Maestro Roger Nierenberg, 2009-10-15 A conductor reveals powerful leadership lessons by explaining the inner workings of a symphony orchestra Roger Nierenberg, a veteran conductor, is the creator of The Music Paradigm, a unique program that invites people to sit INSIDE a professional symphony orchestra as the musicians and conductor solve problems together. He captures that experience in *Maestro: A Surprising Story about Leading by Listening*, a parable about a rising executive tough challenges. The narrator befriends an orchestra conductor and is inspired to think about leadership and communication in an entirely new way. For instance: • A maestro doesn't micromanage, but encourages others to develop their own solutions. There's a big difference between conducting and trying to play all the instruments. • A maestro helps people feel ownership of the whole piece, not just their individual parts. • A maestro leads by listening. When people sense genuine open-mindedness, they offer more of their talent. If not, they get defensive and hold back their best ideas. • Truly great leaders, whether conductors striving for perfect harmony or CEOs reaching for excellence, act with a vision of their organization at its best. Maestro John Gardner, 2013-04-18 Louis Passau is America's greatest living orchestral conductor, a legendary, world-acclaimed artist whose ninetieth birthday will be marked by a glittering celebratory concert at New York's Lincoln Center. But a double shadow hangs over the event: Passau has recently been accused of spying for Hitler and, worse, the British Secret Intelligence Service have now linked his name to KGB clandestine operations in the USA during the Cold War. The Maestro agrees to be interrogated, but only after the concert. British Intelligence call in Big Herbie Kruger to question the Maestro, and thanks to the once-famous agent-runner Passau survives an assassination attempt in his moment of glory. Still a target, he now insists on dealing only with Kruger, who desperately seeks a safe-house to conduct the debriefing. As he grapples with the elusive truth about the conductor - from the man's first memories of his Bavarian village, to his adventures as a young immigrant in New York, his experiences in Capone's Chicago and his ruthless rise to fame and fortune - Herbie Kruger finds himself ensnared in the Maestro's dangerous secrets and deceptions.

Details the extraordinary collaboration between a world-renowned musical maestro and an innovative Pope Shows how music can act as a bridge between people of different faiths A moving, inspirational, and personal story that appeals to music lovers and to people of all faith traditions This is a compelling tale of faith, friendship, and the healing power of music to bring people together.

Maestro Peter Goldsworthy, 2014 Against the backdrop of Darwin, that small, tropical hothouse of a port, half-outback, half-oriental, lying at the tip of northern Australia, a young and newly arrived southerner encounters the 'maestro', a Viennese refugee with a shadowed past. The occasion is a piano lesson, the first of many. 'I enjoyed Maestro enormously. Besides its thoughtfulness and bright sensuality, it has a playful quality, a love of jest, which appealed to me very much.' Helen Garner, SYDNEY REVIEW On release, MAESTRO was hailed 'a splendid achievement, a wise, deeply felt novel that continues to haunt well after one has finished it. It is distinguished by subtlety, by economy and by a quality often lacking in even the best of recent novels - an unerring quality of tone' by Andrew Riemer in the SYDNEY MORNING HERALD. It has sold over 200,000 copies in Australia and

was voted by members of the Australian Society of Authors as one of the top 40 Australian Books of All time. 'the necessary elusiveness of perfection, the unplumbed ocean beneath articulateness, the ambivalence of beauty - these are the revolving concerns of Peter Goldsworthy, and handled not just with irony, but with an effervescent, compassionate wit. He can't help being funny, but he's wise too.' - AUSTRALIAN BOOK REVIEW

The Real Toscanini Cesare Civetta, 2012-09-01 (Amadeus). Lauded by Verdi, Debussy, and other music legends, the celebrated conductor Arturo Toscanini raised the standards of orchestral and operatic performance over an astonishing 69 years on the podium. But as he did so, he acquired a reputation as something of a tyrant, who unleashed an explosive temper at musicians if rehearsals did not meet his expectations. In *The Real Toscanini*, Cesare Civetta presents an intriguing collection of vivid, one-of-a-kind interviews with artists who performed with Toscanini. A portrait of the inner workings of the maestro emerges through these extensive conversations, conducted by the author over a period of 20 years, together with other firsthand recollections. These accounts clarify Toscanini's philosophy, musical style, and techniques. They depict a man tormented by inner demons of anger and depression, which were easily triggered by his frustration at being unable to produce the musical ideal in his mind's ear. Toscanini is also revealed as a vehement anti-Fascist and an unequivocal opponent of totalitarianism and racism he defied Mussolini and publically opposed Hitler. The book includes a comprehensive account of his 1936 inauguration of what is now known as the Israel Philharmonic, in solidarity with Jewish refugee musicians. Toscanini comes through in this book as a tortured but deeply humane individual who strove to constantly improve a sincere and humble musician who was nevertheless the preeminent maestro of the 20th century.

