Lagoon Nnedi Okorafor,2015-07-14 It's up to a famous rapper, a marine biologist, and a rogue soldier to handle humanity's first contact with an alien ambassador—and prevent mass extinction—in this novel that blends magical realism with high-stakes action. After word gets out on the Internet that aliens have landed in the waters outside of the world's fifth most populous city, Lagos, Nigeria, chaos ensues. Soon the military, religious leaders, thieves, and crackpots are trying to control the message on YouTube and on the streets. Meanwhile, the earth's political superpowers are considering a preemptive nuclear launch to eradicate the intruders. All that stands between seventeen million anarchic residents and death is an alien ambassador, a biologist, a rapper, a soldier, and a myth that may be the size of a giant spider, or a god revealed.

Lagoon Stephen G. Handy,2015

The Lagoon Lilli Carre,2010-05-17 A haunting, lyrical graphic novel debut. A family is seduced by the song of the Creature from the Black Lagoon in talented young cartoonist Lilli Carre's first long-form work, and how each member reacts to the Creature's siren call in *The Lagoon* is the crux of the story. Carre experimented with nib pens and brushes while drawing this black-and-white graphic novel, giving the art a different feel from her previous, Eisner-and-Harvey-Award-nominated story, *The Tale of Woodsman Pete*. *Lagoon* was influenced by the films *Creature from the Black Lagoon* and *Night of the Hunter*, but reads more like the gothic family narratives of Flannery O'Connor. Rhythms - taps, the ticking of a metronome - are punctuated by silences that pace this sound-driven story.

Words of the Lagoon Robert Earle Johannes,1981-01-01 *Words of the Lagoon* is an account of the pioneering work of a marine biologist to discover, test, and record the knowledge possessed by native fisherman of the Palau Islands of Micronesia. *Words of the Lagoon* is an account of the pioneering work of a marine biologist to discover, test, and record the knowledge possessed by native fisherman of the Palau Islands of Micronesia.

The Blue Lagoon Henry De Vere Stacpoole,1910

The Blue Lagoon (Serapis Classics) Henry De Vere Stacpoole,2017-11-13 *The Blue Lagoon* is a romance novel written by Henry De Vere Stacpoole and was first published by T. Fisher Unwin in 1908. It is the first novel of the *Blue Lagoon* trilogy, which also includes *The Garden of God* (1923) and *The Gates of Morning* (1925). The novel has inspired several film adaptations, most notably *The Blue Lagoon* starring Brooke Shields as Emmeline and Christopher Atkins as Richard (Dickie in the book).

The Lagoon Joseph Conrad,2015-07-13 *The Lagoon* is a short story by Joseph Conrad composed in 1896 and first published in *Cornhill Magazine* in 1897. The story is about a white man, referred to as Tuan (the equivalent of Lord or Sir), who is travelling through an Indonesian rainforest and is forced to stop for the night with a distant Malay friend named Arsat. Upon arriving, he finds Arsat distraught, for his lover is dying. Arsat tells the distant and rather silent white man a story of his past. The story that Arsat tells Tuan is about sadness and betrayal. Arsat tells of the time when he and his brother kidnapped Diamelen (his lover, who was previously a servant of the Rajah's wife). They all fled in a boat at night and travelled until they were exhausted. They stopped on a bit of land jutting out into the water to rest. Soon however, they spotted a large boat of the Rajah's men coming to find them. Arsat's brother told Diamelen and Arsat to flee to the other side, where there was a fisherman's hut. He instructed them to take the fisherman's boat and then stayed back, telling them to wait for him while he dealt with the pursuers. However, Arsat did everything but wait for his brother. As he pushed the boat from shore, he saw his brother running down the path, being chased by the pursuers. Arsat's brother tripped and the enemy was upon him. His brother called out to him three times, but Arsat never looked back; he had betrayed his brother for the woman he loved. Towards the end of the story, symbolically, the sun rises and Diamelen dies. Arsat has nothing now; not a brother nor a wife. He has lost everything. He plans to return to his home village to avenge his brother's death. The story concludes with Tuan's simply leaving, and Arsat's staring dejectedly into the sun and a world of illusion. The story is full of symbols and contrasts - such as the use of dark/light, black/white, sunrise/sunset, water/fire, and possibly the most important one, movement/stillness. Arsat's clearing is still, nothing moves, yet everything outside the clearing moves. Earlier in the story, his brother tells Arsat that he is only half of a man for Diamelen has his heart and he is not whole. With Diamelen's death, Arsat becomes a whole man again. At the end of the story, motion finally enters Arsat's clearing. The movement signifies his leaving of a world of illusion and the fact that Arsat is finally a free man. In the story, darkness represents ignorance and denial, whereas light represents enlightenment.

Lagoon Environments Around the World Andrew James Manning,2020-03-11 *Lagoon Environments Around the World - A Scientific Perspective* covers a wide range of topics. Typically bordering between land and sea, lagoons are among the most diversely utilized waterways on the planet. Lagoons are extremely important environments socio-economically, and their usage places ever increasing stress on these very sensitive aquatic regions. The effective management of shallow aquatic environments requires a detailed scientific understanding of the various contributory natural processes. This has both environmental and economic implications, especially where there is any anthropogenic involvement. This book draws on international scientific research to examine the following lagoon related issues: classification, circulation hydrodynamics, ecosystems, sedimentation, anthropogenic stresses, and response to extreme events. The research was carried out by researchers who specialize in shallow water processes and related issues.

