Reflections from McNally's Mirror Glen Cantrell Raymond Fernandez Tony Aiello, 2013-09 In 1896, Andrew McNally dreamed of Country Gentleman Estates in LaMirada, California. His dream did not come to pass as he planned, but in the early 1950s the area developed and young families moved here from all over and found it really was a dream place to live and raise a family. In 2003 when Tony and a group of equally dedicated people started the LaMirada Blog, it soon became obvious that there were many others out there willing to share their varied stories. When these three got together, Tony, Glen and Raymond, they realized these fantastic memories needed to be put down in print for posterity, not out there getting lost in cyberspace. Thus, Reflections from McNally's Mirror was born and you are holding those personal stories in your hands.

Improvisation and Composition in Balinese Gendér Wayang Nicholas Gray, 2016-12-05 This book is an examination of the music of the Balinese gendér wayang, the quartet of metallophones - gendér - that accompanies the Balinese shadow puppet play - wayang kulit. The book focuses on processes of musical variation, the main means of creating new music in this genre, and the implications of these processes for the social and historical study of Balinese music, musical aesthetics, concepts of creativity and compositional methods. Dr Nick Gray tackles a number of core ethnomusicological concerns in a new way, including the relationship between composition and improvisation, and also highlights issues specific to Balinese music, including the importance of flexibility in performance, an aspect that has been largely ignored by scholars. Gray thus breaks new ground both in the study of issues relating to improvisation and composition and in Balinese music studies.
