

**Line**

**United States. Bureau of Mines**

**The Line** Paula Bossio,2013-09 A story without words in which a little girl has fun with a line drawn by a pencil.

**Follow the Line** Laura Ljungkvist,2006-05-04 Follow the line on a journey from the city to the country, from the sky to the ocean, from morning till night. Laura Ljungkvist uses her trademark continuous line style to create the perfect counting book for young children. Each scene contains questions designed to get children looking, counting, and thinking. For example, in the underwater picture, children can count seashells, turtles, and the legs on an octopus. Each page is packed with colorful, artful objects and animals—and young counters can follow the line from the front cover to the back cover, through each stunning scene.

**To Be a Line** Sarah Otts,2019-05-08

**The Line** Teri Hall,2010-03-04 An invisible, uncrossable physical barrier encloses the Unified States. The Line is the part of the border that lopped off part of the country, dooming the inhabitants to an unknown fate when the enemy used a banned weapon. It's said that bizarre creatures and superhumans live on the other side, in Away. Nobody except tough old Ms. Moore would ever live next to the Line. Nobody but Rachel and her mother, who went to live there after Rachel's dad died in the last war. It's a safe, quiet life. Until Rachel finds a mysterious recorded message that can only have come from Away. The voice is asking for help. Who sent the message? Why is her mother so protective? And to what lengths is Rachel willing to go in order to do what she thinks is right? View our classroom guide for *The Line* by Teri Hall

*New U.S. Border Station and Commercial Port of Entry, Derby Line* ,2007

*Leadership on the Line, With a New Preface* Ronald

Heifetz, Marty Linsky, 2017-06-20 The dangerous work of leading change--somebody has to do it. Will you put yourself on the line? To lead is to live dangerously. It's romantic and exciting to think of leadership as all inspiration, decisive action, and rich rewards, but leading requires taking risks that can jeopardize your career and your personal life. It requires putting yourself on the line, disrupting the status quo, and surfacing hidden conflict. And when people resist and push back, there's a strong temptation to play it safe. Those who choose to lead plunge in, take the risks, and sometimes get burned. But it doesn't have to be that way say renowned leadership experts Ronald Heifetz and Marty Linsky. In *Leadership on the Line*, they show how it's possible to make a difference without getting taken out or pushed aside. They present everyday tools that give equal weight to the dangerous work of leading change and the critical importance of personal survival. Through vivid stories from all walks of life, the authors present straightforward strategies for navigating the perilous straits of leadership. Whether you're a parent or a politician, a CEO or a community activist, this practical book shows how you can exercise leadership and survive and thrive to enjoy the fruits of your labor.

*On the Line* Paul Coccia, Eric Walters, 2022-03-15 Thirteen-year-old basketball star Jordan Ryker feels like his life is falling apart. All Jordie wanted was for his parents to stop fighting. Soon, he gets his wish. His parents separate and then his dad announces he's gay. Shocked, Jordie struggles with how to process all this. His dad taught him everything he knows about basketball, and there's an important championship game coming up. He needs him more than ever. But Jordie feels like his dad has abandoned his family. He doesn't want anything to do with him now

and he definitely doesn't want to meet his dad's new boyfriend. It takes a new girl with wicked basketball skills and a revelation from his best friend to help Jordie realize that while some things change, other things never do.

**Flow of Natural Gas Through High-pressure Transmission Lines** United States. Bureau of Mines, 1935  
**Instructions for the Building and Maintenance of Telephone Lines on the National Forests** United States. Forest Service, 1912

**Software Product Lines** Patrick Donohoe, 2012-12-06  
Software product lines are emerging as a critical new paradigm for software development. Product lines are enabling organizations to achieve impressive time-to-market gains and cost reductions. With the increasing number of product lines and product-line researchers and practitioners, the time is right for a comprehensive examination of the issues surrounding the software product line approach. The Software Engineering Institute at Carnegie Mellon University is proud to sponsor the first conference on this important subject. This book comprises the proceedings of the First Software Product Line Conference (SPLC1), held August 28-31, 2000, in Denver, Colorado, USA. The twenty-seven papers of the conference technical program present research results and experience reports that cover all aspects of software product lines. Topics include business issues, enabling technologies, organizational issues, and life-cycle issues. Emphasis is placed on experiences in the development and fielding of product lines of complex systems, especially those that expose problems in the design, development, or evolution of software product lines. The book will be essential reading for researchers and practitioners alike.

**Transportation Lines on the Atlantic, Gulf, and Pacific Coasts** United States. Army. Corps of

Engineers,1976

**Draw the Line** Laurent Linn,2016-05-17 After a hate crime occurs in his small Texas town, Adrian Piper must discover his own power, decide how to use it, and know where to draw the line in this “powerful debut” novel (Publishers Weekly, starred review) exquisitely illustrated by the author. Adrian Piper is used to blending into the background. He may be a talented artist, a sci-fi geek, and gay, but at his Texas high school those traits would only bring him the worst kind of attention. In fact, the only place he feels free to express himself is at his drawing table, crafting a secret world through his own Renaissance-art-inspired superhero, Graphite. But in real life, when a shocking hate crime flips his world upside down, Adrian must decide what kind of person he wants to be. Maybe it’s time to not be so invisible after all—no matter how dangerous the risk.

**An Introduction to Basic Data for Electrical Transmission Lines** J. Paul Guyer, P.E., R.A., Introductory technical guidance for electrical, civil and structural engineers interested in basic data for electrical power transmission lines. Here is what is discussed: 1. FIELD DATA 2. SAFETY CODES 3. COST ESTIMATES 4. SELECTION OF TYPE OF CONSTRUCTION 5. NORMAL, RULING, AND EFFECTIVE SPANS 6. SELECTION OF CONDUCTORS 7. STRESS-STRAIN CURVES 8. THE PARABOLA AND THE CATENARY 9. DESIGN INSTRUCTIONS 10. TRANSMISSION LINE DATA SUMMARY FORM.

Transportation Lines on the Mississippi River System and the Gulf Intracoastal Waterway United States. Army. Corps of Engineers,1936

*The Line Tender* Kate Allen,2020-04-21 Funny, poignant, and deeply moving, *The Line Tender* is a story of

nature's enduring mystery and a girl determined to find meaning and connection within it. Wherever the sharks led, Lucy Everhart's marine-biologist mother was sure to follow. In fact, she was on a boat far off the coast of Massachusetts, collecting shark data when she died suddenly. Lucy was seven. Since then Lucy and her father have kept their heads above water--thanks in large part to a few close friends and neighbors. But June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport. On one steamy day, the tide brings a great white--and then another tragedy, cutting short a friendship everyone insists was meaningful but no one can tell Lucy what it all meant. To survive the fresh wave of grief, Lucy must grab the line that connects her depressed father, a stubborn fisherman, and a curious old widower to her mother's unfinished research on the Great White's return to Cape Cod. If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved, she'll finally be able to look beyond what she's lost and toward what's left to be discovered. □Confidently voiced.—Kirkus Reviews, starred □Richly layered.—Publishers Weekly, starred □A hopeful path forward.—Booklist, starred □Life-affirming.—BCCB, starred □Big-hearted. —Bookpage, starred □“Will appeal to just about everyone.” – SLC, starred □Exquisitely, beautifully real.—Shelf Awareness, starred