Maestro Stu Saves the Zoo Denise Brennan-Nelson, 2013-06-01 Since he was knee-high to a grasshopper, little Stu's favorite place to visit was the nearby zoo. He was there so often that even the animals recognized him. The animals' sounds, from the coos and the snorts, and the squeaks and bellows, and the brays and the whistles, were music to his ears. His mother called it a symphony. Stu loved to pretend to be a conductor when he listened to the animals. But now there is trouble brewing at the zoo. A man wants to take it over and turn it into something else, getting rid of the animals. When the animals learn of his plan, they want to take action. But no one has any ideas. No one but Stu. Young readers will enjoy seeing how Stu steps in to rally the animals to save their beloved zoo.

Maestro Claudia Gorbman, 2012 Lino Tagliapietra is arguably the world's finest living glassblower. Raised on the island of Murano, the Venetian glass center, Tagliapietra began learning the trade at the age of 11 from Muranese masters and had earned the title of maestro by age 21. He first came to Seattle in 1979, and openly shared his unsurpassed experience, understanding, and knowledge of traditional Venetian glassblowing techniques with artists in the United States. In return, he gained an appreciation for the American artists' quest for creative expression through experimentation and individual creativity, pushing him beyond his excellence in execution and into the realm of studio art. Claudia Gorbman explores Tagliapietra's current work in *Maestro*, which presents masterpieces created during the past decade (2002-2012). Her essay investigates the medium of glass as alchemy (its dichotomies, pleasures and properties) as well as the artist himself and his role in universally elevating the art and craft of glassmaking and changing the course of contemporary glass worldwide. Claudia Gorbman is professor of film studies at the University of Washington Tacoma. She is the author of *Unheard Melodies* (a book on film music), the translator and editor of five books by the French critic and composer Michel Chion, and co-editor of the forthcoming Oxford Handbook of New Audiovisual Aesthetics.

The Ignorant Maestro Itay Talgam, 2015-05-19 "Choosing ignorance might seem a terrible quality to exhibit in your workplace—a sure path down the stairs and out the corporate door. But stick with me here and see how it leads you upward. You'll understand why great leaders embrace ignorance and use it to elevate their people to new heights of achievement." A conductor in front of his orchestra is an iconic symbol of

leadership—but what does a true maestro actually do to enable the right sort of cooperation among his players, leading to an excellent performance? If you think his primary job is making sure the musicians play the right notes, prepare to be surprised. For twenty years, in addition to conducting orchestras around the world, Itay Talgam has been a “conductor of people” for companies large and small, for CEOs of Fortune 500 companies as well as startup entrepreneurs, and beyond. Drawing on his decades of experience on the podium, he teaches nonmusicians how conducting really works and how the conductor’s art can help leaders in any field. In his lectures (including an acclaimed TED talk) and now in this book, Talgam shows why imposing your vision on your people is likely to backfire. Great conductors may know in advance how they want a piece to be played, but they make room for the creativity and passion of their musicians. They respect the gap between the baton and the instruments. They focus more on listening than on speaking. And they embrace their own ignorance, knowing that others may have better ideas than the conductor can imagine. Talgam explores the nuances of leadership by describing the distinctive styles of six world-famous conductors: the commanding Riccardo Muti, the fatherly and passionate Arturo Toscanini, the calm Richard Strauss, the gurulike Herbert von Karajan, the dancing Carlos Kleiber, and the master of dialogue Leonard Bernstein. All took different approaches to the age-old leadership dilemma: how to maximize both control and creative freedom at the same time. The Ignorant Maestro will empower you to help your own team make even more beautiful music. Talgam’s anecdotes and insights will change the way you think about listening, humility, and the path to unpredictable brilliance.
