L. Ann Marie

Mc: Pres L. Ann Marie,2015-05-09 Ben James was groomed to become a new kind of MC President. He understands the way people think and stays a step ahead in the ever changing world his MC is building. Maintaining the 'clean' community they're building for their families is not easy. Every Club and gang wants either a piece of their businesses or to sell within their town. When things start moving in the right direction his wife leaves him for a more exciting life of Club mayhem and destruction. She misses the way it used to be. Ben raises his son with the help of his Brothers but misses sharing his life with a partner. Danny has become one of his closest Brothers, he has an idea and puts a plan in motion to get the one thing he's missing in his life, a partner. His relationship with Kate is solid but they both want more. Pres is just the kind of guy that can handle Danny's unassuming but charismatic nature and match him in honor, respect and loyalty. Adding a partner to an established couple isn't easy. Jealousy, expectations and the potential to ruin what's already in place is the price adding that partner comes with. Danny is willing to do whatever it takes to make and keep Kate happy, even if it's pulling the plug on Pres and the idea of a third in the bedroom and in their life.

MC: Pres L. Ann Marie,2015-10-05 Ben is so close to his dream, but he has no one to share it with. He sees his Officers finding strong women who build and solidify their purpose and his dream of a clean Brotherhood. Everyone is working and living peacefully within their drug free neighborhoods and community. They raise their kids to take care of each other and treat their women with respect. Kate runs the Women's Center within the MC's backyard. Ben admires Kate's strength, ability, and compassion running the Center and adopting kids from the shelters that would have gone into the system. Danny, Kate's husband, is Ben's Building Supervisor and number two High Security enforcer when he's needed. He's proven himself and

earned respect from his Brothers and Ben. When Ben's old lady leaves he moves a few houses away from Kate and her family. He finds himself drawn to them and starts to wonder if he'll ever find a woman like Kate to share his life with. This is the story of Ben, Kate, and Danny. **Content Warning: includes graphic language and sex, including m/f/m. Intended for mature audiences 18+**

MC: Laponte-Karr L. Ann Marie, 2015-09-21 Rich spent his teenage years in the MC and decided to become a soldier. The MC sent him to the military for training. He made it through BUDS and onto the elite group of satellites. Rich does everything with his roommate/Brother Patches, including bedding women. When their Club buys a woman from the rival Outlaws, Rich finds work is not the only challenge he has to face--Patches is in a constant battle with his insecurities. For Rich falling for an abused woman and being dominant by nature is not an obstacle he's confident he can overcome. For Patches, Tess is everything, but is he enough for her? Can he overcome his inner demons and find what he's always longed for, his own family? Tess' eerie dreams pose problems and save lives. She puts her life and their love on the line for the men she loves. Together, they'll fight for what they want and what they believe in. **Content Warning: includes graphic language and sex, including m/f/m. Intended for mature audiences 18+**

Atticus - Taking over the gavel from my father as the President of Cowboy Bikers MC was something I was raised for. But doing it while running the MC's ranch and

Claiming her is one thing, keeping her safe is a challenge of life and death, one I have no intention of losing. Frankie - Solving crime is second nature as a special agent, but working a case with a motorcycle club who have a ranch filled with Cowboy Bikers who are a highly skilled special crime fighting division of the government is something entirely different. Though, they are just what I need to have my back when my life hangs in the balance.

For Amelia, having a man who allows her to make mistakes and call her beautiful on her worst day, dares the soon to be mother the right to dream of a place for herself and children. Cass knows the women they are set to save are damaged and need time to heal. Consequences be damned, though, he wants to fight for her. Lust will take a turn and gallop toward love at full speed, taking on any danger it might face along the way. Roper - I'm the vice president of an MC located at a huge ranch which breeds both longhorns and quarter horses. I'm not just a biker, a cowboy, a World Champion bull rider, or a rancher, but I am a man of many trades and talents. And one of those is to protect the one who captured my attention at first glance. Cassidy - My past sculpted me into who I am today. I've managed to keep Roper at arm's length because of my past, but he is very persistent and patiently waits for a second chance. All I want is to ignore my feelings, work at the veterinarian clinic, and save animals. But it seems in the end, I'm the one who needs saving. **WARNING; each book in the Cowboy Bikers MC series is a standalone short story featuring a new couple and can be read together or separately. Wicked Nicole James, 2021-03-25 From Wall Street Journal and USA Today bestselling author Nicole James, comes a second chance, friends to lovers romance. A woman lost in grief and pain. A bossy biker determined to bring her back to life. A wickedly wild ride. Paige knows the meaning of pain and loss. Two years ago she left town to nurse her grief over the death of her husband in a tragic bike wreck. Now she's back-returning to the one family that understands the depth of her loss-her MC family. WICKED-My brother's ol' lady. I've carried unspoken feelings for her since the night we met. Ransack and I were as close as two MC brothers could be. I was with him the night he died. I held Paige in my arms in the trauma bay as she collapsed, her wailing sobs tearing my heart out. And the month after the funeral, I helped her load up Ransack's old truck and head off for Macon-taking my heart with

her. I wish I could take that pain away from her. More than once I've wished I'd died in my brother's place. Ransack's death had been a huge loss for me, but watching Paige drive out of my life as well, ripped my heart out. Now she's back. When I see her standing across the clubhouse, instantly my lust for her flares back to life like it's been days, not years. She drove out of my life once, but I'll be damned if I'll waste this second shot with her. All I have to do is win her heart from a dead man. I'll do anything to keep my woman safe. Only problem is—Paige is stubborn and willful. And she never does anything she's told. PAIGE-Wicked. He's the one man I could always count on. When I see him across the clubhouse for the first time in years, my heart begins beating again. I need him, more than he can possibly know. But in order to have a chance together, I have to let go of the past. That's easier said than done. When information comes to light, I begin to question if my husband's death was the tragic accident it appeared. Determined to find out the truth... I won't let anything stop me. But the evidence I dig up could put everything I hold dear in jeopardy—Wicked, our future, and my very life.
