

James

Alice James

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Song of My Softening Omotara James,2024-02-01 Recommended by Cosmopolitan, USA Today, Shondaland, & Book Riot "It's not often that fat women feel such thorough representation of themselves not only in poetry but in any media and not only in the beautiful moments but in the sorrowful ones, ranging throughout life. James does a brilliant job of portraying this and all her themes brilliantly; highly recommended." –Starred review by Library Journal The raw poems inside Song of My Softening studies the ever-changing relationship with oneself, while also investigating the relationship that the world and nation has with Black queerness. Poems open wide the questioning of how we express both love and pain, and how we view our bodies in society, offering themselves wholly, with sharpness and compassion.

Love Me Whole Nicky James,2018-01-18 Twenty-eight-year-old Oryn Patterson isn't like other people. Being an extremely shy, social introvert is only part of the problem. Oryn has dissociative identity disorder. He may look like a normal man on the outside, but spend five minutes with him, and his daily struggles begin to show. Oryn shares his life and headspace with five distinctively different alters. Reed, a protective, very straight jock. Cohen, a flamboyantly gay nineteen-year-old who is a social butterfly. Cove, a self-destructive terror, whose past haunts him. Theo, an asexual man of little emotion, whose focus is on maintaining order. And Rain, a five-year-old child whose only concern is Batman.Vaughn Sinclair is stuck in a rut. When his job doesn't offer the same thrill it once did, he decides it's time to mix-up his stagnant, boring routine. Little does he know, the man he meets during an impromptu decision to return to college is anything but ordinary.Vaughn's heart defies logic, and he finds himself falling in love with this strange new man. But how can you love someone who isn't always himself? It may not be easy, but Vaughn is determined to try.

James N. T. Wright,2012-05-16 With a scholar's mind and a pastor's heart, N. T. Wright guides you through James to help you understand what it means to have the kind of faith that translates belief into action. That kind of faith, he explains, is the faith that matters, the faith that justifies, the faith that saves. Includes nine sessions for group or personal study.

Black Leopard, Red Wolf Marlon James,2019-02-05 One of TIME's 100 Best Fantasy Books of All Time Winner of the L.A. Times Ray Bradbury Prize Finalist for the 2019 National Book Award The New York Times Bestseller Named a Best Book of 2019 by The Wall Street Journal, TIME, NPR, GQ, Vogue, and The Washington Post A fantasy world as well-realized as anything Tolkien made. --Neil Gaiman Gripping, action-packed....The literary equivalent of a Marvel Comics universe. --Michiko Kakutani, The New York Times The epic novel from the Man Booker Prize-winning author of A Brief History of Seven Killings In the stunning first novel in Marlon James's Dark Star trilogy, myth, fantasy,

and history come together to explore what happens when a mercenary is hired to find a missing child. Tracker is known far and wide for his skills as a hunter: He has a nose, people say. Engaged to track down a mysterious boy who disappeared three years earlier, Tracker breaks his own rule of always working alone when he finds himself part of a group that comes together to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-animal known as Leopard. As Tracker follows the boy's scent--from one ancient city to another; into dense forests and across deep rivers--he and the band are set upon by creatures intent on destroying them. As he struggles to survive, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep Tracker from finding him? And perhaps the most important questions of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a novel unlike anything that's come before it: a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, *Black Leopard, Red Wolf* is both surprising and profound as it explores the fundamentals of truth, the limits of power, and our need to understand them both.

The Book of James Vince Miller, 2021-06-30

Atlas of Unknowns Tania James, 2009-04-21 An utterly irresistible first novel: The story of two sisters, the yearning to disappear into another country, and the powerful desire to return to the known world. • "Dazzling and deeply absorbing.... One of the most exciting debut novels since Zadie Smith's *White Teeth*." –San Francisco Chronicle Linno is a gifted artist, despite a childhood accident that has left her badly maimed, and Anju is one of Kerala's most promising students. Both girls dream of coming to the United States, but it is Anju who wins a scholarship to a prestigious school in New York. She seizes it, even though it means lying and betraying her sister. When her lie is discovered, Anju disappears. Back in Kerala, Linno is undergoing a transformation of her own. But when she learns of Anju's disappearance, Linno strikes out farther still, with a scheme to procure a visa so that she can come to America to look for her sister and save them both.

