Land's End Tania Murray Li,2014-08-13 Drawing on two decades of ethnographic research in Sulawesi, Indonesia, Tania Murray Li offers an intimate account of the emergence of capitalist relations among indigenous highlanders who privatized their common land to plant a boom crop, cacao. Spurred by the hope of ending their poverty and isolation, some prospered, while others lost their land and struggled to sustain their families. Yet the winners and losers in this transition were not strangers—they were kin and neighbors. Li's richly peopled account takes the reader into the highlanders' world, exploring the dilemmas they faced as sharp inequalities emerged among them. The book challenges complacent, modernization narratives promoted by development agencies that assume inefficient farmers who lose out in the shift to high-value export crops can find jobs elsewhere. Decades of uneven and often jobless growth in Indonesia meant that for newly landless highlanders, land's end was a dead end. The book also has implications for social movement activists, who seldom attend to instances where enclosure is initiated by farmers rather than coerced by the state or agribusiness corporations. Li's attention to the historical, cultural, and ecological dimensions of this conjuncture demonstrates the power of the ethnographic method and its relevance to theory and practice today.

Lands' End Business Attire for Women Lands' End, Inc,2004 In the list of life's big questions, "What should I wear?" can loom surprisingly large in a woman's mind. But for most of us today, "What should I wear to work?" looms even larger. When workplaces encompass everything from the thirtieth-floor boardroom to an open-plan loft to a desk in the corner of a studio, the question gets complicated indeed.Lands' End® Business Attire for Womenwill help you quickly and confidently assess your workplace and your style, so you'll always know exactly what to wear to work. One size does not fit all, of course, and this book is full of self-assessment quizzes, sample outfits to inspire and inform, and a broad spectrum of choices so you can always be confident that you are appropriately dressed. Based on the ABC model,Lands' End® Business Attire for Womendivides workplace style into Almost a Suit ensembles, Best of Both Worlds blendings, and Clearly Casual combos. With the right image in mind and the right clothing in your closet—or on your shopping list—you can create a system of dressing that not only saves you time and money but also expresses your ambitions and your sense of style. From "Pants to Avoid" to business travel checklists and advice for recent college grads,Lands' End® Business Attire for Womenwill guide you toward a working wardrobe that is appropriate, flexible, and flattering. It's a practical, down-to-earth, and eminently sensible guide to dressing for work with a sense of style and fun, leaving you lots of time for life's bigger questions.

**Lands End** Bill Fox,2015-07-09 Meet Phil McManus-native San Franciscan, Baby Boomer, street cop-a guy trying to make sense of his past and desperate about his future. When his high school football teammate-a former NFL player and Assistant SF Fire Chief-is found stabbed and brutally murdered in the fog at Lands End, McManus becomes a prime suspect.

**From London to Land's End** Daniel Defoe,1892

*Land's End* Frederik Pohl,Jack Williamson,2013-03-04 When Comet Sicara brushed near enough to strip the ozone layer from the Earth's atmosphere, civilization effectively ended - in fact, life on Earth was nearly extinguished. But the underwater cities survived, and some heavily protected land enclaves held on as well. When the ozone summer years were ending, submarine captain Ron Tregarth rediscovered his lost love, Graciela Navarro. But their triumph against all odds was only the beginning, for the alien known as the Eternal stood between them and threatened to destroy all they held dearest. The Eternal's goal was to absorb the minds of every living thing, to create a death-in-life to enslave the planet.

