**Def Jam, Inc.** Stacy Gueraseva,2011-03-30 In the early '80s, the music industry wrote off hip-hop as a passing fad. Few could or would have predicted that the improvised raps and raw beats busting out of New York City's urban underclass would one day become a multimillion-dollar business and one of music's most lucrative genres. Among those few were two visionaries: Russell Simmons, a young black man from Hollis, Queens, and Rick Rubin, a Jewish kid from Long Island. Though the two came from different backgrounds, their all-consuming passion for hip-hop brought them together. Soon they would revolutionize the music industry with their groundbreaking label, Def Jam Records. Def Jam, Inc. traces the company's incredible rise from the NYU dorm room of nineteen-year-old Rubin (where LL Cool J was discovered on a demo tape) to the powerhouse it is today; from financial struggles and scandals—including The Beastie Boys's departure from the label and Rubin's and Simmons's eventual parting—to revealing anecdotes about artists like Slick Rick, Public Enemy, Foxy Brown, Jay-Z, and DMX. Stacy Gueraseva, former editor in chief of Russell Simmons's magazine, Oneworld, had access to the biggest players on the scene, and brings you real conversations and a behind-the-scenes look from a decade—and a company—that turned the music world upside down. She takes you back to New York in the '80s, when late-night spots such as Danceteria and Nell's were burning with young, fresh rappers, and Simmons and Rubin had nothing but a hunch that they were on to something huge. Far more than just a biography of the two men who made it happen, Def Jam, Inc. is a journey into the world of rap itself. Both an intriguing business history as well as a gritty narrative, here is the definitive book on Def Jam—a must read for any fan of hip-hop as well as all popular-culture junkies. From the Hardcover edition.

**Goodbye, My Little Ones** Charles Hickey,Todd Lighty,John O'Brien,2018-09-02 The true story of a murderous mother and five innocent victims. With eight pages of photos Charles Hickey, Todd Lighty, and John O'Brien bring the story of a mother not fit for the title. Waneta Hoyt's first baby died. Then her second. Then her third. Nobody, including her husband, suspected Waneta Hoyt—or stopped her from having more babies. Then her fourth baby died. Then her fifth. And the famed medical expert declared they had died of sudden infant death syndrome and use them to support his theory that SIDS ran in families. One man, however, did not except the diagnosis. District Attorney Bill Fitzpatrick set out to expose the truth about a crime hard to imagine. To do so meant convicting a woman who had won the hearts of all. And just proving a doctor who had climbed to the top of his field with the help of little corpses. Brace yourself for a true story of motherhood, medicine, and murder you will remember every time you hear a baby crying.

**I Am Me by God's Design** Daisy Lighty Jackson,2023-02-13 Everyone has to learn how to be themselves in order that they may live the lives which God purposed for them. So many of us are unable to walk in what God has called us to do because we don't recognize where we fit in. Too many times we put our focus on what someone else is doing and we begin to question our own abilities. Our assignment gets overlooked because we think we're not capable or we think it is not important. I believe God wanted me to write this book. This book is meant to stir an awakening in the reader to stand up and be counted. God put thought into each one of us. He didn't create us to sit on the sidelines. We've got work to do.

**A Distant Connection** Kenneth Jamal Lighty,2013-08 A DISTANT CONNECTION is an absolute must read for all who find themselves intrigued by the criminal lifestyle in its many facets. From a hi-maximum security prison cell constructed to maximize human loneliness; a site designed to kill the mind; Kenneth Jamal Lighty manages to not only live, but thrive. Through self-cultivated intellect and hard-earned wisdom, he uses the single, most powerful weapon known to a prisoner -the ink pen- to not only bring the plight of the incarcerated into the consciousness of many throughout the world, but also to make a difference by inspiring and informing those whom he manages to come into contact with. In his book debut, Kenneth's efforts to warn a generation of youth who appear to be enamored with street life are nothing short of remarkable. Reaching out to several of his peers, spanning several states across the country, and with various affiliations, he manages to create a pseudo-panel, providing a platform for prisoners to be able to share the hard-earned wisdom attained from years of making their own mistakes, in an effort to alter the trajectory of a generation that is seemingly on a road that will only lead to one or two places: the penitentiary or the cemetery. Via letters, filled with rawness and empathy, each reader is challenged to try a different route to success. Each individual opens up to reveal the pain beneath the exterior, and offers sound advice on how not to end up a victim of bad choices, before it is too late. Long overdue, A Distant Connection is a much needed intervention that will hopefully inspire change, and place our young people back on the path that will lead to a productive, healthy future.

LIZ LIGHTY rêve d'aller à la prestigieuse université de Pennington pour jouer dans son célèbre orchestre et devenir médecin, mais son rêve s'écroule quand la bourse sur laquelle elle comptait lui est refusée. Il ne lui reste alors qu'un seul moyen pour accéder à son but : devenir la reine de la promo de son lycée et remporter la somme qui lui permettra d'aller à Pennington. Pour cela, elle va devoir endurer la rudesse des réseaux sociaux, les concurrentes peu aimables, voire très hostiles, et les événements publics humiliants. La seule chose positive dans tout cela est la nouvelle du lycée : Mack. Elle est intelligente, belle et elle a l'air d'être elle aussi une outsider. Mais voilà... Mack est également décidée à décrocher la couronne de la reine de la promo. Liz laissera-t-elle ses sentiments prendre le pas sur son objectif ? La Méthode Lighty est une comédie acidulée dans l'air du temps : drôle, romantique, cruelle, touchante et à dévorer sans modération !

pile all of a sudden...now he is dead...a supposed suicide. I hope folks are actually beginning to see through this whoredom industry and how it works...go against them or don't do as they say and it's a wrap...and they will make sure the story that leads up to your demise is believable. Chris' story is absolutely amazing.

*The Big Payback* Dan Charnas,2011-11-01 “There has never been a better book about hip-hop...a record-biz portrait that jumps off the page.”—A.V. Club THE INSPIRATION FOR THE VH1 SERIES THE BREAKS The Big Payback takes readers from the first \$15 made by a “rapping DJ” in 1970s New York to the multi-million-dollar sales of the Phat Farm and Roc-a-Wear clothing companies in 2004 and 2007. On this four-decade-long journey from the studios where the first rap records were made to the boardrooms where the big deals were inked, The Big Payback tallies the list of who lost and who won. Read the secret histories of the early long-shot successes of Sugar Hill Records and Grandmaster Flash, Run DMC's crossover breakthrough on MTV, the marketing of gangsta rap, and the rise of artist/ entrepreneurs like Jay-Z and Sean “Diddy” Combs. 300 industry giants like Def Jam founders Rick Rubin and Russell Simmons gave their stories to renowned hip-hop journalist Dan Charnas, who provides a compelling, never-before-seen, myth-debunking view into the victories, defeats, corporate clashes, and street battles along the 40-year road to hip-hop's dominance.
