Essentials of River Kayaking American Canoe Association, 2004-06-10 The official word on kayaking basics from the American Canoe Association, the nation's most respected authority on paddling, *Essentials of Kayak Touring* and *Essentials of River Kayaking* provide beginning paddlers with everything they need to enjoy a safe kayak outing. Beginning with instructions on how to be safe in the water, including proper use of equipment, preparing for cold, wind, and waves, and learning basic skills such as how to maintain your balance, these texts provide thorough information for those just starting to paddle. Find out how to select a kayak, proper lifting and carrying techniques, and how to launch it into the water. With well-written text and illustrations, learn all the basic strokes and maneuvers and important rescue techniques. Appendices include a glossary of kayaking terms and a list of resource organizations. Whether a novice or an experienced kayaker wanting to brush-up on the basics, *Essentials of Kayak Touring* and *Essentials of River Kayaking* have all the information needed for learning this fast growing sport.

The Kayak Companion Joe Glickman, 2003-01-01 Covers both basic and advanced kayaking techniques that address such topics as navigating in different kinds of water and weather, in a guide complemented by stories about the author's own experiences. Original.

Kayaking American Canoe Association, 2009 With more than 12 million people taking part each year, kayaking is one of the fastest-growing outdoor activities in the U.S. today. Participation in this fun and exhilarating pastime has grown nearly 20% in the past few years. *Kayaking* is the perfect book to teach these new paddlers the essential skills and techniques they'll need to get out on the water. The experts at the American Canoe Association will provide readers with practical guidance on gear and equipment selection, nutrition, fitness and stretching, water trail etiquette, and safety and survival skills; basic paddling techniques for flatwater, river and whitewater, and sea kayaking, as well as instruction on more complex maneuvers and rolls. *Kayaking* also includes the Quick Start Your Kayak DVD. This DVD reinforces the basic safety information and rescue techniques found in the book. It also features videos of kayaking strokes and maneuvers, making it easier to learn the proper technique.

Paddling Illinois Mike Svob, 2000 Grab your paddle and enjoy Illinois' beautiful rivers. This comprehensive guidebook--the only one for Illinois--features 64 trips on 33 rivers. Rivers covered include Cashe, Des Plains, Embarras, Fox, Galena, Mackinaw, Middle Fork, and Spoon. This is the ultimate guide for canoe or kayak enthusiasts of all abilities.

Essentials of Kayak Touring Canoe Association, American, 2011-04 The official word on kayaking basics from the American Canoe Association, the nation's most respected authority on paddling, *Introduction to Flatwater Kayaking* and *Introduction to River Kayaking* provide beginning paddlers with everything they need to enjoy a safe kayak outing. Beginning with instructions on how to be safe in the water, including proper use of equipment, preparing for cold, wind, and waves, and learning basic skills such as how to maintain their balance, these texts provide thorough information for those just starting to paddle. Find out how to select a kayak, proper lifting and carrying techniques, and how to launch it into the water. With well-written text and illustrations, learn all the basic strokes and maneuvers and important rescue techniques. Appendices include a glossary of kayaking terms and a list of resource organizations. Paddling safely requires, above all, the exercise of good judgment. And part of developing good judgment is understanding the challenges and hazards inherent in any situation and one's own ability to meet them. What are the essentials of kayak touring? Safety - to safely paddle on calm flatwater, perform self-rescue, and respond to emergencies. Enjoyment - to become aware of paddling opportunities and the rewards of lifetime participation in paddling. Skills - to acquire the ability to safely and enjoyably paddle on calm flatwater *Essentials of Kayak Touring* features: Real-life paddling scenarios Vital information on kayaking safety and technology Illustrations and photographs of essential gear, boats, strokes, maneuvers, and rescue techniques Review questions designed for the ACA's *Essentials of Kayak Touring* course Detailed glossary of terms and important waterway safety information.

Kayak Touring and Camping Cecil Kuhne, 1999 Kayak touring has become one of the most popular forms of paddling. Both basic and advanced techniques, touring accessories, and outfitting a kayak trip are explored. 100 illustrations.