Indian River Lagoon Osborn, Nathaniel,2016-03-01 Florida Historical Society Stetson Kennedy Book Award Stretching along 156 miles of Florida's East Coast, the Indian River Lagoon contains the St. Lucie estuary, the Mosquito Lagoon, Banana River Lagoon, and the Indian River. It is a delicate ecosystem of shifting barrier islands and varying salinity levels due to its many inlets that open and close onto the ocean. The long, ribbon-like lagoon spans both temperate and subtropical climates, resulting in the most biologically diverse estuarine system in the United States. Nineteen canals and five man-made inlets have dramatically reshaped the region in the past two centuries, intensifying its natural instability and challenging its diversity. Indian River Lagoon traces the winding story of the waterway, showing how humans have altered the area to fit their needs and also how the lagoon has influenced the cultures along its shores. Now stuck in transition between a place of labor and a place of recreation, the lagoon has become a chief focus of public concern. This book provides a much-needed bigger picture as debates continue over how best to restore this natural resource.

Lagoon Alison Drake,Diane Cleaver,1990 Florida detective Aline Scott is up against a horrible, creeping unknown being that lurks in the lagoons

The New Kid from the Black Lagoon Mike Thaler,2014-05-27 It's another scary day at the Black Lagoon. . . . The class is expecting a new kid who comes from far away and Hubie is worried. What if the new kid is from Mars? What if he has purple eyebrows, green antennae, and blue skin? What if he's really coming to take over the world? Or worse, what if he's a body snatcher!Wherever the new kid is from, whatever the new kid is, one thing is certain, he'll fit in fine at the Black Lagoon.

Disney Fairies: Rani in the Mermaid Lagoon Lisa Papademetriou,2011-08-23 Rani doesn't fit in. Without wings, she doesn't feel like she belongs with the other fairies. Rani sets off on a perilous journey to find a home, a journey that leads her underwater, deep into the lagoon, where the mermaids live.

The House on the Lagoon Rosario Ferré,2014-04-29 Finalist for the National Book Award: "A family saga in the manner of Gabriel García Márquez," set in Puerto Rico, from an extraordinary storyteller (The New York Times Book Review). This riveting, multigenerational epic tells the story of two families and the history of Puerto Rico through the eyes of Isabel Monfort and her husband, Quintín Mendizabal. Isabel attempts to immortalize their now-united families—and, by extension, their homeland—in a book. The tale that unfolds in her writing has layers upon layers, exploring the nature of love, marriage, family, and Puerto Rico itself. Weaving the intimate with the expansive on a teeming stage, Ferré crafts a revealing self-portrait of a man and a woman, two fiercely independent people searching for meaning and identity. As Isabel declares: "Nothing is true, nothing is false, everything is the color of the glass you're looking through." A book about freeing oneself from societal and cultural constraints, *The House on the Lagoon* also grapples with bigger issues of life, death, poverty, and racism. Mythological in its breadth and scope, this is a masterwork from an extraordinary storyteller.

Sherman's Lagoon 1991 to 2001 Jim Toomey,2002-08-02 Fish are people too. Or so it seems on the imaginary island of Kapupu, the setting for the wet and witty sea creatures of Sherman's Lagoon. For more than a decade, creator Jim Toomey has delighted readers with his off-center look at pop culture through the eyes of its namesake character, Sherman, and his coral-reef companions. Now, for the first time, the very best of this cast of lagoonies is captured in a treasury of classics. *Sherman's Lagoon 1991-2001: Greatest Hits and Near Misses* gives readers the opportunity to follow the evolution of the satirical strip from the first day it ran in the Escondido (Calif.) Times-Advocate on May 13, 1991, all the way up to the present day.This comprehensive collection highlights the complete history of the adventures of Sherman, the happy-go-lucky, brain-go-slow shark, and his lagoon-dwelling friends, including:o Fillmore the turtle, Sherman's sensible sidekicko Hawthorne, the cranky, beer can-dwelling hermit crabo Megan, Sherman's pearl-clad wifeo Ernest, the big-brained philosophical fisho And Thornton, the surfboard-toting polar bearThe compendium also features the funniest moments from the occasional humans who have inhabited the make-believe lagoon, such as Captain Quigley, the vengeful fisherman who lost his leg to Sherman years ago.This master collection of Jim Toomey's colorful cast of creatures will be treasured by longtime fans-and provide those new to the satirical strip an opportunity to catch up on all the underwater fun they've missed during the last decade.

Poodle The Other White Meat Jim Toomey,1999-04 It's easy to understand why Sherman's Lagoon has captured a considerable national following--and this number includes children as well as adults. --Mount Airy News As the title of this Sherman's Lagoon collection would indicate, creator Jim Toomey is not overly concerned about his strip being politically correct. Nothing is above ridicule, says Toomey. Poodle: The Other White Meat is filled with the no-holds-barred humor that has made Sherman's Lagoon an international success. The popular cartoon takes a lighthearted yet satirical look at pop culture through the eyes of its namesake character, Sherman, the dim-witted but fun-loving shark. While the strip centers around the adventures of Sherman, his fellow underwater brethren are good for great laughs as well. Thereâ€™s: *Fillmore, the leading shark's trusty turtle sidekick; *Megan, Sherman's significant-shark-other; *Hawthorne, the cranky hermit crab who lives in a beer can; *Ernest, a computer-hacking pop philosopher; *And a host of other silly sea creatures that inhabit the lagoon just off the make-believe South Pacific island of Kapupu. Sherman is, shall we say, not the sharpest fishing hook in the tackle box. One minute he exasperates Fillmore with nonsensical ideas like videotaping every moment of his day in case something happens. Then, when something really does occur--the arrival of space aliens--Fillmore later discovers that all that was documented was the back of the camera's lens cap! And so it goes with the irreverent cast of characters featured in Poodle: The Other White Meat. This Sherman's Lagoon collection offers a knee-slapping good time for readers of all ages--if only fish had knees.
