Martha doesn't share! Samantha Berger,2011-02-11
Martha has a new favorite word. And that word is MINE! Martha has officially mastered apologizing. Unfortunately, she still has a lot to work on when it comes to sharing. And while she doesn't learn to love it, she does discover that having her toys to herself means having to play with them all by herself, too. Not so fun! This hilarious follow-up to *Martha doesn't say sorry!* shows readers that sharing isn't all that bad when you take it one (small)

toy at a time--like Martha does. It gets easier every day. Well, almost every day.

Made Like Martha Katie M. Reid, 2018-07-10 An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers. Are you a Martha who feels guilty for not being a Mary? Do you want to sit at Jesus's feet as Mary did—but you feel the need to get things done? In *Made Like Martha*, Katie M. Reid invites you to exchange try-hard striving for hope-filled freedom without abandoning your doer's heart in the process. Through her own story and rich biblical illustrations, Katie reminds you that it's not important whether you sit and listen or stand and work. What matters is that your spiritual posture is one of a beloved daughter who knows she doesn't need to earn God's love. Your desire to get things done is not something to temper but something to embrace as you serve from a place of strength and peace—knowing Christ already did His most important work for you on the cross. With “It Is Finished” activities at the end of each chapter and a five-week Bible study included, *Made Like Martha* helps you find rest from striving even as you celebrate your God-given design to “do.” “*Made Like Martha* will infuse your life with a fresh perspective as you learn both to embrace your God-given personality and also discover how—and when—to rest and retreat.” —Karen Ehman, Proverbs 31 Ministries speaker and New York Times bestselling author of *Keep It Shut*

Who is Martha? Looking for Alice Sian Davey, David Lee Chandler, 2015
Looking For Alice by British photographer Sian Davey tells the story of her young daughter Alice and their family. Alice was born with Down's Syndrome, but is no different to any other little girl or indeed human being. She feels what we all feel. Their family is also like many other families, and Sian's portraits of Alice and their daily life are both intimate and familiar. She states: My family is a microcosm for the dynamics occurring in many other families. Previously as a psychotherapist I have listened to many stories and it is interesting that what has been revealed to me, after fifteen years of practice, is not how different we are to one another, but rather how alike we are as people. It is what we share that is significant. The stories vary but we all experience similar emotions. However despite the normality, the underlying

fact is that society does not acknowledge Alice as such, and her very existence was given little or no value. She entered a world where routine genetic screening at twelve weeks gestation is thrust towards birth prevention rather than birth preparation. Indeed, prior to the introduction of screening, children such as Alice would have been severely marginalised and ultimately institutionalised and given little or limited medical care. I was also deeply shocked when Alice was born as an 'imperfect' baby. I was fraught with anxiety that rippled through to every aspect of my relationship with her. My anxieties penetrated my dreams. On reflection I saw that Alice was feeling my rejection of her and that caused me further pain. I saw that the responsibility lay with me; I had to dig deep into my own prejudices and shine a light on them. The result was that as my fear dissolved I fell in love with my daughter. We all did.

Martha & Me It's Raining Elephants, 2018-01-19 A beautifully illustrated story that celebrates the joys of artistic creation and the power of imagination Martha loves drawing and painting. When she draws a lion that steps right out of the picture, the two go on a wild adventure. Martha paints a universe and embarks on a series of funny and surreal escapades with the lion and so begins a relationship full of invention, creativity, and exuberance. Eventually things get out of control—the lion is too wild and too hungry, and he disappears in the middle of their best adventure. Martha is inconsolable, but the only way out is through—so she takes another piece of paper and starts all over again. Beautifully illustrated with powerful and effective line drawings and bright Pantone inks, this story revels in the joy of artistic creation and unbound imagination.

Being Martha Lloyd Allen, 2006-01-23 Being Martha is a personal-at times a searingly personal-account of Martha's life from the inside, by a friend. It's fascinating-very anecdotal and very emotional. It won't be like anything else you've ever read about her. -John Small, editor of SaveMartha.com From Being Martha Martha has taught people to do many things and not in the way an ordinary teacher would, but in her own particular way. She taught people about the good things in life-the simple things. -Martha Kostyra, Martha's mother My mother and I have always been close. We are not closer since the trial and prison-we've always been close. . . . Don't we all want a better life? No matter what they say about my mom, all she ever does is teach the world good things that will help them in life. So what if she shows you the perfect way to do it? Would you want your professor at school to do anything less in any other subject? Her fans know what she's all about. -Alexis Stewart, Martha's daughter It was all about going and finding a piece of land and living off of it, learning how to get back to nature. Listening to banjos, listening to folk music, discovering Leadbelly and the Mamas and the Papas. We used to have the greatest evenings with a bunch of hospitable people. Martha would make pies and other things for the occasions. -George Christiansen, Martha's brother, about the early years Martha raised the bar for me and made me think big. . . . We have an alley cat, Ricky, that lives next door at the deli, and he roams in and out of the neighborhood. Ricky has no tail, he's dirty, and he acts like a dog. One morning during the trial, Martha was in the salon wearing a three-thousand-dollar Jil Sander suit. She was sitting on one of the chairs in the back. Ricky came in and jumped on top of her and was all over her, licking her neck and putting paw marks all over her. Martha said, 'Oh my God, this cat is so dirty, this is such a dirty little cat!' But she let him crawl all over her. She just dusted the hair and dirt off. She really has a lot of kindness in her. -Eva Scrivo, Martha's friend and hairdresser

Martha Speaks: Martha on the Case (Chapter Book) Susan Meddaugh, 2010-02-08 Two mysteries in one book! At Alice's birthday party, somebody - or some animal - has ruined the birthday cake. Facing accusations from Alice's brother and his cat, Nelson (Martha's nemesis), Martha proclaims her innocence in spite of overwhelming cake crumb evidence. Finally clearing her name, Martha moves on to apply her detective skills to uncover a plot to rob a local jewelry store. But it turns out that the main suspects are police detectives on a stakeout. Has Martha foiled the stakeout plan for good, or can she rally her canine friends to help her catch the real criminals? Includes a cast of characters introduction and two pages of word-fun activities.