Kayakcraft Ted Moores, 1999 *KayakCraft* is the culmination of years of teaching, boatbuilding, and writing experience. Book jacket.

Without a Paddle Warren Richey, 2010-06-08 As far as Warren Richey knew, his life was on course. A reporter with a beautiful wife and talented son, Richey couldn't imagine how it could be any better....Then his marriage falls apart and he can't imagine how it could be any worse. The divorce leaves Richey questioning everything, while struggling to find a way forward. To get his bearings, he enters the first Ultimate Florida Challenge, an all-out twelve-hundred-mile kayak race around Florida. The UFC is less of a race than it is a dare or a threat. The thirty-day deadline sets a grueling, twenty-four-hour-a-day pace through shark-, alligator-, and even python-infested waters. But those twelve hundred miles are only a fraction of a journey that pulls Richey back to when he was embedded with troops in Iraq, reporting on missing children, and hiking the mountains of Montana with his son, and shows him where he went wrong, where he went right, and how to do it better the second time around. Warren Richey's memoir *Without a Paddle* is a remarkable physical and emotional journey that cuts to the heart of what it means to be a man, a husband, and a father.

How to Canoe and Kayak Like a Pro Ashley P. Watson Norris, 2014-07-01 With this How-to guide, readers will learn all the basic knowledge of canoeing and kayaking and the important aspects of each. Between the terminology and necessary gear to reading the water and safety rules, readers will learn what is needed to become a skilled canoer and kayaker.

Red Kayak Priscilla Cummings, 2006-04-06 Brady loves life on the Chesapeake Bay with his friends J.T. and Digger. But developers and rich families are moving into the area, and while Brady befriends some of them, like the DiAngelos, his parents and friends are bitter about the changes. Tragedy strikes when the DiAngelos' kayak overturns in the bay, and Brady wonders if it was more than an accident. Soon, Brady discovers the terrible truth behind the kayak's sinking, and it will change the lives of those he loves forever. Priscilla Cummings deftly weaves a suspenseful tale of three teenagers caught in a wicked web of deception.

The Strip-Built Sea Kayak: Three Rugged, Beautiful Boats You Can Build Nick Schade, 1998-04-21 Although books on strip building canoes abound, this is among the first to adapt the technique to crafting attractive, functional kayaks. Using high-quality, computer-generated illustrations and photographs to explain key techniques, the book provides complete plans and measurements for three different kayaks: 1) A simple solo craft for beginners, 2) A

high-performance solo kayak for intermediate paddlers, and 3) A tandem design for two paddlers. With its easy-to-follow guidance and instructions, The Strip-Built Sea Kayak makes top-notch kayaks accessible to budget-minded paddlers.

Complete Sea Kayak Touring Jonathan Hanson,1998 This is a comprehensive manual for planning sea kayaking expeditions, covering everything from provisioning, equipment, navigation and bivouacking to kayak sailing. It includes first aid kit and repair lists, as well as tips on navigation, weather and safety.

Kayaking Bill Lund,1998-08 Describes the history, equipment, and contemporary practice of kayaking.

