

King

Taylor Branch

The Pancake King Seymour Chwast,Phillis La Farge,2016-03 Relates the saga of Henry who, because he could not stop making pancakes, became wealthy and famous.

**King Baby** Kate Beaton,2016-09-13 A laugh-out-loud picture book with royal appeal! All hail King Baby! He greets his adoring public with giggles and wiggles and coos, posing for photos and allowing hugs and kisses. But this royal ruler also has many demands, and when his subjects can't quite keep up, King Baby takes matters into his own tiny hands.Created by Kate Beaton, author of The Princess and the Pony and #1 New York Times bestsellers Hark! A Vagrant and Step Aside, Pops!, this modern, funny, and (let's be honest) realistic take on life with a new baby is the perfect gift for anyone with an adorable little monarch in their world.

*King* T.M. Frazier,2016-05-26 Homeless. Hungry. Desperate. Doe has no memories of who she is or where she comes from. A notorious career criminal just released from prison, King is someone you don't want to cross unless you're prepared to pay him back in blood, sweat, sex or a combination of all three. King's future hangs in the balance. Doe's is written in her past. When they come crashing together, they will have to learn that sometimes in order to hold on, you have to first let go.

**A King's Book of Kings** Stuart Cary Welch,1972

**The Pale King** David Foster Wallace,2011-04-15 The breathtakingly brilliant novel by the author of Infinite Jest (New York Times) is a deeply compelling and satisfying story, as hilarious and fearless and original as anything Wallace ever wrote. The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions -- questions of life's meaning and of the value of work and society -- through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time. The Pale King is by turns funny, shrewd, suspenseful, piercing, smart, terrifying, and rousing. --Laura Miller, Salon

**DAVID THE KING** GLADYS SCHMITT,1946

The Shark King R. Kikuo Johnson,2012-04-10 In graphic novel format, retells the Hawaiian story of Nanaue, born of human mother and shark father, who struggles to find his place in a village of humans.

*At Canaan's Edge* Taylor Branch,2007-04-04 At Canaan's Edge concludes America in the King Years, a three-volume history that will endure as a masterpiece of storytelling on American race, violence, and democracy. Pulitzer Prize-winner and bestselling author Taylor Branch makes clear in this magisterial account of the civil rights movement that Martin Luther King, Jr., earned a place next to James Madison and Abraham Lincoln in the pantheon of American history. In At Canaan's Edge, King and his movement stand at the zenith of America's defining story, one decade into an epic struggle for the promises of democracy. Branch opens with the authorities' violent suppression of a voting-rights march in Alabama on March 7, 1965. The quest to cross Selma's Edmund Pettus Bridge engages the conscience of the world, strains the civil rights coalition, and embroils King in negotiations with all three branches of the U.S. government. The marches from Selma coincide with the first landing of large U.S. combat units in South Vietnam. The escalation of the war severs the cooperation of King and President Lyndon Johnson after a collaboration that culminated in the landmark 1965 Voting Rights Act. After Selma, young pilgrims led by Stokely Carmichael take the movement into adjacent Lowndes County, Alabama, where not a single member of the black majority has tried to vote in the twentieth century. Freedom workers are murdered, but sharecroppers learn to read, dare to vote, and build their own political party. Carmichael leaves in frustration to proclaim his famous black power doctrine, taking the local panther ballot symbol to become an icon of armed rebellion. Also after Selma, King takes nonviolence into Northern urban ghettos. Integrated marches through Chicago expose hatreds and fears no less virulent than the Mississippi Klan's, but King's 1966 settlement with Mayor Richard Daley does not gain the kind of national response that generated victories from Birmingham and Selma. We watch King overrule his advisers to bring all his eloquence into dissent from the Vietnam War. We watch King make an embattled decision to concentrate his next campaign on a positive compact to address poverty. We reach Memphis, the garbage workers' strike, and King's assassination. Parting the Waters provided an unsurpassed portrait of King's rise to greatness, beginning with the 1955 Montgomery bus boycott and ending with the assassination of President John F. Kennedy in 1963. In Pillar of Fire, theologians and college students braved the dangerous Mississippi Freedom Summer of 1964 as Malcolm X raised a militant new voice for racial separatism. The Civil Rights Act of 1964 outlawed segregation by race and mandated equal opportunity for women. From the pinnacle of winning the Nobel Peace Prize, King willed himself back to the valley of jail in his daunting Selma campaign. At Canaan's Edge portrays King at the height of his moral power even as his worldly power is waning. It shows why his fidelity to freedom and nonviolence makes him a defining figure long beyond his brilliant life and violent end.