The Purpose Of Your Life Carol Adrienne,2011-06-28 The co-author of The Celestine Prophecy Experiential Guide helps readers uncover the unsuspected, untapped power of synchronicity and intuition that will bring success, satisfaction, and serenity. Everyone really has a purpose in life, says Carol Adrienne in her new guide to harnessing the power inside yourself. The question is: How do you learn to go with the flow and let your true nature guide you? Chapter by chapter, The Purpose of Your Life explains how to locate the source of your innate energy and focus it, how to align yourself with the natural forces that swirl around us always, and how to develop the intuition that fosters synchronicity. The book is packed with illuminating anecdotes and profiles of fascinating people -- from artists to urban planners to Zen masters -- who describe how they found their own purposes. There are practical exercises throughout, along with charts, self-questionnaires, and other tools that help you understand yourself and your deepest aspirations. As you learn to recognize and trust the voice of intuition, you'll find new doors opening and new possibilities everywhere. You'll feel invigorated by the potential you've unleashed, a power that will only grow with each new accomplishment. And you'll discover the serenity and satisfaction that come only to those who are living life to the fullest. The Force is with you -- all you have to do is reach out and start to use it.

*Land's End* Michael Cunningham,2012-05-22 Cunningham's short book is a haunting, beautiful piece of work. . . . A magnificent work of art. -The Washington Post Easily read on a plane-and-ferry journey from here to the sandy, tide-washed tip of Cape Cod, Massachusetts, Land's End is that most perfect of companions: slender, eloquent, enriching, and fun. . . . A casually lovely ode to Provincetown. -The Minneapolis Star Tribune Cunningham rambles through Provincetown, gracefully exploring the unusual geography, contrasting seasons, long history, and rich stew of gay and straight, Yankee and Portuguese, old-timer and 'washashore' that flavors Cape Cod's outermost town. . . . Chock-full of luminous descriptions . . . . He's hip to its studied theatricality, ever-encroaching gentrification and physical fragility, and he can joke about its foibles and mourn its losses with equal aplomb. -Chicago Tribune A homage to the 'city of sand'. . . Filled with finely crafted sentences and poetic images that capture with equal clarity the mundanities of the A&P and Provincetown's magical shadows and light . . . Highly evocative and honest. It takes you there. -The Boston Globe

Lands' End Business Attire for Men Lands' End, Inc,2004 "Can I wear this tie with this shirt?" Men have asked this question for years. But now there's a new twist: "Should I wear a tie—at all?" Traditional was easy. Today's business attire is not.Lands' End® Business Attire for Men can make it easier once again, helping you quickly and confidently decide exactly what to wear to work. This book is full of workplace assessment tools to help you size up the situation at a glance and suit up or dress down as the case requires. A wealth of mix-and-match examples and outfits offer a broad spectrum of choices so you can always be confident that you are correctly dressed. Based on a simple ABC model,Lands' End® Business Attire for Mendetermines which workplaces are right for Almost a Suit outfits, times and places for Best of Both Worlds ensembles, and occasions when "Clearly Casual" wear is acceptable and even preferable. From "Pants to Avoid" to business travel checklists and advice for recent college grads,Lands' End® Business Attire for Menwill guide you toward a working wardrobe that is appropriate, efficient, and adaptable. Practical and down-to-earth, this eminently sensible guide to dressing for work leaves you plenty of time for making the real business decisions—like what to have for lunch.

**Land's End** Marta Perry,2009-10-29 From the national bestselling author: "A beautiful story of surprise, betrayal and faith. Your heart will go out to the characters as the plot unfolds." —CataRomance Reviews Confused and angry, Dr. Sarah Wainwright returned to the Georgia island of St. James in search of answers to her husband's mysterious death—in an apparent lovers' tryst with the wife of wealthy industrialist Trent Donner. Anger seemed to be the only edge Sarah had—Trent's control of the island and his protectiveness for his young daughter were enough to drive even this scandal back into the shadows. A man whose life depended on keeping his secrets; a woman whose future depended on learning the truth—could her quest set them free, or would it destroy them all? "Grab a cup of coffee and put your feet up—you are not going to want to put Marta Perry's suspenseful Land's End down, not even for a second. Four and a half Stars, Top Pick!" —Romantic Times

