Attention Servicemember Ben Brody, 2020-09 Attention Servicemember is Ben Brody's searing elegy to the experience of the American wars in Iraq and Afghanistan. Brody was a soldier assigned to make visual propaganda during the Iraq War. After leaving the army, he traveled to Afghanistan as an independent civilian journalist. Returning to rural New England after 12 years at war, he found his home unrecognizable - even his own backyard radiated menace and threat. So he continued photographing the war as it exists in his own mind. This critically-acclaimed photobook was shortlisted for the Aperture-Paris Photo First Book Award and is now in its second printing.

The Catholic Mass Bishop Athanasius Schneider,Aurelio Porfiri,2022-01-25 We are going through a period of liturgical exile,

explains Bishop Athanasius Schneider in this enlightening book, and the vast proliferation of modern abuses are crying out for liturgical reform. The primary source of most modern abuses, he declares, is man's narcissistic tendency to idolize himself instead of paying homage to God. In what is sure to be seen as one of the most impressive and authoritative books ever written on the Catholic Mass, Bishop Schneider reestablishes what Catholics have known for centuries but have largely forgotten today: that the Mass is the highest form of Christian prayer, which enables us to express with exterior worship our interior belief. He describes how saints such as Padre Pio and John Vianney helped the faithful enter into a profound spiritual experience during Mass, and he explains why the Mass should serve as a means to lift our hearts to God so we can surrender to His will. You'll come to understand why the rubrics are vital to p