Kayaking the Texas Coast John Whorff,2011-02-10 “Few experiences compare with navigating a sea kayak through a large sandy bay lined with oyster-shell beaches, past golden sand dunes into rough ocean waters, then surfing back onto a wind-swept beach at sunset.”—from the Introduction Half of the nearly 400-mile Texas coastline is flanked by barrier islands. Behind them, large and small bays shelter estuarine marshes, oyster-reef communities, and sea grass meadows that teem with wildlife, creating a bird watcher's and angler's paradise. For an intimate encounter with these natural treasures, no other water craft can compare to a kayak. Veteran kayaker John Whorff's Kayaking the Texas Coast is an essential guide for beginning and experienced kayakers to the many miles of shoreline that surround the shallow bays, lagoons, and islands of the Texas coast. Novices will appreciate this book's detailed information about where to paddle and camp, what to see, and where to obtain additional information about safety and route planning. Accomplished kayakers will enjoy Whorff's enticing route descriptions and other pertinent details on paddling the Texas coastline. Opening with an extended introductory text that covers kayaks and equipment, safety considerations and emergencies, camping dos and don'ts, and helpful resources, Kayaking the Texas Coast also lists useful websites and guidebooks. In the main portion of the text, the coast is organized into ten destinations, from the Galveston Bay complex in the north to Boca Chica State Park in the south. For each of these destinations, Whorff provides information on navigational aids, planning considerations, accommodations, and directions to launch sites before describing various paddling routes within each destination—around seventy routes in all. Each route is ranked for difficulty as “beginner,” “intermediate,” or “advanced.” Detailed maps and vivid photographs by the author complete the package. Kayaking the Texas Coast is your must-have guidebook to the coastline and bays of the Lone Star State. Many miles of sea kayaking adventure are described, along with maps and discussion of the natural world encountered along the way. My copy will be riding in car and kayak with me. I look forward to seeing with my own eyes what the author has described and mapped.-- Natalie Wiest, founder and director, Galveston Bay Information

Kayak Fly Fishing Ben Duchesney,2017-11-01 Kayak fishing is one of the fastest growing segments in the sport of fly fishing. In addition to getting you away from the bank and to unpressured water, they are stealthy, easily transported and stored, and modern boats offer a plethora of options for fresh- and saltwater anglers. This complete guide to fly fishing from a kayak thoroughly covers techniques, tackle, choosing the right boat and how to rig it, and strategies. Fishing pros featured include Pat Cohen (upstate New York), Chris LeMessurier (Michigan), Juan Veruete (Pennsylvania), Drew Haerer, Brian Cadoret (Vermont), Casey Brunning (Louisiana), Conway Bowman (California)

The Only Kayak Kim Heacox,2020-05-01 Winner of the 2020 National Outdoor Book Award for Outdoor Classic! In this coming-of-middle-age memoir, Kim Heacox, writing in the tradition of Abbey, McPhee, and Thoreau, discovers an Alaska reborn from beneath a massive glacier, where flowers emerge from boulders, moose swim fjords, and bears cross crevasses with Homeric resolve. In such a place Heacox finds that people are reborn too, and their lives begin anew with incredible journeys, epiphanies, and successes. All in an America free of crass commercialism and overdevelopment. Braided through the larger story are tales of gold prospectors and the cabin they built sixty years ago; John Muir and his intrepid terrier, Stickeen; and a dynamic geology professor who teaches earth science as if every day were a geological epoch. Nearly two million people come to Alaska every summer, some on large cruise ships, some in single kayaks--all in search of the last great wilderness, the Africa of America. It is exactly the America Heacox finds in this story of paradox, love, and loss.

Encounters from a Kayak Nigel Foster,2012-11-20 What makes travel special? Perhaps the chill realization that a polar bear's eyes are fixed on you. Maybe it is the chance meeting with a man who buries sharks in a beach, only to dig them up months later, not out of morbid curiosity, but for food. Perhaps it is the undulating wing-beat of a dark shell-less gastropod in the canal of a 17th Century French sea port, or the criminal history of a rusting ship with a tree growing from its hold.Encounters in a Kayak brings the reader along on the magical experiences that surround sea kayaking. It's about the animals, people, and special places around the globe that have grabbed the attention of renowned kayaker and writer Nigel Foster. His irrepressible curiosity drives him to tease out the unexpected stories hidden behind his subjects. These nuggets from around the world are bound together by water and a centuries-old form of sea travel: kayak. The result is a book of broad appeal for those interested in kayaking, traveling, and adventure.

Paddling Northern Minnesota Lynne Smith Diebel,2005 Discover an amazing variety of paddling adventures with this guide to 86 trips on northern Minnesota's rivers, including the Boundary Waters.

Paddling Iowa Nate Hoogeveen,2006-07 Newly revised guide to the best paddling trips in Iowa, contains trip ideas, and environmental, geological, and historic points of interest.