**The Bright Lands** John Fram,2020-07-07 A Best Book of 2020 from Library Journal, CrimeReads, and BookPage "Marks the debut of an already accomplished novelist." —John Banville The town of Bentley holds two things dear: its football, and its secrets. But when star quarterback Dylan Whitley goes missing, an unrelenting fear grips this remote corner of Texas. Joel Whitley was shamed out of conservative Bentley ten years ago, and while he's finally made a life for himself as a gay man in New York, his younger brother's disappearance soon brings him back to a place he thought he'd escaped for good. Meanwhile, Sheriff's Deputy Starsha

Clark stayed in Bentley; Joel's return brings back painful memories—not to mention questions—about her own missing brother. And in the high school hallways, Dylan's friends begin to suspect that their classmates know far more than they're telling the police. Together, these unlikely allies will stir up secrets their town has long tried to ignore, drawing the attention of dangerous men who will stop at nothing to see that their crimes stay buried. But no one is quite prepared to face the darkness that's begun to haunt their nightmares, whispering about a place long thought to be nothing but an urban legend: an empty night, a flicker of light on the horizon—The Bright Lands. Shocking, twisty and relentlessly suspenseful, John Fram's debut is a heart-pounding story about old secrets, modern anxieties and the price young men pay for glory.

**When I Walk, I Bounce** Mark Moxon,2007-02 Convinced that walking from Land's End to John o'Groats will be a pleasant way to spend the summer, Mark Moxon soon discovers that there's a lot more to crossing Britain than simply putting one foot in front of the other. Here, he takes us not only on a journey of 1111 miles, but also of the highs and lows of long-distance walking.

**A Week at the Land's End** John Thomas Blight,1861

**Dryland's End** Felice Picano,2021-03-23 Five thousand years in the future, life itself is in jeopardy!A rebellion of intelligent Cybernetic servants has left the Females of the galaxy virtually sterile, crippling the controlling political body - the Matriarchy. The race is on to find a solution, but will it be enough to save the Matriarchy as other galactic authorities attempt to dominate them using sabotage and all-out war? Dryland's End is Felice Picano's science fiction adventure for the new millennium. The novel touches on many of today's most controversial subjects, such as interracial relationships, gender conflicts, gender identity, and same-sex pairings-and views them with a lens toward the future.The epic scale of Dryland's End, has been rewarded with two follow-ups. The City on a Star trilogy carries on with The Betrothal at Usk (Oct 2021) and A Bard on Hercular (Spring 2022).First published in 1995, the Virginia Gazette acclaimed the novel as a phenomenally well-written book. This new edition features a foreword by the author.

**The End to End Trail** Andy Robinson,2019-09-12 A practical guidebook for walking from Land's End to John O'Groats. The 1956km (1215 mile) long-distance route, known as the End to End Trail, follows paths and tracks rather than road, and takes to the hills whenever it can. The route is presented in 61 daily stages averaging just less than 32km (20 miles).

**Land's End Circuit** MAX. LANDSBERG,2020-06 The South West Coastal Path is the longest National Trail in the UK, and its full 630 miles is off-putting to most recreational walkers. This carefully selected section from St Ives to Penzance provides a superb taster experience that readily fits inside one week. Enjoy some of the UK's finest coastal scenery including around Land's End, its wild south-western extreme. This part of Cornwall is surprisingly accessible by mainline railway, and it offers plenty of charming places to stay and eat. The book includes an option to complete the circuit inland by St Michael's Way, and also a side-trip by tidal causeway to St Michael's Mount. The detailed route description is enhanced by background on Cornwall's geology, history and culture.Lavishly illustrated, the book has 80+ colour photos and 15 pages carrying detailed route mapping (1:35,000). It is in a slim pocket-friendly format and, like all Rucksack Reader guidebooks, printed on rainproof paper.