*Euphoria* Lily King,2014-06-03 New York Times Bestseller: An "enthraling," prize-winning novel of a love triangle among three young archaeologists in 1930s New Guinea (Vogue). Winner of the Kirkus Prize Winner of the New England Book Award for Fiction Finalist for the National Book Critics Circle Award Named a Best Book of the Year by: The New York Times Book Review, Time, NPR, Washington Post, Entertainment Weekly, Newsday, Vogue, New York Magazine, Seattle Times, San Francisco Chronicle, Wall Street Journal, Boston Globe, Kirkus Reviews, Publishers Weekly, Oprah.com, Salon From the author of Writers & Lovers and Five Tuesdays in Winter, Euphoria follows three young, gifted anthropologists caught in a passionate love triangle that threatens their bonds, their careers, and, ultimately, their lives. Inspired by events in the life of revolutionary anthropologist Margaret Mead, Euphoria is "dazzling . . . suspenseful . . . brilliant . . . an exhilarating novel" (The Boston Globe). "A thrilling read." —Publishers Weekly (starred review) "Atmospheric and sensual." —NPR "A taut, witty, fiercely intelligent tale of competing egos and desires in a landscape of exotic menace. . . . Exquisite." —The New York Times Book Review

**Elevation** Stephen King,2019-11-12 From legendary master storyteller Stephen King, a riveting story about "an ordinary man in an extraordinary condition rising above hatred" (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a "joyful, uplifting" (Entertainment Weekly) tale about finding common

ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn’t look any different, he’s been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn’t want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King’s most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott’s lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott’s affliction bring out the best in people who have indulged the worst in themselves and others. “Written in masterly Stephen King’s signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences” (Booklist, starred review). Elevation is an antidote to our divisive culture, an “elegant whisper of a story” (Kirkus Reviews, starred review), “perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing” (Publishers Weekly, starred review).

**Fairy Tale** Stephen King, 2023-06-06 Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher--for that world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to take care of himself--and his dad. When Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. --Publisher.

**King Me** Clinnesha D. Sibley, 2013-04-01 Features three short dramas on Dr. Martin Luther King Jr. and his enduring legacy in American society.

**Mad Enchantment** Ross King, 2016-09-06 From bestselling author Ross King, a brilliant portrait of the legendary artist and the story of his most memorable achievement. Claude Monet is perhaps the world's most beloved artist, and among all his creations, the paintings of the water lilies in his garden at Giverny are most famous. Monet intended the water lilies to provide an asylum of peaceful meditation. Yet, as Ross King reveals in his magisterial chronicle of both artist and masterpiece, these beautiful canvases belie the intense frustration Monet experienced in trying to capture the fugitive effects of light, water, and color. They also reflect the terrible personal torments Monet suffered in the last dozen years of his life. Mad Enchantment tells the full story behind the creation of the Water Lilies, as the horrors of World War I came ever closer to Paris and Giverny and a new generation of younger artists, led by Henri Matisse and Pablo Picasso, were challenging the achievements of Impressionism. By early 1914, French newspapers were reporting that Monet, by then seventy-three, had retired his brushes. He had lost his beloved wife, Alice, and his eldest son, Jean. His famously acute vision--what Paul Cezanne called the most prodigious eye in the history of painting--was threatened by cataracts. And yet, despite ill health, self-doubt, and advancing age, Monet began painting again on a more ambitious scale than ever before. Linking great artistic achievement to the personal and historical dramas unfolding around it, Ross King presents the most intimate and revealing portrait of an iconic figure in world culture.