James the Brother of Jesus Robert H. Eisenman, 1998-03-01 James was a vegetarian, wore only linen clothing, bathed daily at dawn in cold water, and was a life-long Nazirite. In this profound and provocative work of scholarly detection, eminent biblical scholar Robert Eisenman introduces a startling theory about the identity of James—the brother of Jesus, who was almost entirely marginalized in the New Testament. Drawing on long-overlooked early Church texts and the Dead Sea Scrolls, Eisenman reveals in this groundbreaking exploration that James, not Peter, was the real successor to the movement we now call Christianity. In an argument with enormous implications, Eisenman identifies Paul as deeply compromised by Roman contacts. James is presented as not simply the leader of Christianity of his day, but the popular Jewish leader of his time, whose death triggered the Uprising against Rome—a fact that creative rewriting of early Church documents has obscured. Eisenman reveals that characters such as Judas Iscariot and the Apostle James did not exist as such. In delineating the deliberate falsifications in New Testament documents, Eisenman shows how—as James was written out—anti-Semitism was written in. By rescuing James

from the oblivion into which he was cast, the final conclusion of James the Brother of Jesus is, in the words of The Jerusalem Post, apocalyptic –who and whatever James was, so was Jesus.

The Tusk That Did the Damage Tania James, 2015-02-25 When a young elephant is brutally orphaned by poachers, it is only a matter of time before he begins terrorising the countryside, earning his malevolent name from the humans he kills and then tenderly buries with leaves. Manu, the studious son of a rice farmer, loses his cousin to the Gravedigger and is drawn into the alluring world of ivory hunting. Emma is working on a documentary set in a Kerala wildlife park with her best friend. Her work leads her to witness the porous boundary between conservation and corruption and she finds herself caught up in her own betrayal. As the novel hurtles toward its tragic climax, these three storylines fuse into a wrenching meditation on love and revenge, fact and myth, duty and sacrifice. In a feat of audacious imagination and arrestingly beautiful prose, *The Tusk That Did the Damage* tells an original and heart-breaking story about how we treat nature, and each other.

The Brain January James, 2021-12-06 You want me to lose control? This is it. My job? Protect the business. My calling? Protect the girl I'm not just head of the security team, I'm the brain behind Starling Key, Florida's biggest entertainment resort. Only nobody knows. Not even the man who owns it. I'm obsessive, I'm meticulous, I'm a perfectionist. I do not tolerate unprofessionalism. If things aren't done the way I want them to be, someone pays. And with a past like mine, the cost is high. When Tawny Graham crashes-literally-into the Key, she threatens my grand plans. She's a stumbling, infuriating nightmare, With a body that taunts me and eyes that haunt me. And I can't be distracted. Not when I'm so close. Then I find out the real reason she's here, And that changes everything. This enemies-to-lovers romance brings the heat to the Florida Keys against a backdrop of suspense, luxury and badass alphas.

Grave Secrets Alice James, 2020-09-01 An adventure with zombies. And vampires. And romance. And croquet. Toni Windsor is trying to live a quiet life in the green and pleasant county of Staffordshire. She'd love to finally master the rules of croquet, acquire a decent boyfriend and make some commission as an estate agent... ..but first she's got to deal with zombies rising from their graves, vampires sneaking out of their coffins and a murder to solve. It's all made rather more complicated by the fact that she's the one raising all the zombies—oh, and she's dating one of the vampires. Really, what's a girl meant to do?

Somewhere Becoming Rain Clive James, 2019-10-09 Clive James is a life-long admirer of the work of Philip Larkin. *Somewhere Becoming Rain* gathers all of James's writing on this towering literary figure of the twentieth century, together with extra material now published for the first time. The greatness of Larkin's poetry continues to be obscured by the opprobrium attaching to his personal life and his private opinions. James writes about Larkin's poems, his novels, his jazz and literary criticism; he also considers the two major biographies, Larkin's letters and even his portrayal on stage in order to chart the extreme and, he argues, largely misguided equivocations about Larkin's reputation in the years since his death. Through this joyous and perceptive book, Larkin's genius is delineated and celebrated. James argues that Larkin's poems, adored by discriminating readers for over half a

century, could only have been the product of his reticent, diffident, flawed, and all-too-human personality. Erudite and entertaining in equal measure, *Somewhere Becoming Rain* is a love letter from one of the world's best living writers to one of its most cherished poets.

