The Atlantic Monthly ,1859

The Monthly Review Ralph Griffiths, George Edward Griffiths, 1782

PS Magazine Will Eisner, Eddie Campbell, 2012-12-01 Will Eisner—best known for his influential comic book series *The Spirit* and his groundbreaking graphic novel *A Contract with God*—believed in the teaching power of comics, and from 1951 to 1971 he produced PS magazine for the U.S. Army. This Preventive Maintenance Monthly (called PS because it was a postscript to the standard technical manuals) was aimed at teaching American soldiers everything about weapons safety for vehicles, aircraft, firearms, and electronics. Eisner illustrated these vital lessons in drawings, pinups, step-by-step guides, and comic strips. This collection contains the best of Eisner's 227 issues of PS, reproduced in a portable digest format. This relatively unknown work by Eisner is finally explored—the missing link between his comic books and his later, more mature graphic novel style. Praise for PS Magazine: For the first time, Will Eisner's superlative work for the U.S. Army has been assembled into a single collection. The result shows the artist's keen understanding of the educative power of graphic storytelling. From 1951 to 1971, between *The Spirit* and *A Contract with God*, Eisner produced PS Magazine for the army in order to teach the common soldier how best to use, maintain, repair, and requisition their equipment. From explaining how to load a truck correctly to why it won't start, Eisner used a combination of humor, sound technical writing, and graphic storytelling to educate the soldiers. His magazines could be found at the front lines, in the officer's mess, and in the quarters of senior military officials. It featured a cast of recurring characters like the loveable Joe Dope and the voluptuous Connie Rodd, who headlined featured segments like "Joe's Dope Sheet" and the provocatively named "Connie Rodd's Briefs." With Eisner's wonderful artwork and clarity of style making sometimes difficult concepts easy to understand, it's no wonder PS Magazine was so popular with military personnel. A fascinating document for both fans of Eisner and military history buffs. - Publishers Weekly starred review "These amusing yet pragmatic sketches provide a 'missing-link' comics document for fans and demonstrate the same mastery of his craft that marked Eisner's better-known works." —Booklist "An instructional model for today's producers of non-fiction comics, which too often lack such visual traction, this also has appeal for military buffs, vehicle junkies, and Eisner fans." —Library Journal "The enthusiast who's been nurturing a curiosity about Eisner's lost years will find all he needs to know from this beautifully produced little volume." —The Comics Journal Eisner understood comics' potential for education decades before his peers, and PS magazine was his first laboratory. This thoughtful new collection is an essential addition to the Eisner library. -Scott McCloud, author of *Understanding Comics*

CMJ New Music Monthly ,2007-10 CMJ New Music Monthly, the first consumer magazine to include a bound-in CD sampler, is the leading publication for the emerging music enthusiast. While this might not be the Monthly full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Monthly eBooks, including some popular titles.

FAQs About Monthly Books

What is a Monthly PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Monthly PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Monthly PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Monthly PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Monthly PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