**Return of the Guardian-King** Karen Hancock, 2007-04-01 The powerful finale to the Christy Award-winning novels in the LEGENDS OF THE GUARDIAN-KING series Believed dead by all but the handful of supporters who rescued him from his Mataian enemies, Abramm Kalladorne has fled his homeland to the high mountains of northern Chesedh. Traveling under a new name with a group of bitter and increasingly desperate fellow exiles, Abramm hopes to reunite with his wife in Chesedh, where he will offer his services to her father in fighting the invading armies of the Black Moon. But with every step he is hindered, delayed, and diverted from the direction he desires to go, and it soon becomes clear Eidon has other plans for him. In the royal city of Fannath Rill, Maddie alone believes Abramm still lives. But since she has no proof, her friends, family, and public opinion press her to remarry. With its neighboring realms now under enemy control, Chesedh has become the last bastion of Eidon's Light. Desperately overmatched, it cannot survive on its own. Yet the rich, handsome eastern warlord who is openly courting Maddie has a vast fleet of galley ships that could turn the tide in Chesedh's favor....

**Writers & Lovers** Lily King, 2020-03-03 #ReadWithJenna Book Club Pick as Featured on Today Emma Roberts Belletrist Book Club Pick A New York Times Book Review’s Group Text Selection I loved this book not just from the first chapter or the first page but from the first paragraph... The voice is just so honest and riveting and insightful about creativity and life. —Curtis Sittenfeld An extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of Euphoria Following the breakout success of her critically acclaimed and award-winning novel Euphoria, Lily King returns with another instant New York Times bestseller: an unforgettable portrait of an artist as a young woman. Blindsided by her mother’s sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square and rents a tiny, moldy room at the side of a garage where she works on the novel she’s been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey’s fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink. Writers & Lovers follows Casey—a smart and achingly vulnerable protagonist—in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King’s trademark humor, heart, and intelligence, Writers & Lovers is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.

**The Measure of a Man** Dr. Martin Luther King Jr., 2017-04-07 First published in 1959, this pair of meditations by the revered civil-rights leader Martin Luther King, Jr. contains the theological roots of his political and social philosophy of nonviolent activism. Eloquent and passionate, reasoned and sensitive. “AT THE first

National Conference on Christian Education of the United Church of Christ, held at Purdue University in the summer of 1958, Martin Luther King presented two notable devotional addresses. Moved by the dear and persuasive quality of his words, many of the 3000 delegates to the conference urged that the meditations be made available in book form. They wanted the book for their own libraries and they were eager to share Dr. King's vital messages with fellow Christians of other denominations. "In the resolute struggle of American Negroes to achieve complete acceptance as citizens and neighbors the author is recognized as a leader of extraordinary resourcefulness, valor, and skill. His concern for justice and brotherhood and the nonviolent methods that he advocated and uses, are based on a serious commitment to the Christian faith. "As his meditations in this book suggest, Dr. King regards meditation and action as indivisible functions of the religious life. When we think seriously in the presence of the Most High, when in sincerity we "go up to the mountain of the Lord," the sure event is that "he will teach us of his ways, and we will walk in his paths" (Isaiah 2: 3)."

*Dig* A.S. King, 2019-03-26 Winner of the Michael L. Printz Medal ★"King's narrative concerns are racism, patriarchy, colonialism, white privilege, and the ingrained systems that perpetuate them. . . . [Dig] will speak profoundly to a generation of young people who are waking up to the societal sins of the past and working toward a more equitable future."—Horn Book, starred review "I've never understood white people who can't admit they're white. I mean, white isn't just a color. And maybe that's the problem for them. White is a passport. It's a ticket." Five estranged cousins are lost in a maze of their family's tangled secrets. Their grandparents, former potato farmers Gottfried and Marla Hemmings, managed to trade digging spuds for developing subdivisions and now they sit atop a million-dollar bank account—wealth they've refused to pass on to their adult children or their five teenage grandchildren. "Because we want them to thrive," Marla always says. But for the Hemmings cousins, "thriving" feels a lot like slowly dying of a poison they started taking the moment they were born. As the rot beneath the surface of the Hemmings' white suburban respectability destroys the family from within, the cousins find their ways back to one another, just in time to uncover the terrible cost of maintaining the family name. With her inimitable surrealism, award winner A.S. King exposes how a toxic culture of polite white supremacy tears a family apart and how one determined generation can dig its way out.

