy, helped save Jews during the Holocaust. Take a journey with Elizabeth Bettina as she discovers-much to her surprise-that her grandparent's small village, nestled in the heart of southern Italy, housed an internment camp for Jews during the Holocaust, and that it was far from the only one. Follow her discovery of survivors and their stories of gratitude to Italy and its people. Explore the little known details of how members of the Catholic church assisted and helped shelter Jews in Italy during World War II.

Planning a one- to two-week trip? Check out Rick Steves Best of Italy.

The Secrets of Italy Corrado Augias, 2014-04-01 One of Italy's best-known writers takes a Grand Tour through her cities, history, and literature in search of the true character of this contradictory nation. There is Michelangelo, but also the mafia. Pavarotti, but also Berlusconi. The debonair Milanese, but also the infamous captain of the Costa Concordia cruise ship. This is Italy, admired and reviled, a country that has guarded her secrets and confounded outsiders. Now, when this Italian paradox is more evident than ever, cultural authority Corrado Augias poses the puzzling questions: how did it get this way? How can this peninsula be simultaneously the home of geniuses and criminals, the cradle of beauty and the butt of jokes? An instant #1 bestseller in Italy, Augias's latest sets out to rediscover the story-different from the history-of this country. Beginning with how Italy is seen from the outside and from the inside, he weaves a geo-historical narrative, passing through principal cities and rereading the classics and the biographies of the people that have, for better or worse, made Italians who they are. From the gloomy atmosphere of Cagliostro's Palermo to the elegant court of Maria Luigia in Parma, from the ghetto of Venice to the heroic Neapolitan uprising against the Nazis, Augias sheds light on the Italian character, explaining it to outsiders and to Italians themselves. The result is a novel of a nation, whose protagonists are both the figures we know from history and literature and characters long hidden between the cracks of historical narrative and memory.

The Archipelago John Foot, 2019 'An enjoyable, highly readable history that manages to bring murky, often fiendishly complex events into the light' Sunday Times Italy emerged from the Second World War in ruins. Divided, invaded and economically broken, it was a nation that some people claimed had ceased to exist. And yet, as rural society disappeared almost overnight, by the 1960s, it could boast the fastest-growing economy in the world. In *The Archipelago*, historian John Foot chronicles Italy's tumultuous history from the post-war period to the present day. From the silent assimilation of fascists into society after 1945 to the artistic peak of neorealist cinema, he examines both the corrupt and celebrated sides of the country. While often portrayed as a failed state on the margins of Europe, Italy has instead been at the centre of innovation and change - a political laboratory. This new history tells the fascinating story of a country always marked by scandal but with the constant ability to re-invent itself. Comprising original research and lively insights, *The Archipelago* chronicles the crises and modernisations of more than seventy years of post-war Italy, from its fields, factories, squares and housing estates to Rome's political intrigue.

Through Italy with Car and Camera Dan Fellows Platt, 1908

Italy Anne Calcagno, 2001 This collection of the best literature on life and travel in Italy is completely revised and updated, and features articles from authors that include Tim Parks, Patricia Hampl, Mary Taylor Simeti, and others. Illustrations. Maps.

Italy Elizabeth Wiskemann, 1947

Italian Chic Andrea Ferolla, Daria Reina, 2018-07-01 Italy is a country synonymous with style and beauty in all aspects of life: the rich history of Rome, Renaissance art of Florence, graceful canals of Venice, high fashion of Milan, signature pasta alla bolognese of Bologna, colorful architecture of Portofino and winking blue waters of Capri and the Amalfi Coast, among many others. Italians themselves live effortlessly amid all this splendor, knowing instinctively just the type of outfit to throw on, design element to balance, or delectable ingredient to add.
