Breakcore Andrew Whelan,2009-05-27 Peer-to-peer music exchange, sampling, and digital distribution have garnered much attention in recent years, notably in debates about authorship, intellectual property, media control, and 'Web 2'. However, empirical scholarship on how these technologies are used creatively by musicians and fans is still sparse. In this interdisciplinary ethnography of 'bedroom producer' culture, Andrew Whelan examines interaction and exchange within a specific online milieu: peer-to-peer chatrooms dedicated to electronic music, focusing on a genre known as 'breakcore'. The author draws on semantic anthropology, ethnomethodology, sociolinguistics, and critical musicology to explore the activity afforded by this controversial and criminalised environment. Through in-depth analysis of often ritually vituperative text-based interaction, discussions of music, and the samples used in that music, Whelan describes the cultural politics and aesthetics of bedroom producer identity, highlighting the roles gender and ethnicity play in the constitution of subcultural authenticity. Empirically driven throughout, this book also engages with a spectrum of social theory; in doing so, it highlights the intersections between gender, interaction, technology and music. This book will prove valuable for students and scholars with interests in gender and language use, computer-mediated communication, online subcultures and virtual community, and the evolution, production and distribution of electronic music.

Madagascar Hilary Bradt,Daniel Austin,2014-07-01 'Madagascar' addresses the challenges and rewards of travel on this unique island, with coverage of natural history and local customs, and up-to-date information on the country's improving infrastructure

Madagascar Daniel Austin,Hilary Bradt,2017-08-17 A new, thoroughly updated 12th edition of Bradt's Madagascar, the leading and most comprehensive guide to this unique island nation, written by Hilary Bradt, who first visited in 1976 and has returned roughly 35 times, and Daniel Austin, who has visited 12 times and continues to travel there annually. Bradt's Madagascar is by far the most thorough guide to the country in English and is written and updated by established experts whose unparalleled knowledge of Madagascar combines with contributions from over 50 experts in a book which has been the most authoritative guide to the country for three decades. It covers national parks and protected areas and includes itineraries to suit all interests and budgets, plus details of around 1,000 hotels and restaurants. Madagascar is like nowhere else on earth. It is fascinating not only zoologically and botanically, but culturally, linguistically, historically and geologically. This vast island is the fourth largest in the world and also the oldest. This is part of the reason why it has evolved into an incredible hotspot for biodiversity, with a truly unique flora and fauna that is more than 80% endemic to the island, and with new species being described virtually on a daily basis. Madagascar is also the only place where you can see wild lemurs. Almost a quarter of the world's 450-or-so primates exist only here. With Bradt's Madagascar you can visit tropical rainforest and seek out its incredible flora and fauna; explore the otherworldly eroded limestone spires, most famously at Tsingy de Bemaraha National Park - Madagascar's most striking landscape; discover the beach-fringed islands around Nosy Be with their fabulous scuba diving, snorkelling, kayaking, whale-watching and fishing opportunities; and make the most of a host of adventuring and sporting possibilities, including surfing, windsurfing, kitesurfing, rock climbing, tree climbing, caving, river trips, mountain biking, distance running, quad biking, trekking and hiking. Also covered are the UNESCO World Heritage Site of Ambohimanga; the renowned Avenue des Baobabs, one of the country's most photographed scenes, and information on the best birdwatching spots: Madagascar has almost 300 avian species, with a high proportion of endemics, including five whole endemic families.

Guardian of Magic Stephanie Rowe,2018-07-13 Evil has never been so outrageous, unpredictable, and hilarious. Wickedly funny! ~New York Times bestselling author, Melanie James P.B. Noble is so ready to become the magical Guardian of the City of Boston...until she stumbles across the murder-in-process of the current Guardian. Her rescue attempt is a total fail, and puts her face-to-face with the GoD of Evil, a bad guy so nasty that he isn't even supposed to exist. Guess what? He does. And he's worse than anyone realizes. And, to top it off, his real target isn't the Guardian he just killed. It's P.B. When P.B. decides not to join the GoD of Evil in his psychotic world peace plan, he puts on the pressure by kidnapping her bestie, torturing an immortal warrior that just might be her first chance at true love, and completely screwing up the opening night of her new magical night club. If P.B. refuses to join him, everything that matters to her will be destroyed. But if she does cave to his demands, then the entire world will be annihilated. It's a tough call, really, but what's an overmatched, undertrained interim Guardian to do? Go for the option he didn't offer, which is to align with a slightly demented werewolf, recruit her all-too-human celebrity ex-boyfriend, and turn her less-than-impressive magical talent into a weapon. Or die. That's an option too. Unfortunately. ☐☐☐☐ What a brilliant urban fantasy book..fast-paced and had me right on the edge of my seat. She is currently living in Wellington, New Zealand - a singer/songwriter trainee and a Physiotherapist, a servant of the Lord at ELIM international and beyond. Have you ever asked yourself any of these questions? . How can I reclaim my purity and grab hold of God's destiny for my life while I am single? . How come things go well for others but me? . How do I become restored from guilt following a fall from grace? . How do I know if I am in an unhealthy relationship? . As I wait, what qualities do I look for in a prospective spouse? . How do I surround myself and learn from wise and Godly people? . How can I support someone or break from the curse of homosexuality as I journey with Christ? . Have I found my First Love? In this book, Susan uses her love of poetry, music and life experiences to answer the above questions. This is a must read if you want to be pruned, replenished and made whole while single.

The Splendid and Extraordinary Life of Beautimus Potamus Peggy A. Wheeler,2017-07-24 You’re never too old for a great fairy tale. - 5-star reader's review. A funny and quirky fantasy fairy tale for adults complete with mystery, murder, romance! The mystical green planet of Rendaz is home to devout goddess worshiper and university professor, middle-aged Beautimus Potamus—who also happens to be a hippo plagued by hot flashes and poor self-esteem. Beautimus forms an alliance with Samuel S. Goodwings, a younger womanizing, atheist praying mantis. When these two are together, life morphs from the mundane into the fantastic. Our unlikely duo solves mysteries, bring a murderer to justice, and even help end a war while experiencing their own trials, triumphs, and tragedies. Often with humor, their situations and adventures parody Earth culture. During their exploits, the two interact with a host of characters, including a pair of New Age flamingos, an A.D.H.D. afflicted trout, an orangutan detective, and a 310-year-old blue crane High Priestess. All of these creatures are more “human” in surprising ways than the citizens of the blue planet, Earth, we discover was once a Rendazian Colony. Beautimus Potamus’ tongue-in-cheek story is a magical fable-stew made with the ingredients of satire, drama, social commentary, and comedy, with jests, puns and wordplay sprinkled throughout. For good measure, a generous pinch of romantic flavoring is thrown into the pot. Readers' reviews: Truly a splendid and extraordinary story. It was refreshing to find something so original. Well written, vivid descriptions, great humor and delightful characters. So often we limit our reading to books by Dan Brown, John Grisham, Nicholas Sparks or Michael Connelly and we [...] miss the gems by new writers that put their heart, soul and dreams on paper to let our imaginations go where theirs have. This is one of those gems. If you liked this book, you should check out Peggy's dystopian tale, Chaco as well! About the author Peggy A. Wheeler is a writer of fantastical fiction. Her debut novel, THE RAVEN'S DAUGHTER is published by Dragon Moon Press in Canada. Peggy studied English and Creative Writing at the U.C.L.A., where she was the only undergraduate chosen to study with Robert Pinsky, former Poet Laureate of the United States. Peggy has led adult poetry and fiction writing critique groups and workshops in both Colorado and California.