**The Opposite of Spoiled** Ron Lieber,2015-02-03 New York Times Bestseller “We all want to raise children with good values—children who are the opposite of spoiled—yet we often neglect to talk to our children about money. . . . From handling the tooth fairy, to tips on allowance, chores, charity, checking accounts, and part-time jobs, this engaging and important book is a must-read for parents.” — Gretchen Rubin, author of The Happiness Project In the spirit of Wendy Mogel's The Blessing of a Skinned Knee and Po Bronson and Ashley Merryman's Nuture Shock, New York Times “Your Money” columnist Ron Lieber delivers a taboo-shattering manifesto that explains how talking openly to children about money can help parents raise modest, patient, grounded young adults who are financially wise beyond their years For Ron Lieber, a personal finance columnist and father, good parenting means talking about money with our kids. Children are hyper-aware of money, and they have scores of questions about its nuances. But when parents shy away from the topic, they lose a tremendous opportunity—not just to model the basic financial behaviors that are increasingly important for young adults but also to imprint lessons about what the family truly values. Written in a warm, accessible voice, grounded in real-world experience and stories from families with a range of incomes, The Opposite of Spoiled is both a practical guidebook and a values-based philosophy. The foundation of the book is a detailed blueprint for the best ways to handle the basics: the tooth fairy, allowance, chores, charity, saving, birthdays, holidays, cell phones, checking accounts, clothing, cars, part-time jobs, and college tuition. It identifies a set of traits and virtues that embody the opposite of spoiled, and shares how to embrace the topic of money to help parents raise kids who are more generous and less materialistic. But The Opposite of Spoiled is also a promise to our kids that we will make them better with money than we are. It is for all of the parents who know that honest conversations about money with their curious children can help them become more patient and prudent, but who don't know how and when to start.

**To the End of the Land** David Grossman,2010-09-21 NATIONAL BESTSELLER • A stunning novel that tells the powerful story of Ora, an Israeli mother, and her extraordinary love for her son, Ofer, in a haunting meditation on war and family. “One of the few novels that feel as though they have made a difference to the world.” —The New York Times Book Review Just before his release from service in the Israeli army, Ora's son Ofer is sent back to the front for a major offensive. In a fit of preemptive grief and magical thinking, so that no bad news can reach her, Ora sets out on an epic hike in the Galilee. She is joined by an unlikely companion—Avram, a former friend and lover with a troubled past—and as they sleep out in the hills, Ora begins to conjure her son. Ofer's story, as told by Ora, becomes a surprising balm both for her and for Avram.

**Swift Vengeance** Jean Copeland,Jackie D,Erin Zak,2021-06-15 Months after accomplished journalist Brittany is nearly killed in a motorcycle accident, her body is healing, but her mind has changed. When she begins experiencing the strange, violent visions of someone bent on murder, they lead her to Swift Island, a sleepy LGBTQ+ summer retreat. Toni has wounds of her own to heal. Heartbroken from her breakup with a womanizer she believed she could change, she accepts her aunt Leslie's invitation to spend time with them on Swift Island and work in their brewpub, the Second Wave. Although consumed with their own lives on the island, when Brittany and Toni meet, their attraction is immediate, but a killer lurks in the shadows of this cozy enclave, and the only way to stop one of them from becoming the next victim is to help Brittany focus on the message of her visions.

**Lands End** Jackie D,2016-09-13 In the blink of an eye, Lena Michaels's dreams of college became a distant memory. A robbery gone wrong in her family's locally owned restaurant took the life of her parents. The only witness to the gruesome tragedy was Laura, Lena's nine-year-old sister. Seven years later, the murders remain unsolved and Laura is now a rebellious teenager, dead set on pushing her sister's limits. Amy Kline is a public relations hotshot for the San Francisco Miners football team. Her only focus is keeping her publicity prone clients out of hot water. When Laura's rebellious streak puts her in the sights of the Miners' star wide receiver, Lena and Amy will have to face off to protect what is important to them. What neither is prepared for is that the price could be their hearts.

- LanSend Introduction**
- In todays digital age, the availability of LanSend books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of LanSend books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of LanSend books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing LanSend versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, LanSend books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing LanSend books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for LanSend books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, LanSend books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of LanSend books and manuals for download and embark on your journey of knowledge?