*The King in Me* Isaiah Bealer, 2020-06-02 The King In Me takes readers on a journey around the world as a father and son meet historical figures from the past and present. As they meet each great figure they receive precious jewels that Yeoshua (son) will need to fully embrace the king in him. This adventurous story is catered towards children and teens but is wrote as a compelling story that anyone can enjoy.

**The Radical King** Dr. Martin Luther King, Jr., 2016-01-12 A revealing collection that restores Dr. King as being every bit as radical as Malcolm X "The radical King was a democratic socialist who sided with poor and working people in the class struggle taking place in capitalist societies. . . . The response of the radical King to our catastrophic moment can be put in one word: revolution—a revolution in our priorities, a reevaluation of our values, a reinvigoration of our public life, and a fundamental transformation of our way of thinking and living that promotes a transfer of power from oligarchs and plutocrats to everyday people and ordinary citizens. . . . Could it be that we know so little of the radical King because such courage defies our market-driven world?" —Cornel West, from the Introduction Every year, Dr. Martin Luther King, Jr., is celebrated as one of the greatest orators in US history, an ambassador for nonviolence who became perhaps the most recognizable leader of the civil rights movement. But after more than forty years, few people appreciate how truly radical he was. Arranged thematically in four parts, *The Radical King* includes twenty-three selections, curated and introduced by Dr. Cornel West, that illustrate King's revolutionary vision, underscoring his identification with the poor, his unapologetic opposition to the Vietnam War, and his crusade against global imperialism. As West writes, "Although much of America did not know the radical King—and too few know today—the FBI and US government did. They called him 'the most dangerous man in America.' . . . This book unearths a radical King that we can no longer sanitize."

**The Shadow King: A Novel** Maaza Mengiste, 2019-09-24 A gripping novel set during Mussolini's 1935 invasion of Ethiopia, *The Shadow King* takes us back to the first real conflict of World War II, casting light on the women soldiers who were left out of the historical record. With the threat of Mussolini's army looming, recently orphaned Hirut struggles to adapt to her new life as a maid in Kidane and his wife Aster's household. Kidane, an officer in Emperor Haile Selassie's army, rushes to mobilize his strongest men before the Italians invade. His initial kindness to Hirut shifts into a flinty cruelty when she resists his advances, and Hirut finds herself tumbling into a new world of thefts and violations, of betrayals and overwhelming rage. Meanwhile, Mussolini's technologically advanced army prepares for an easy victory. Hundreds of thousands of Italians—Jewish photographer Ettore among them—march on Ethiopia seeking adventure. As the war begins in earnest, Hirut, Aster, and the other women long to do more than care for the wounded and bury the dead. When Emperor Haile Selassie goes into exile and Ethiopia quickly loses hope, it is Hirut who offers a plan to maintain morale. She helps disguise a gentle peasant as the emperor and soon becomes his guard, inspiring other women to take up arms against the Italians. But how could she have predicted her own personal war as a prisoner of one of Italy's most vicious officers, who will force her to pose before Ettore's camera? What follows is a gorgeously crafted and unputdownable exploration of female power, with Hirut as the fierce, original, and brilliant voice at its heart. In incandescent, lyrical prose, Maaza Mengiste breathes life into complicated characters on both sides of the battle line, shaping a heartrending, indelible exploration of what it means to be a woman at war.

Discover tales of courage and bravery in *Explore Bravery* with is empowering ebook, *Unleash Courage in King* . In a downloadable PDF format ( PDF Size: \*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
