Internet Famous M.B. Guel,2021-12-01 Billie Alvarez is your average punk rock loving high school senior who just wants to hang out with her best friend, Rex, and get her ex-girlfriend back. In a half-baked attempt to impress her by auditioning for the lead part in the school musical, Billie gets turned down because she’s a girl trying out for a traditionally male part. When her online rant about the school being homophobic goes viral, she must navigate her newfound fame along with the typical drama that comes with getting through high school. Between rehearsals, trying to get her band back together and an endless onslaught of online admirers, Billie must decide what’s important to her. Is it the fleeting happiness of getting attention online? Figuring out what she wants to do after high school? Or getting her ex back? Then there’s her co-star in the school play, who’s getting much more interesting now that they’re spending more time rehearsing together.

Queerleaders M.B. Guel,2020-03-01 “Mack snuck a look over her shoulder at the cheerleaders just as Veronica took her place at the top of the pyramid. Time seemed to slow as Veronica swung her long, blond ponytail over her shoulder, pompoms high in the air...” Mackenzie is used to being different from other kids—and to being bullied for not fitting into the rigid social expectations of her Catholic high school. Luckily, Mack’s best friend Lila has her back so school isn’t the total hell it could be. But it’s pretty damn close. Until something very mysterious happens—Mack becomes a cheerleader magnet. Even she has a hard time believing it. And Lila is not too happy about her friend’s sudden popularity with the cool kids. Is Mack being set up for an epic fail? Or is she finally headed for acceptance—and maybe even romance...