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

James I John Matusiak, 2015-11-05 Few kings have been more savagely caricatured or grossly misunderstood than England's first Stuart. Yet, as this new biography demonstrates, the modern tendency to downplay his defects and minimise the long-term consequences of his reign has gone too far. In spite of genuine idealism and flashes of considerable resourcefulness, James I remains a perplexing figure – a uniquely curious ruler, shot through with glaring inconsistencies. His vices and foibles not only undermined his high hopes for healing and renewal after Elizabeth I's troubled last years, but also entrenched political and religious tensions that eventually consumed his successor. A flawed, if well-meaning, foreigner in a rapidly changing and divided kingdom, his passionate commitment to time-honoured principles of government would, ironically, prove his undoing, as England edged unconsciously towards a crossroads and the shadow of the Thirty Years War descended upon Europe.

ESV Study Bible Crossway Bibles, 2008-10-15 The *ESV Study Bible* was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded *ESV* text, it is the most comprehensive study Bible ever published. The *ESV Study Bible* features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts,

timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.) 9-point Lexicon type (single-column Bible text); 7-point Frutiger type (double-column study notes) Black letter text Concordance Extensive articles 240 full-color maps and illustrations

James, 1-2 Peter, 1-3 John, Jude Gerald L. Bray, Thomas C. Oden, 2000-08-15 Because the Catholic Epistles focus on orthodox faith and morals, the Fathers drew on them as a means of defense against the rising challenge of heretics and as a manual for spiritual warfare. This ACCS volume opens up a treasure house of ancient wisdom that allows these faithful witnesses to speak with eloquence and intellectual acumen to the church today.

James - Leader Guide Beth Moore, 2011-11 8-session women's Bible study leader guide on the Book of James.

Me, the Mob, and the Music Tommy James, 2011-02-15 Now in paperback, after five hardcover printings, Tommy James's wild and entertaining true story of his career—part rock & roll fairytale, part valentine to a bygone era, and part mob epic—that “reads like a music-industry version of Goodfellas” (The Denver Post). Everyone knows the hits: “Hanky Panky,” “Mony Mony,” “I Think We’re Alone Now,” “Crimson and Clover,” “Crystal Blue Persuasion.” All of these songs, which epitomize great pop music of the late 1960s, are now widely used in television and film and have been covered by a diverse group of artists from Billy Idol to Tiffany to R.E.M. Just as compelling as the music itself is the life Tommy James lived while making it. James tells the incredible story, revealing his complex and sometimes terrifying relationship with Roulette Records and Morris Levy, the legendary Godfather of the music business. Me, the Mob, and the Music is a fascinating portrait of this swaggering, wildly creative era of rock ‘n’ roll, when the hits kept coming and payola and the strong-arm tactics of the Mob were the norm, and what it was like, for better or worse, to be in the middle of it.

The works of John Angell James John Angell James, 1860

In Commemoration of William James, 1842-1942 William James, 1967

This Enthralling World of E-book Books: A Thorough Guide Revealing the Benefits of E-book Books: A World of Convenience and Flexibility Kindle books, with their inherent portability and ease of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in shops. Kindle devices, stylish and lightweight, effortlessly store an wide library of books, allowing readers to indulge in their preferred reads anytime, anywhere. Whether commuting on a bustling train, relaxing on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience. A Reading World Unfolded: Discovering the Wide Array of E-book James James The E-book Store, a digital treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to

every readers preference and preference. From gripping fiction and mind-stimulating non-fiction to timeless classics and contemporary bestsellers, the E-book Store offers an unparalleled variety of titles to explore. Whether seeking escape through engrossing tales of imagination and adventure, diving into the depths of historical narratives, or broadening ones understanding with insightful works of scientific and philosophical, the Kindle Store provides a gateway to a bookish universe brimming with endless possibilities. A Revolutionary Factor in the Literary Landscape: The Lasting Impact of E-book Books James The advent of Kindle books has certainly reshaped the literary landscape, introducing a model shift in the way books are released, disseminated, and read. Traditional publication houses have embraced the digital revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a surge in the availability of Kindle titles, ensuring that readers have access to a vast array of bookish works at their fingertips. Moreover, Kindle books have equalized entry to literature, breaking down geographical barriers and offering readers worldwide with similar opportunities to engage with the written word. Irrespective of their place or socioeconomic background, individuals can now engross themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience James E-book books James, with their inherent ease, versatility, and wide array of titles, have undoubtedly transformed the way we encounter literature. They offer readers the liberty to explore the boundless realm of written expression, anytime, everywhere. As we continue to navigate the ever-evolving digital scene, E-book books stand as testament to the lasting power of storytelling, ensuring that the joy of reading remains reachable to all.
