Evil fairies who cast spells on her, rousing her from her sleep and propelling her out of bed. At wit's end with her daughter's inexplicable behavior, Tanya's mother sends her away to live with her grandmother at Elveden Manor, a secluded countryside mansion on the outskirts of a peculiar Essex town. There is plenty to explore, as long as Tanya stays away from Hangman's Wood- a vast stretch of forest, full of catacombs and notorious for people losing their lives. *The Care and Feeding of a Pet Black Hole* Michelle Cuevas, 2018-09-11 A girl's friendship with a lonely black hole leads her to face her own sadness in this original, funny, and touching middle grade novel for fans of *Crenshaw* and *Flora & Ulysses*. When eleven-year-old Stella Rodriguez shows up at NASA to request that her recording be included in Carl Sagan's Golden Record, something unexpected happens: A black hole follows her home, and sets out to live in her house as a pet. The black hole swallows everything he touches, which is challenging to say the least—but also turns out to be a convenient way to get rid of those items that Stella doesn't want around. Soon the ugly sweaters her aunt has made for her all disappear within the black hole, as does the smelly class hamster she's taking care of, and most important, all the reminders of her dead father that are just too painful to have around. It's not until Stella, her younger brother, Cosmo, the family puppy, and even the bathroom tub all get swallowed up by the black hole that Stella comes to realize she has been letting her own grief consume her. And that's not the only thing she realizes as she attempts to get back home. This is an astonishingly original and funny adventure with a great big heart.

Becoming Michelle Obama, 2021-03-02 Now in paperback—the intimate, powerful, and inspiring memoir by the former First Lady of the United States, featuring a new introduction by Michelle Obama, a letter from the author to her younger self, and a book

club guide with 20 discussion questions and a 5-question Q&A #1 NEW YORK TIMES BESTSELLER • WATCH THE EMMY-NOMINATED NETFLIX ORIGINAL DOCUMENTARY • OPRAH'S BOOK CLUB PICK • NAACP IMAGE AWARD WINNER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations—and whose story inspires us to do the same.

**Beyond the Laughing Sky** Michelle Cuevas, 2014-10-02 In the tradition of E. B. White and Kate DiCamillo comes the magical and moving story of a bird-like boy who longs to fly Ten-year-old Nashville doesn't feel like he belongs with his family, in his town, or even in this world. He was hatched from an egg his father found on the sidewalk and has grown into something not quite boy and not quite bird. Despite the support of his loving parents and his adoring sister, Junebug, Nashville wishes more than anything that he could join his fellow birds up in the sky. After all, what's the point of being part bird if you can't even touch the clouds? With an ear for language and a gift for storytelling, Michelle Cuevas will remind fans of *Stuart Little* and *Where the Mountain Meets the Moon* that anything is possible. Even flying.

Michelle's Grace of a Mustard Seed Michelle Rogers, 2018-09-26 People experience death, but I don't think anyone experienced more than I. Since the age of six, death was knocking at my Barbie townhouse. Understanding death took a very, very long time. It's not easy living while you're dying inside. I'm not perfect, I'm only human. I want to express love to the lonely, broken hearted, depressed and forgotten. This book is about survival. It's a celebration! This book is about joys and pains of my life. I would like every reader to take a walk and experience my journey. I offer support and strength to anyone suffering loss. Even when people die, they return in other forms. They don't rest in peace until we live at peace. Where would I be if it was not for God, only he can answer that question. God walked with me through every stage of grief. God has been by my side. Mind you, my grandmother was my legal guardian, not my mother. There was a big difference in age and experience. Nana had a certain set of values that she wore with honor like royalty. There were rules and regulations. Break one of Nana's rules, you'll speed travel to the moon. I always heard Do the right thing. The difference between us, I couldn't break her heart by any means necessary. Nana was unique. My grandmother was my world. She was and remains, until this day, the most important woman in my life. I am blessed. Two phenomenal women shared my world. Nobody can take my blessings away. I'm part of a legacy. I'm a survivor.

[Finding Me](#) Michelle Knight, 2014-05-06 The #1 New York Times Bestseller and inspirational memoir by Michelle Knight, whose survival story gripped the world and

continues to inspire and offer hope. Michelle was a young single mother when she was kidnapped by a local school bus driver named Ariel Castro. For more than a decade afterward, she endured unimaginable torture at the hand of her abductor. In 2003 Amanda Berry joined her in captivity, followed by Gina DeJesus in 2004. Their escape on May 6, 2013, made headlines around the world. Barely out of her own tumultuous childhood, Michelle was estranged from her family and fighting for custody of her young son when she disappeared. Local police believed she had run away, so they removed her from the missing persons lists fifteen months after she vanished. Castro tormented her with these facts, reminding her that no one was looking for her, that the outside world had forgotten her. But Michelle would not be broken. In *Finding Me*, Michelle will reveal the heartbreaking details of her story, including the thoughts and prayers that helped her find courage to endure her unimaginable circumstances and now build a life worth living. By sharing both her past and her efforts to create a future, Michelle becomes a voice for the voiceless and a powerful symbol of hope for the thousands of children and young adults who go missing every year.
